INTRODUCTION

This Official Statement provides certain information concerning the Texas Department of Housing and Community Affairs (the "Department") in connection with the issuance of its Single Family Mortgage Revenue Bonds, 2023 Series A (the "Series 2023A Bonds") and Single Family Mortgage Revenue Bonds, 2023 Series B (Taxable) (the "Series 2023B Bonds" and, together with the Series 2023A Bonds, the "Series 2023 Bonds"). Capitalized terms used but not otherwise defined herein shall have the respective meanings for such terms as set forth in "APPENDIX A – GLOSSARY."

The Department, a public and official agency of the State of Texas (the "State"), was created and organized pursuant to and in accordance with the provisions of Chapter 2306, Texas Government Code, as amended (together with other laws of the State applicable to the Department, collectively, the "Act") for the purpose of, among other things, financing sanitary, decent and safe housing for individuals and families of low and very low income and families of moderate income. The Department is the successor agency to the Texas Housing Agency (the "Agency") and the Texas Department of Community Affairs (the "TDCA"), both of which were abolished by the Act and all functions and obligations of which were transferred to the Department pursuant to the Act. Under the Act, the Department may issue bonds, notes, and other obligations to finance or refinance residential housing and multi-family developments located in the State and to refund bonds previously issued by the Agency, the Department or certain other quasi-governmental issuers. See "THE DEPARTMENT."

The Series 2023 Bonds are authorized to be issued pursuant to the Act, a resolution adopted by the Governing Board of the Department on May 11, 2023, an Amended and Restated Single Family Mortgage Revenue Bond Trust Indenture, dated as of June 1, 2017 (the "Master Indenture" and, as amended and supplemented from time to time, collectively, the "Trust Indenture") between the Department and The Bank of New York Mellon Trust Company, N.A., as trustee (the "Trustee"), a Seventy-Fourth Supplemental Single Family Mortgage Revenue Bond Trust Indenture (the "Seventy-Fourth Supplemental Indenture") with respect to the Series 2023A Bonds and a Seventy-Fifth Supplemental Single Family Mortgage Revenue Bond Trust Indenture (the "Seventy-Fifth Supplemental Indenture," together with the Seventy-Fourth Supplemental Indenture, the "2023 Supplemental Indentures") with respect to the Series 2023B Bonds. The Trust Indenture authorizes the Department to issue bonds to provide funds (i) to acquire or refinance single family mortgage loans or participations therein ("Mortgage Loans") that are made to Eligible Borrowers, as determined from time to time by the Department, (ii) to purchase mortgage-backed securities (the "Mortgage Certificates") that are backed by Mortgage Loans and guaranteed by the Government National Mortgage Association ("GNMA" or "Ginnie Mae"), the Federal National Mortgage Association ("Fannie Mae") or the Federal Home Loan Mortgage Corporation ("Freddie Mac"), (iii) to refund Outstanding Bonds issued under the Trust Indenture, and (iv) to pay costs associated therewith.

The Department has previously issued multiple series of single family mortgage revenue bonds (the "Prior Bonds") under the Trust Indenture, of which \$1,024,728,472 in aggregate principal amount was Outstanding as of February 28, 2023. See "APPENDIX F – SUMMARY OF INFORMATION REGARDING THE PROGRAM AND MORTGAGE LOANS, PRIOR SWAP AGREEMENTS, PRIOR LIQUIDITY FACILITIES AND OTHER MATTERS – The Prior Bonds. "

The Series 2023 Bonds, the Prior Bonds and, unless subordinated, all bonds subsequently issued pursuant to the Trust Indenture (collectively, the "Bonds" or the "Single Family Mortgage Revenue Bonds") will be equally and ratably secured by the Trust Estate held by the Trustee pursuant to the Trust Indenture. See "APPENDIX E – SUMMARY OF INFORMATION REGARDING THE TRUST INDENTURE" and "SECURITY FOR THE BONDS."

In addition to the Single Family Mortgage Revenue Bonds, the Department has previously issued five (5) series of Junior Lien Bonds (the "Junior Lien Bonds"), of which \$30,000,000 in aggregate principal amount was outstanding as of February 28, 2023. See "APPENDIX F – SUMMARY OF INFORMATION REGARDING THE PROGRAM AND MORTGAGE LOANS, PRIOR SWAP AGREEMENTS, PRIOR LIQUIDITY FACILITIES AND OTHER MATTERS – The Prior Bonds." The Junior Lien Bonds are limited obligations of the Department and are payable solely from revenues (as defined in the Junior Lien Trust Indenture) and funds pledged for the payment thereof on a basis which is junior and subordinate to the Bonds. See "APPENDIX E – SUMMARY OF INFORMATION REGARDING THE TRUST INDENTURE."

The Series 2023 Bonds are being issued for the primary purpose of providing funds for the purchase of mortgage certificates guaranteed as to timely payment of principal and interest by Ginnie Mae (such Mortgage Certificates purchased with proceeds of the Series 2023A Bonds referred to herein as the "2023 A Mortgage Certificates," such Mortgage Certificates purchased with proceeds of the Series 2023B Bonds referred to herein as the "2023 B Mortgage Certificates," and the 2023 A Mortgage Certificates and 2023 B Mortgage Certificates collectively referred to as the "2023 Mortgage Certificates") which represent beneficial ownership of pools of Mortgage Loans, funding loans for down payment and closing cost assistance (as hereinafter defined, the "DPA Loans"), and paying lender compensation related to the 2023 A Mortgage Loans and 2023 B Mortgage Loans, respectively. See "PLAN OF FINANCE."

While the proceeds of the Series 2023 Bonds will be used to acquire Ginnie Mae Certificates, a portion of the Trust Estate is comprised of Fannie Mae Certificates and Freddie Mac Certificates. See "APPENDIX F – SUMMARY OF INFORMATION REGARDING THE PROGRAM AND MORTGAGE LOANS, PRIOR SWAP AGREEMENTS, PRIOR LIQUIDITY FACILITIES AND OTHER MATTERS – Prior Mortgage Certificates." On June 3, 2019, Fannie Mae and Freddie Mac began issuing new, common, single mortgage-backed securities, formally known as the Uniform Mortgage-Backed Security ("UMBS"). The UMBS finance the same types of fixed-rate mortgages that back Fannie Mae Certificates and Freddie Mac Certificates and are guaranteed by either Fannie Mae or Freddie Mac depending upon which entity issues the UMBS. The UMBS have characteristics similar to Fannie Mae Certificates and Freddie Mac will offer investors the opportunity to exchange existing Freddie Mac Certificates for "mirror" UMBS backed by the same loans as the existing securities. The term "Mortgage Certificates" includes UMBS. The proceeds of the Series 2023 Bonds will not be used to purchase UMBS.

The Bonds are payable solely from and are secured by a pledge of and lien on the Revenues, Mortgages, Mortgage Loans (including Mortgage Certificates), Investment Securities, moneys held in the Funds (excluding the Rebate Account, the Swap Agreement Termination Payment Subaccount and the Swap Agreement Termination Receipt Subaccount of the Surplus Revenues Account of the Revenue Fund and the Policy Payments Account) and other property pledged under the Trust Indenture (collectively, the "Trust Estate"). All payments with respect to principal of and interest on Mortgage Loans (net of servicing fees) and on Mortgage Certificates (net of servicing and guaranty fees) received by the Department and the earnings on investments of Funds and Accounts held pursuant to the Trust Indenture other than the excluded Funds and Accounts constitute Revenues. Bondholders have no rights to or lien on the Swap Agreements. The pledge of and lien on the Trust Estate is subject to discharge if moneys or qualified securities sufficient to provide for the payment of all Outstanding Bonds are deposited and held in trust for such payment. See "SECURITY FOR THE BONDS – Pledge of Trust Indenture," "APPENDIX E – SUMMARY OF INFORMATION REGARDING THE TRUST INDENTURE" and "APPENDIX F –

SUMMARY OF INFORMATION REGARDING THE PROGRAM AND MORTGAGE LOANS, PRIOR SWAP AGREEMENTS, PRIOR LIQUIDITY FACILITIES AND OTHER MATTERS – The Program and the Mortgage Loans," "– Prior Swap Agreements" and "– Prior Liquidity Facilities."

The Series 2023 Bonds are on a parity in all respects with all outstanding Prior Bonds, and, unless subordinated, any Bonds subsequently issued under the Trust Indenture. Mortgage Loans securing the Bonds must meet certain requirements. For information regarding the Mortgage Loans, see "APPENDIX F – SUMMARY OF INFORMATION REGARDING THE PROGRAM AND MORTGAGE LOANS, PRIOR SWAP AGREEMENTS, PRIOR LIQUIDITY FACILITIES AND OTHER MATTERS – The Program and the Mortgage Loans."

THE SERIES 2023 BONDS

General

The Series 2023 Bonds will be dated the date of delivery. The Series 2023 Bonds are issuable only as fully registered bonds, without coupons, and will be registered in the name of Cede & Co., as registered owner and nominee for The Depository Trust Company, New York, New York ("DTC"), which will act as the Bond Depository for the Series 2023 Bonds. The Series 2023 Bonds will be available to purchasers in book-entry form only in denominations of \$5,000 or any integral multiple thereof, as more fully described herein. The principal or Redemption Price of, and interest on, the Series 2023 Bonds will be payable by the Trustee to DTC, which will be responsible for making such payments to DTC Participants (hereinafter defined) for subsequent remittance to the owners of beneficial interests in the Series 2023 Bonds or their nominees. See "APPENDIX F – SUMMARY OF INFORMATION REGARDING THE PROGRAM AND MORTGAGE LOANS, PRIOR SWAP AGREEMENTS, PRIOR LIQUIDITY FACILITIES AND OTHER MATTERS – DTC and Book-Entry."

The Series 2023 Bonds mature on the dates and in the amounts set forth on the inside cover hereof.

Interest Rates

The Series 2023 Bonds will accrue interest from the date of delivery, until maturity or prior redemption at the respective per annum rates of interest set forth on the inside cover page hereof. Interest accrued on the Series 2023 Bonds will be payable on March 1, 2024, and semiannually on each March 1 and September 1 thereafter until maturity or prior redemption. Interest on the Series 2023 Bonds will be calculated on the basis of a 360-day year composed of twelve 30-day months.

Redemption Provisions

Series 2023A Bonds

The Series 2023A Bonds are subject to optional redemption, special redemption, and mandatory sinking fund redemption at various times prior to their scheduled maturities at various Redemption Prices as described below. The Department anticipates that a significant portion of the Series 2023A Bonds will be redeemed prior to their scheduled maturities as the result of the receipt by

the Department of amounts representing Mortgage Loan Principal Payments, from certain excess Revenues, and, in certain circumstances, from Surplus Indenture Revenues.

Special Redemption from Unexpended Proceeds of Series 2023A Bonds

The Series 2023A Bonds are subject to special redemption from unexpended proceeds of the Series 2023A Bonds, at any time, prior to their stated maturities, in whole or in part. The Redemption Price of the Series 2023A Bonds to be so redeemed shall be equal to (a) for all Series 2023A Bonds other than the Premium Serial Bonds, the Premium Term Bonds and the Premium PAC Term Bond, 100% of the principal amount thereof; (b) for the Premium PAC Term Bond, the applicable Redemption Price as set forth in "APPENDIX H – UNEXPENDED PROCEEDS REDEMPTION PRICE FOR PREMIUM SERIAL BONDS, PREMIUM TERM BONDS, PREMIUM PAC TERM BOND AND TAXABLE PAC TERM BOND," that maintains the original yield to the Projected Weighted Average Life (in Years) from 100% through 400%, inclusive (Optional Call not Exercised), of the SIFMA Prepayment Model of such Premium PAC Term Bond as set forth under "Average Life and Prepayment Speeds"; and (c) for the Premium Serial Bonds and the Premium Term Bonds, the applicable Redemption Price as set forth in "APPENDIX H – UNEXPENDED PROCEEDS REDEMPTION PRICE FOR PREMIUM SERIAL BONDS, PREMIUM TERM BONDS, PREMIUM PAC TERM BOND AND TAXABLE PAC TERM BOND," that maintains, respectively, the original yield to (i) the maturity dates of such Premium Serial Bonds and (ii) the optional redemption date of September 1, 2032 of the Premium Term Bonds; plus, in any case, accrued interest thereon to, but not including, the date of redemption. Notwithstanding the foregoing, a De Minimis Special Redemption shall be treated as Mortgage Loan Principal Payments relating to the 2023 A Mortgage Certificates and Series 2023A Bonds shall be redeemed as described below under "Special Redemption from 2023A Mortgage Loan Principal Payments" below.

Such Special Redemption from Unexpended Proceeds shall occur on the first day of any month on or after May 1, 2024, unless the Certificate Purchase Period is extended in accordance with the Trust Indenture. In no event will the redemption occur later than January 1, 2027.

As described in "BONDHOLDER RISKS – Non-Origination of Mortgage Loans," over the past year, the Department has averaged approximately \$60 million per month in GNMA mortgage-backed securities issued that are backed by tax-exempt bond eligible mortgage loans, exclusive of loans for which a mortgage credit certificate was issued. The Department has not had an unexpended proceeds call since November 1, 2010.

Except for the De Minimis Special Redemption, the Series 2023A Bonds to be redeemed as described in this subcaption shall be selected by the Trustee on a pro rata basis among all maturities unless otherwise directed by the Department pursuant to a Letter of Instructions accompanied by a Statement of Projected Revenues (as defined herein).

Special Redemption from 2023A Mortgage Loan Principal Payments

The Series 2023A Bonds, other than the Premium Serial Bonds, are subject to redemption prior to maturity and shall be redeemed, in whole or in part, from time to time on the first day of any month on or after September 1, 2023, after giving notice as provided in the Trust Indenture, at a Redemption Price equal to 100% of the principal amount of the Series 2023A Bonds or portions thereof to be redeemed, plus accrued interest to, but not including, the redemption date, from certain amounts relating to Mortgage Loan Principal Payments from the 2023 A Mortgage Certificates transferred to the 2023 A Redemption Subaccount in accordance with the Trust Indenture.

In the event of a redemption from Mortgage Loan Principal Payments, the Trustee shall select the particular Series 2023A Bonds to be redeemed as follows:

- (a) the Trustee shall redeem the Premium PAC Term Bond, but only to the extent that the Outstanding principal amount of such Premium PAC Term Bond following any such redemption is not less than the Premium PAC Term Bond Outstanding Applicable Amount as of such date;

The Premium PAC Term Bond Outstanding Applicable Amount is as follows:

(c) amounts remaining following the redemptions described in clauses (a) and (b) above shall be applied monthly, unless otherwise directed by a Letter of Instructions accompanied by a Statement of Projected Revenues, to redeem all Series 2023A Bonds (excluding the Premium Serial Bonds, but including the Premium PAC Term Bond and the Premium Term Bonds), on a proportionate basis after taking into account the amounts applied to redeem the Series 2023A Bonds pursuant to the above-described redemptions.

If any Series 2023A Bonds are redeemed pursuant to "Special Redemption from Unexpended Proceeds of Series 2023A Bonds" (other than a De Minimis Special Redemption), the Premium PAC Term Bond Outstanding Applicable Amount and the Series 2023A Cumulative Applicable Amount described for the current and each future period will be reduced on a proportionate basis.

Special Redemption from Excess Revenues

The Series 2023A Bonds, other than the Premium Serial Bonds, are subject to redemption prior to maturity and may be redeemed, in whole or in part, from time to time on the first day of any month on or after September 1, 2023, after giving notice as provided in the Trust Indenture and in accordance with a Letter of Instructions, at a Redemption Price equal to one hundred percent (100%) of the principal amount of the Series 2023A Bonds or portions thereof to be redeemed, plus accrued interest to, but not including, the redemption date, from excess Revenues (including Surplus Indenture Revenues whether or not derived in connection with the Series 2023A Bonds).

In general, excess Revenues (including Surplus Indenture Revenues) will consist of funds remaining on each Interest Payment Date, in the case of the Series 2023A Bonds, in the 2023 A Revenue Account of the Revenue Fund after taking into account (1) the provision for payment of Debt Service on the Series 2023A Bonds on such Interest Payment Date, (2) the required transfers of amounts to the 2023 A Redemption Subaccount and the 2023 A Principal Subaccount, and (3) the payment of Department Expenses in accordance with the Trust Indenture, and such excess Revenues will be transferred to the 2023 A Redemption Subaccount and used to redeem Series 2023A Bonds unless otherwise directed by the Department pursuant to a Letter of Instructions accompanied by a Statement of Projected Revenues.

Notwithstanding the preceding paragraph, prior to the date on which the Series 2023B Bonds have been paid in full, the Trustee may transfer amounts as directed in a Letter of Instructions from the 2023 A Revenue Account after taking into account (1) the provision for payment of Debt Service on the Series 2023A Bonds on each Interest Payment Date, (2) the required transfers of amounts to the 2023 A Redemption Subaccount and the 2023 A Principal Subaccount, and (3) the payment of Department Expenses in accordance with the Trust Indenture, and such excess revenues shall be used to pay 2023 Series B Bonds in accordance with the Seventy-Fifth Supplemental Indenture.

In the event of a redemption from excess Revenues, the Trustee shall apply amounts transferred to the 2023 A Redemption Subaccount in accordance with the Trust Indenture to redeem the Outstanding Series 2023A Bonds in the same manner described in clauses (a) and (b) under "Special Redemption from 2023A Mortgage Loan Principal Payments" above, unless otherwise instructed by the Department pursuant to a Letter of Instructions accompanied by a Statement of Projected Revenues.

Optional Redemption

The Series 2023A Bonds (except for the Premium PAC Term Bond) maturing on or after March 1, 2033, are subject to redemption prior to maturity, in whole or in part, at any time and from time to time, on and after September 1, 2032, at the option of the Department after giving notice as provided in the Trust Indenture, at a Redemption Price equal to 100% of the principal amount of such Series 2023A Bonds or portions thereof to be redeemed, plus accrued interest, if any, to, but not including, the redemption date.

The Premium PAC Term Bond is subject to redemption prior to maturity, in whole or in part at any time and from time to time, on and after September 1, 2032, at the option of the Department after giving notice as provided in the Trust Indenture, at the Redemption Prices set forth below (expressed as a percentage of the principal amount to be redeemed), in each case together with interest accrued thereon to the redemption date:

*Final Maturity

The principal amount of the Series 2023A Bonds to be redeemed on each such redemption date pursuant to mandatory sinking fund redemption shall be reduced by the principal amount of any Series 2023A Bonds having the same stated maturity and interest rate, which (A) at least 45 days prior to such mandatory sinking fund redemption date, (1) shall have been acquired by the Department and delivered to the Trustee for cancellation, or (2) shall have been acquired and canceled by the Trustee at the direction of the Department, or (3) shall have been redeemed other than pursuant to mandatory sinking fund redemption, and (B) shall have not been previously credited against a scheduled mandatory sinking fund redemption.

Series 2023B Bonds

The Series 2023B Bonds are subject to optional redemption, special redemption, and mandatory sinking fund redemption at various times prior to their scheduled maturities at various Redemption Prices as described below. The Department anticipates that a significant portion of the

Series 2023B Bonds will be redeemed prior to their scheduled maturities as the result of the receipt by the Department of amounts representing Mortgage Loan Principal Payments, from certain excess Revenues, and, in certain circumstances, from Surplus Indenture Revenues.

Special Redemption from Unexpended Proceeds of Series 2023B Bonds

The Series 2023B Bonds are subject to special redemption from unexpended proceeds of the Series 2023B Bonds, prior to their stated maturities, in whole or in part. The Redemption Price of the Series 2023B Bond to be so redeemed shall be equal to (i) for Series 2023B Bonds other than the Taxable PAC Term Bond, 100% of the principal amount thereof, and (ii) for the Taxable PAC Term Bond, the applicable Redemption Price as set forth in "APPENDIX H – UNEXPENDED PROCEEDS REDEMPTION PRICE FOR PREMIUM SERIAL BONDS, PREMIUM TERM BONDS AND PREMIUM PAC TERM BOND AND TAXABLE PAC TERM BOND," that maintains the original yield to the Projected Weighted Average Life (in Years) from 100% through 400%, inclusive (Optional Call not Exercised), of the SIFMA Prepayment Model of such Taxable PAC Term Bond as set forth under "Average Life and Prepayment Speeds"; plus, in each case, accrued interest thereon to, but not including, the date of redemption; except that a De Minimis Special Redemption shall be treated as Mortgage Loan Principal Payments relating to the 2023 B Mortgage Certificates and such portion of the Series 2023B Bonds shall be redeemed as described below under "Special Redemption from 2023B Mortgage Loan Principal Payments."

Such Special Redemption from Unexpended Proceeds shall occur on the first day of any month on or after May 1, 2024, unless the Certificate Purchase Period is extended in accordance with the Trust Indenture.

As described in "BONDHOLDER RISKS – Non-Origination of Mortgage Loans," over the past year, the Department has averaged over \$60 million per month in GNMA mortgage-backed securities issued that are backed by tax-exempt bond eligible mortgage loans, exclusive of loans for which a mortgage credit certificate was issued. The Department has not had an unexpended proceeds call since November 1, 2010.

Except for the De Minimis Special Redemption, the Series 2023B Bonds to be redeemed as described in this subcaption shall be selected by the Trustee on a pro rata basis among all maturities unless otherwise directed by the Department pursuant to a Letter of Instructions accompanied by a Statement of Projected Revenues (as defined herein).

Special Redemption from 2023B Mortgage Loan Principal Payments

The Series 2023B Bonds, are subject to redemption prior to maturity and shall be redeemed, in whole or in part, from time to time on the first day of any month on or after September 1, 2023, after giving notice as provided in the Trust Indenture, at a Redemption Price equal to 100% of the principal amount of the Series 2023B Bonds or portions thereof to be redeemed, plus accrued interest to, but not including, the redemption date, from certain amounts relating to Mortgage Loan Principal Payments from the 2023 B Mortgage Certificates transferred to the 2023 B Redemption Subaccount in accordance with the Trust Indenture.

In the event of a redemption from Mortgage Loan Principal Payments, the Trustee shall select the particular Series 2023B Bonds to be redeemed as follows:

If any Series 2023B Bonds are redeemed pursuant to "Special Redemption from Unexpended Proceeds of Series 2023B Bonds" (other than a De Minimis Special Redemption), the Taxable PAC Term Bond Outstanding Applicable Amount and the Series 2023B Cumulative Applicable Amount described for the current and each future period will be reduced on a proportionate basis.

Special Redemption from Excess Revenues

The Series 2023B Bonds, are subject to redemption prior to maturity and may be redeemed, in whole or in part, from time to time on the first day of any month on or after September 1, 2023, after giving notice as provided in the Trust Indenture and in accordance with a Letter of Instructions, at a Redemption Price equal to one hundred percent (100%) of the principal amount of the Series 2023B Bonds or portions thereof to be redeemed, plus accrued interest to, but not including, the redemption date, from excess Revenues (including Surplus Indenture Revenues from the Series 2023A Bonds transferred to the 2023 B Revenue Account and other revenues whether or not derived in connection with the Series 2023B Bonds).

In general, excess Revenues (including Surplus Indenture Revenues) will consist of funds remaining on each Interest Payment Date, in the case of the Series 2023B Bonds, in the 2023 B Revenue Account of the Revenue Fund after taking into account (1) the provision for payment of Debt Service on the Series 2023B Bonds on such Interest Payment Date, (2) the required transfers of amounts to the 2023 B Redemption Subaccount and the 2023 B Principal Subaccount, and (3) the payment of Department Expenses in accordance with the Trust Indenture, and such excess Revenues will be transferred to the 2023 B Redemption Subaccount and used to redeem Series 2023B Bonds unless otherwise directed by the Department pursuant to a Letter of Instructions accompanied by a Statement of Projected Revenues.

In the event of a redemption from excess Revenues, the Trustee shall apply amounts transferred to the 2023 B Redemption Subaccount in accordance with the Trust Indenture to redeem the Outstanding Series 2023B Bonds in the same manner described in clauses (a) and (b) under "Special Redemption from 2023B Mortgage Loan Principal Payments" above, unless otherwise instructed by the Department pursuant to a Letter of Instructions accompanied by a Statement of Projected Revenues.

Selection of Series 2023 Bonds to be Redeemed

Except as described in "THE SERIES 2023 BONDS – Redemption Provisions – Series 2023A Bonds – Special Redemption from Unexpended Proceeds of Series 2023A Bonds," "– Series 2023A Bonds – Special Redemption from 2023A Mortgage Loan Principal Payments," "– Series 2023A Bonds – Special Redemption from Excess Revenues," Series 2023B Bonds – Special Redemption from Unexpended Proceeds of Series 2023B Bonds," "– Series 2023B Bonds – Special Redemption from 2023B Mortgage Loan Principal Payments" and "– Series 2023B Bonds – Special Redemption from Excess Revenues," the particular Series 2023 Bonds within a maturity to be redeemed in part shall be selected at random by the Trustee in such manner as the Trustee in its discretion may deem fair and appropriate. A portion of any Series 2023 Bond may be redeemed, but only in an Authorized Denomination. See "APPENDIX F – SUMMARY OF INFORMATION REGARDING THE PROGRAM AND MORTGAGE LOANS, PRIOR SWAP AGREEMENTS, PRIOR LIQUIDITY FACILITIES AND OTHER MATTERS – DTC and Book-Entry."

Notice of Redemption

Except as provided below, the Trustee shall give notice, to the extent required, in the name of the Department, of the redemption of Series 2023 Bonds to the holders thereof, which notice shall specify the Series 2023 Bonds to be redeemed, the redemption date and the place or places where amounts due upon such redemption will be payable and, if less than all of the Series 2023 Bonds are to be redeemed, the letters and numbers or other distinguishing marks, principal amounts, maturity dates and interest rates of such Series 2023 Bonds to be redeemed. Such notice shall further state that on such date there shall become due and

payable upon each Series 2023 Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal amount thereof, in the case of Series 2023 Bonds to be redeemed in part only, together with interest accrued to but not including the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable.

The Trustee shall mail a copy of such notice by first class mail, postage prepaid, not less than 30 days prior to the redemption date, nor more than 60 days to the holders of any Series 2023 Bonds or portions thereof which are to be redeemed, at the address shown on the registration books maintained by the Trustee.

Conditional Notices of Redemption

The Department reserves the right to give notice of its election or direction to redeem Series 2023 Bonds conditioned upon the occurrence of subsequent events.

Payment of Redeemed Bonds

Notice having been given as provided in the Trust Indenture, the Series 2023 Bonds or portions thereof so called for redemption shall become due and payable on the redemption date so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date, and upon the occurrence of any subsequent events or satisfaction of any conditions specified in such notice. If there shall be drawn for redemption less than all of a Series 2023 Bond, the Department shall execute and the Trustee shall authenticate and the Paying Agent shall deliver, upon the surrender of such Series 2023 Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the Series 2023 Bond so surrendered, Series 2023 Bonds of like maturity in any Authorized Denomination. If, on the redemption date, moneys for the redemption of all the Series 2023 Bonds or portions thereof of any like maturity to be redeemed, together with interest to the redemption date, shall be held by the Trustee so as to be available therefor on said date and if notice of redemption shall have been given as specified in the Trust Indenture, then from and after the redemption date interest on the Series 2023 Bonds or portions thereof of such maturity so called for redemption shall cease to accrue and become payable. If such moneys shall not be available on the redemption date, such Series 2023 Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

Purchase in Lieu of Redemption

The Trust Indenture permits the purchase of Bonds, including the Series 2023 Bonds, in the open market in lieu of redemption of Bonds. Any such purchase may be at a price (excluding accrued interest to the purchase date but including any brokerage or other charges) no greater than the applicable Redemption Price for such Series 2023 Bonds.

Average Life and Prepayment Speeds

Prepayments on mortgage loans are commonly measured relative to a prepayment standard or model. The SIFMA Prepayment Model represents an assumed monthly rate of prepayment of the then outstanding principal balance of a pool of new mortgage loans. The SIFMA Prepayment Model does not purport to be either an historical description of the prepayment of any pool of mortgage loans or a prediction of the anticipated rate of prepayment of any pool of mortgage loans, including the 2023 A Mortgage Certificates and the 2023 B Mortgage Certificates. One hundred percent (100%) of the SIFMA Prepayment Model assumes prepayment rates of 0.2 percent per year of the then unpaid principal balance of such mortgage loans in the first month of the life of the mortgage loans and an additional 0.2 percent per year in each month thereafter (for example, 0.4 percent per year in the second month) until the 30th month. Beginning in the 30th month and in each month thereafter during the life of the mortgage loans, 100 percent of the SIFMA Prepayment Model assumes a constant prepayment rate of six percent per year. Multiples will be calculated from this prepayment rate speed e.g., 200 percent of the SIFMA Prepayment Model

assumes prepayment rates will be 0.4 percent per year on month one, 0.8 percent per year in month two, reaching 12 percent per year in month 30 and remaining constant at 12 percent per year thereafter. The amounts shown in the tables under "THE SERIES 2023 BONDS—Redemption Provisions—Series 2023A Bonds" above for Premium PAC Term Bond Outstanding Applicable Amount and for Series 2023A Cumulative Applicable Amount and the amounts shown in the tables under "THE SERIES 2023 BONDS—Redemption Provisions—Series 2023B Bonds" above for Taxable PAC Term Bond Outstanding Applicable Amount and for Series 2023B Cumulative Applicable Amount are based on many assumptions, including (i) receipt of prepayments on the 2023 A Mortgage Loans equal to 100 percent of SIFMA's standard prepayment model (as further described below) (the "SIFMA Prepayment Model") in the case of Premium PAC Term Bond Outstanding Applicable Amount and 400 percent of the SIFMA Prepayment Model in the case of the Series 2023A Cumulative Outstanding Applicable Amount; (ii) receipt of prepayments on the 2023 B Mortgage Loans equal to 100 percent of SIFMA's standard prepayment model (as further described below) (the "SIFMA Prepayment Model") in the case of Taxable PAC Term Bond Outstanding Applicable Amount and 400 percent of the SIFMA Prepayment Model in the case of the Series 2023B Cumulative Outstanding Applicable Amount; and (iii) that 100 percent of the moneys on deposit in the 2023 A Mortgage Loan Account and 2023 B Mortgage Loan Account attributable to the proceeds of the Series 2023A Bonds and Series 2023B Bonds will be used to purchase 2023 A Mortgage Certificates and 2023 B Mortgage Certificates, respectively.

The following table assumes, among other things, that

- (i) all amounts in the 2023 A Mortgage Loan Account will be used to purchase 2023 A Mortgage Loans and DPA Loans, all proceeds of the Series 2023B Bonds will be used to purchase 2023 B Mortgage Loans;
- (ii) 2023 A Mortgage Loans will be purchased on average on October 1, 2023 and 2023 B Mortgage Loans will be purchased on average on October 1, 2023;
- (iii) \$110,000,000 of 2023 A Mortgage Loans will have an original term of 30 years with three (3) points of repayable DPA Loans and have an average interest rate of 6.125% per annum;
- (iv) \$90,000,000 of 2023 A Mortgage Loans will have an original term of 30 years with (4) points of repayable DPA Loans and have an average interest rate of 6.375% per annum;
- (v) \$50,000,000 of Mortgage Loans will have an original term of 30 years with four (4) points of repayable DPA Loans and have an average interest rate of 6.375% per annum, where the Mortgage Loans will be purchased with Series 2023B proceeds and the associated four (4) point DPA Loans will be purchased with Series 2023A proceeds;
- (vi) \$50,000,000 of 2023 A Mortgage Loans will be "Low Rate Option Loans" with an original term of 30 years with no DPA Loans and have an average interest rate of 5.750% per annum;
- (vii) Trustee's fees will be .02% per annum of Series 2023A Bonds outstanding with an annual minimum of \$3,500 payable monthly;
- (viii) 2023 A Mortgage Loans prepay at the indicated percentage of the SIFMA Prepayment Model;
- (ix) all 2023 A Mortgage Loans and 2023 B Mortgage Loans are pooled and assigned to GNMA upon the issuance to the Trustee of GNMA Certificates and payments on such Mortgage Certificates are timely made and used on a timely basis to redeem the Series 2023A Bonds and 2023B Bonds, respectively;

(x) the Series 2023A Bonds and 2023B Bonds, respectively are not redeemed pursuant to unexpended proceeds redemption;

(xi) the Series 2023 Bonds, other than the Premium PAC Term Bond and the Taxable PAC Term Bond where noted, are not redeemed pursuant to optional redemption;

(xii) no amounts allocable to any other series of Bonds are used to cross-call the Series 2023 Bonds and no amounts allocable to the Series 2023 Bonds are used to cross-call any other series of Bonds;

(xiii) the Investment Securities held in the 2023 A Mortgage Loan Account and the 2023 B Mortgage Loan Account respectively will pay interest at the rate of 0% per annum and the Investment Securities held in the 2023 A Revenue Fund and the 2023 B Revenue Fund respectively will pay interest at the rate of 0% per annum for the first three years and 0.05% per annum thereafter;

(xiv) Series 2023 Bonds will be redeemed as described under "THE SERIES 2023 BONDS – Redemption Provisions – Series 2023A Bonds – Special Redemption from 2023A Mortgage Loan Principal Payments" for the respective Series 2023A Bonds and "THE SERIES 2023 BONDS – Redemption Provisions – Series 2023B Bonds – Redemption from 2023B Mortgage Loan Principal Payments" for the respective Series 2023B Bonds above, assuming Series 2023 Bonds are redeemed monthly; and

(xv) Series 2023 Bonds will be redeemed semi-annually as described under "Redemption from Excess Revenues."

Based on the foregoing and other assumptions, some or all of which may not reflect actual experience, the table below indicates the projected weighted average lives of the following Term Bonds.

⁽¹⁾ The weighted average life of a bond is determined by (i) multiplying the amount of each principal payment by the number of years from the date of issuance of the bonds to the related principal payment date, (ii) adding the results and (iii) dividing the sum by the total principal paid on the bond.

In addition to the table above, "APPENDIX G – TABLE OF PROJECTED WEIGHTED AVERAGE LIFE DATA AT VARIOUS PREPAYMENT SPEEDS" sets forth a table of additional average life-related data at various prepayment speeds.

The holder of less than all of the Outstanding principal amount of a Premium PAC Term Bond, Taxable PAC Term Bond or a Term Bond may not achieve the results indicated above. The Department does not undertake to update this table or any other projections contained in this Official Statement based on the Department's actual experience with respect to repayment and prepayment of the Series 2023 Bonds.

The SIFMA Prepayment Benchmark does not purport to be a prediction of the anticipated rate of Prepayments of the Mortgage Loans, and there is no assurance that the prepayments of the Mortgage Loans will conform to any of the assumed prepayment rates. See "BONDHOLDER RISKS" herein for a discussion of certain factors that may affect the rate of Prepayments of the Mortgage Loans. The Department makes no representation as to the percentage of the principal balance of the Mortgage Loans that will be paid as of any date or as to the overall rate of prepayment. Investors may view the Department's website for information regarding the Trust Estate, including information regarding Mortgage Loans and Mortgage Certificates. Investors should be aware of the disclaimers before viewing, particularly the Department's representation that it has no obligation to update its website.

The information set forth above with respect to the prepayment experience (as a percentage of the SIFMA Prepayment Model) has been obtained from sources which are believed to be reliable, but such information is not guaranteed as to accuracy or completeness and is not to be construed as a representation of the Department, the Financial Advisors or the Underwriters.

The achievement of certain results or other expectations contained in this section involves known and unknown risks, uncertainties and other factors which may cause actual results, performance or achievements described to be materially different from any future results, performance or achievements expressed or implied in this section. The Department does not expect or intend to issue any updates or revisions to this section if or when its expectations, or events, conditions or circumstances on which such statements are based, occur or fail to occur.

SECURITY FOR THE BONDS

Pledge of Trust Indenture

The Bonds, including the Series 2023 Bonds, the Prior Bonds and, unless subordinated, all bonds subsequently issued pursuant to the Trust Indenture, are equally and ratably secured by the Trust Indenture for the equal benefit, protection and security of the owners of the Bonds, each of which, regardless of time of issuance or maturity, is to be of equal rank without preference, priority or distinction, except as otherwise provided in the Trust Indenture.

Principal or Redemption Price of and interest on all Bonds are payable solely from and are secured by a pledge of and lien on the Trust Estate, which consists generally of the Revenues, Mortgages, Mortgage Loans (including Mortgage Certificates), money, and Investment Securities held in the Funds (excluding the Rebate Account, the Swap Agreement Termination Payment Subaccount and the Swap Agreement Termination Receipt Subaccount of the Surplus Revenues Account of the Revenue Fund and the Policy Payments Account), and other property pledged under the Trust Indenture and any Supplemental Indenture. Revenues include all payments with respect to the Mortgage Loans (net of servicing, accounting and collection fees) which include Mortgage Certificates (net of servicing and guaranty fees) and the earnings on investments of amounts held under the Trust Indenture and any Supplemental Indenture. Revenues do not include Swap Agreement Periodic Receipts or Swap Agreement Termination Receipts, payments made in order to obtain or maintain mortgage insurance and fire and other hazard insurance with respect to Mortgage Loans (including Mortgage Certificates), and any payments required to be made with respect to Mortgage Loans (including Mortgage Certificates) for taxes, other governmental charges, and other similar charges customarily required to be escrowed on mortgage loans or commitment fees or other financing

charges paid by a Mortgage Lender or the Master Servicer to the Department in connection with a commitment to sell and deliver Mortgage Loans (including Mortgage Certificates) to the Department. Swap Agreement Periodic Receipts will be available to pay Debt Service on the Bonds. Bondholders have no rights to or lien on the Swap Agreements.

The Series 2023 Bonds are limited obligations of the Department and are payable solely from the Revenues and funds pledged for the payment thereof as more fully described herein. Neither the State nor any agency of the State, other than the Department, nor the United States of America nor any agency, department or other instrumentality thereof, including Ginnie Mae, Freddie Mac, and Fannie Mae, is obligated to pay the principal or Redemption Price of, or interest on, the Series 2023 Bonds. Neither the faith and credit nor the taxing power of the State or the United States of America is pledged, given or loaned to such payment. The Department has no taxing power. Ginnie Mae, Freddie Mac and Fannie Mae guarantee only the payment of the principal of and interest on the Ginnie Mae Certificates, Freddie Mac Certificates and Fannie Mae Certificates, respectively, when due and do not guarantee the payment of the Series 2023 Bonds or any other obligations issued by the Department.

Certain Information as to Revenues, Investments, Debt Service and Department Expenses

On the basis of the Statement of Projected Revenues prepared in connection with the issuance of the Series 2023 Bonds, as discussed below, the Department expects that the scheduled payments, together with prepayments received, if any, of the principal of and interest on the Mortgage Loans and the Mortgage Certificates and amounts held under the Trust Indenture and the earnings thereon, will be sufficient to pay the principal or Redemption Price of and interest on the Series 2023 Bonds and all other Outstanding Bonds when due. In arriving at the foregoing conclusions, the Department has taken into account all Prior Bonds but has not considered the issuance of other additional Bonds or the application or investment of the proceeds thereof. Since additional Bonds issued under the Trust Indenture will rank equally and ratably with the Series 2023 Bonds with respect to the security afforded by the Trust Indenture, the availability of money for repayment thereof could be significantly affected by the issuance, application and investment of proceeds of additional Bonds. See "Additional Bonds."

Statement of Projected Revenues

The Department is required to prepare periodically a statement comparing estimates of Revenues with the Debt Service requirements and estimated Department Expenses with respect to Outstanding Bonds (the "Statement of Projected Revenues"). The Statement of Projected Revenues is required to be prepared as a condition to the issuance of Bonds and annually within 180 days after each August 31. A Statement of Projected Revenues is also required to be prepared semiannually at any time that unexpended Bond proceeds remain on deposit in the Mortgage Loan Fund to the extent reasonably necessary to reflect the actual application of amounts therein, the expiration or other termination or alteration of any commitment for the acquisition or refinancing of Mortgage Loans or any revised estimates with respect thereto.

The Department has covenanted that during such time as it is not meeting the Asset Test (as described herein under "APPENDIX E – SUMMARY OF INFORMATION REGARDING THE TRUST INDENTURE – Revenue Fund"), the Department may only direct the Trustee (i) to transfer Surplus Indenture Revenues to the Mortgage Loan Fund or the Redemption Account of the Debt Service Fund; (ii) to invest the Surplus Indenture Revenues in Investment Securities; or (iii) if the Department shall have on file with the Trustee a Statement of Projected Revenues, projecting that Revenues to the extent deemed available or to be available to pay Department Expenses and aggregate Debt Service, including Swap Agreement Periodic Payments, will be sufficient to pay Department Expenses and aggregate Debt Service, including Swap Agreement Periodic Payments, when due in the then current and each succeeding Bond Year, and as of the date of such Statement of Projected Revenues the Department Assets are at least equal

to one hundred percent (100%) of the aggregate principal amount of Bonds then Outstanding, to use Surplus Indenture Revenues to pay principal, interest and redemption price on Junior Lien Bonds or to establish and maintain reserves or other funds and accounts as provided in the indenture or indentures authorizing such Junior Lien Bonds.

At the end of any Bond Year, if the Department meets the Asset Test, the Department may apply any Surplus Indenture Revenues (in excess of those required to be maintained under the Trust Indenture in order to permit the Department to continue to meet the Asset Test):

(i) to the trustee under the Junior Lien Trust Indenture to be used to originate mortgage loans as described in the Trust Indenture, to reimburse a bond insurer or credit provider for amounts provided under a bond insurance policy or other credit support or to originate junior lien mortgage loans;

(ii) to pay principal, interest and redemption premium on Junior Lien Bonds or to establish and maintain reserves or other funds and accounts as provided in the indenture authorizing Junior Lien Bonds;

(iii) (a) subject to the provisions of the Trust Indenture or any Supplemental Indenture to the redemption of Bonds and in the case of the Series 2023 Bonds only on and after the optional redemption date; (b) to the payment of any Department Expenses; (c) to the establishment of reserves therefor, free and clear of the pledge and lien of the Trust Indenture; or (d) to the purchase of Bonds; and

(iv) any other purpose or payment authorized or required by the Act free and clear of the pledge and lien of the Trust Indenture; provided, however, that no such amounts may be applied in any way which would result in less than ninety percent (90%) of all amounts received by the Department with respect to the Mortgage Loans being used for the following purposes: (v) to pay the principal or Redemption Price of or interest on or purchase or otherwise to service the Bonds; (w) to reimburse the Department for Department Expenses, or to pay, for costs of issuance; (x) to reimburse the Department, or to pay for administrative or other costs or anticipated future losses directly related to the Program; (y) to acquire Mortgage Loans or other loans or mortgages financing residential real property in the State; and (z) to redeem or retire obligations of the Department.

Additional Bonds

Various series of Bonds, including refunding Bonds, may be issued as provided in the Trust Indenture on a parity with the Bonds of all other series, secured by a pledge of and lien on the Trust Estate. As a condition to the issuance of additional Bonds, including refunding Bonds, the Department must deliver various items to the Trustee including a Counsel's Opinion to the effect that, among other things, the series of Bonds is legally issued in accordance with the Trust Indenture and the Act. The Department must also deliver a Statement of Projected Revenues which gives effect to the issuance of such additional Bonds, including refunding Bonds, and demonstrates that (i) the estimated Revenues and any other revenues, investment income or moneys reasonably estimated by the Department to be available for the payment of aggregate Debt Service, including Swap Agreement Periodic Payments, for all Outstanding Bonds when due will be sufficient to pay the aggregate Debt Service for all Outstanding Bonds, including Swap Agreement Periodic Payments, and (ii) the remaining balance of the scheduled and estimated Revenues and other revenues, investment income or moneys reasonably estimated by the Department to be available to pay budgeted or estimated Department Expenses allocable by the Department to the Outstanding Bonds, the Trust Indenture and the Department's programs under the Trust Indenture will be sufficient to pay such budgeted or estimated Department Expenses. No additional parity Bonds may be issued unless, upon the issuance of such Bonds, the amounts credited to the Debt Service Reserve Account will be sufficient to maintain its requirements. The Department has reserved the right to adopt one or more additional general bond indentures and to issue other obligations, such as the Junior Lien Bonds, payable from sources other than the Trust Estate and has also reserved the right to issue obligations other than the Bonds, payable from

the Trust Estate, including the Revenues, if the pledge of and lien on the Trust Estate and the Revenues securing such obligations is junior to or subordinate to the pledge of and lien on the Trust Estate and the Revenues securing the Bonds.

BONDHOLDER RISKS

COVID-19

The outbreak of a new strain of coronavirus ("COVID-19"), an upper respiratory tract illness first identified in Wuhan, China, has spread to numerous countries across the globe, including the United States. The World Health Organization has characterized COVID-19 as a pandemic. The worldwide outbreak of COVID-19, including variants, particularly Delta and Omicron, has caused significant disruptions to the world and United States economies.

As a result of the COVID-19 pandemic, the U.S. government, the State of Texas and Texas local governments have, at times, imposed restrictions on travel, public gatherings and large group events, ordered residents to stay at home, promoted work-at-home, and ordered closure of schools, restaurants, bars, and other public venues. The President of the United States has declared a state of emergency and the Governor of the State of Texas has declared a state of disaster as a result of the COVID-19 pandemic.

On March 27, 2020, President Trump signed into law the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") to address the crisis created by the COVID-19 pandemic. Direct aid to citizens was included among the relief measures in the CARES Act. Among other things, the CARES Act provides that (a) lenders are prohibited from foreclosing all mortgage loans which are FHA insured, VA, HUD or Rural Housing guaranteed, or purchased or securitized by Fannie Mae or Freddie Mac (collectively, "Federal Single Family Loans") for a period of 60-days commencing March 18, 2020, and (b) until the sooner of the termination of the pandemic or December 31, 2020, Federal Single Family Loan borrowers directly or indirectly facing economic difficulties as a result of the coronavirus can seek up to 360 days of payment forbearance. The CARES Act does not allow fees, penalties or additional interest to be charged as a result of delayed payments. In some cases, extensions of forbearance periods were permitted for a total of up to 18 months.

The CARES Act also directs the Federal Reserve Bank to provide liquidity to the financial system through a new facility to purchase certain new issuances of securities by eligible issuers, including housing finance agencies and other state and local governments. Such injection of liquidity follows recent actions by the Federal Reserve, including the purchase of U.S. Treasury securities and Ginnie Mae, Fannie Mae and Freddie Mac mortgage-backed securities, facilitating the flow of credit to municipalities by expanding its Money Market Mutual Fund Liquidity Facility to include a wider range of securities, including municipal variable rate demand notes (such as variable rate demand obligations of housing finance agencies).

Separately, Ginnie Mae has announced a program to assist Ginnie Mae seller/servicers which experience financial hardships in meeting their obligations to advance funds and/or repurchase loans due to the forbearance provisions of the CARES Act. Ginnie Mae stated it will implement a "pass-through assistance program" through which Ginnie Mae seller/servicers with payment shortfalls may request that Ginnie Mae advance (subject to Ginnie Mae approval) the difference between available funds and the scheduled payments to investors. Ginnie Mae stated that the program would apply initially to seller/services of single family loans and that it anticipated the program subsequently applying to multifamily loans, as well.

The Department complies with the CARES Act and grants requests for COVID-19 related forbearances it receives, along with subsequent extensions as required. The number of additional forbearance requests, the principal amount of impacted Mortgage Loans and percentage of Mortgage Loans for which forbearance may be granted in the future may increase. The industry experienced unprecedented

loan modifications due to Hurricane Harvey and the pandemic. Among other things, delays in reporting and the purchase and re-pooling of Mortgage Loans resulted in financial exposure to the Department. While the Department and the Master Servicer continue to assess such exposure and refine procedures, the Department, at this time, does not believe such exposure will materially impact its operations and financial strength.

On March 29, 2020, President Trump extended the Coronavirus Guidelines for America, calling upon Americans to take actions to slow the spread of COVID-19 in the United States, through April 30, 2020. On March 31, 2020, the Governor of Texas issued additional executive orders that, among other items, extended his prior order closing schools for in-person classes through May 4, 2020. On April 17, 2020, the Governor issued several executive orders to begin the process of lifting certain restrictions related to COVID-19, including authorizing certain retail and healthcare facilities to open under certain guidelines; however, extended the temporary closure of in-person classes for the remainder of the 2019-20 school year. On March 2, 2021, the Governor issued an executive order which lifted COVID-19 restrictions related to business openings and the mask mandate. However, the order does not prevent businesses from requiring the use of masks. Additional information regarding executive orders issued by the Governor is accessible on the website of the Governor at <https://gov.texas.gov/>. Neither the information on (nor accessed through) such website of the Governor is incorporated by reference, either expressly or by implication, into this Official Statement.

On March 11, 2021, President Joe Biden signed into law the American Rescue Plan Act of 2021 ("ARP"). The ARP is a \$1.9 trillion stimulus legislation with the purpose of speeding the economic recovery from the COVID-19 pandemic. Key elements of the ARP include: extending expanded unemployment benefits; \$1,400 direct payments to certain individuals and families; emergency paid leave; extension of 15% increase in food stamps; \$26 billion for rental assistance and \$350 billion in aid to state and local governments. ARP includes approximately \$9.9 billion in Homeowner Assistance Funds to assist homeowners that experienced a financial hardship due to COVID-19. The State of Texas will receive, and the Texas Department of Housing and Community Affairs will administer, approximately \$842 million of Homeowner Assistance Funds.

The pandemic is an ongoing situation. At this time, the Department cannot determine the overall impact the pandemic, including the federal and State responses thereto, will have on its programs, the Trust Estate or the operations of the Department.

Department Programs Addressing COVID-19 Pandemic Response

For a detailed accounting of the Department's usage of CARES Act funds please see "APPENDIX J – DEPARTMENT PROGRAMS ADDRESSING COVID-19 PANDEMIC RESPONSE."

Non-Origination of Mortgage Loans

One of the principal factors in originating Mortgage Loans is the availability of funds to make such loans at interest rates and on other terms that prospective borrowers can afford and will find attractive. The Department has determined that there is a shortage of funds in the State to make such loans at interest rates and on terms that a substantial number of potential borrowers within the State can afford. Should mortgage interest rate levels decline, or should one or more alternative governmental programs become available at below market rates, mortgage loans could become available at rates competitive with or lower than the rate

specified for the Mortgage Loans, and the total amount of Mortgage Loans anticipated to be originated under the Program may not be so originated.

Non-origination may also be effected by other programs of the Department as described in "APPENDIX F – SUMMARY OF INFORMATION REGARDING THE PROGRAM AND MORTGAGE LOANS, PRIOR SWAP AGREEMENTS, PRIOR LIQUIDITY FACILITIES AND OTHER MATTERS – Other Department Programs."

The failure to originate Mortgage Loans, or the inability to deliver Mortgage Certificates to the Trustee in the amounts contemplated by this financing, will result in redemption of the Series 2023 Bonds prior to their maturity. See "THE SERIES 2023 BONDS—Redemption Provisions – Series 2023A Bonds -- Special Redemption from Unexpended Proceeds of Series 2023A Bonds" and "-- Series 2023B Bonds -- Special Redemption from Unexpended Proceeds of Series 2023B Bonds."

Over the past year, the Department has averaged approximately \$60 million per month in GNMA mortgage-backed securities issued that are backed by tax-exempt bond eligible mortgage loans, exclusive of loans for which a mortgage credit certificate was issued. The Department has not had an unexpended proceeds call since November 1, 2010.

Termination of Mortgage Loans and Mortgage Certificates

The maturity and sinking fund redemption installments of the Series 2023 Bonds were determined on the basis of the assumption that there will be no early terminations of the Mortgage Loans or the Mortgage Certificates relating to the Series 2023 Bonds. The Department expects Mortgage Loans and Mortgage Certificates relating to the Series 2023 Bonds will be terminated prior to final maturity as a result of Mortgage Loan Principal Prepayments. All Mortgage Loan Principal Prepayments relating to the Series 2023A Bonds or Series 2023B Bonds will be deposited in the Revenue Fund and transferred to the applicable subaccount of the Redemption Account for use to redeem the applicable series of the Series 2023 Bonds or other Bonds in accordance with the Trust Indenture or used to acquire new Mortgage Loans or participations therein. **Accordingly, the Department anticipates that a significant portion of the Series 2023 Bonds will be redeemed prior to their scheduled maturity.**

Mortgage Loan Principal Prepayments

The Department anticipates that the Trustee will receive Mortgage Loan Principal Prepayments on the 2023 A Mortgage Certificates and the 2023 B Mortgage Certificates. Mortgage Loan Principal Prepayments are usually the result of the resale of the premises securing a Mortgage Loan or the refinancing of a Mortgage Loan due to changes in mortgage interest rates. Therefore, economic and financial market conditions may have a significant short-term effect on the rate of prepayments. The Department is not aware of any means which would allow it to accurately predict the actual level of prepayments it will receive from the 2023 A Mortgage Certificates and the 2023 B Mortgage Certificates. Mortgage Loan Principal Prepayments on the Mortgage Certificates will be applied to the prepayment of the respective series of the Series 2023 Bonds at 100% of the principal amount thereof, but without any redemption premium. See "THE SERIES 2023 BONDS—Redemption Provisions—Series 2023A Bonds – Special Redemption from 2023A Mortgage Loan Principal Payments" and "-- Series 2023B Bonds – Redemption from 2023B Mortgage Loan Payments."

Risk of Non-Payment Due to Bank Bond Acceleration

The Department's ability to pay the debt service on Bonds may be negatively impacted by the inability to remarket variable rate Prior Bonds. As of February 28, 2023, variable rate Prior Bonds comprised approximately 1.4% of the Department's bonded debt under the Trust Indenture. As of February 28, 2023, the Department has no unremarketed outstanding Bank Bonds. For purposes of this

section, the term "Bank Bonds" means Prior Bonds purchased by the Texas Comptroller of Public Accounts (the "Comptroller") as provider of the Prior Liquidity Facilities (as hereinafter defined). As Bank Bonds, the terms of such Bank Bonds have more onerous interest rates and/or principal repayment schedules.

In connection with all of the Department's variable rate Prior Bonds, the Department has replaced the original liquidity facilities with liquidity facilities provided by the Comptroller (each, a "Prior Liquidity Facility"). As of September 1, 2021, the termination dates under the Prior Liquidity Facilities were extended to August 31, 2023. It is anticipated that the termination dates will be extended to August 31, 2025. There is no assurance that the Department will be able to secure substitute liquidity or further extend the Prior Liquidity Facilities. Failure to do either may have an adverse effect on the ability of the Trust Indenture to generate revenues sufficient to pay principal of and interest on the Series 2023 Bonds.

Swap Basis Risk

In connection with the issuance of certain Prior Bonds, the Department entered into the Prior Swap Agreements. Pursuant to the Prior Swap Agreements, the Department will pay the Prior Swap Providers payments computed at a fixed rate based on notional amounts which correspond to the outstanding principal balances of the Prior Bonds associated with the respective Prior Swap Agreements, and the Prior Swap Providers will pay the Department payments computed based on variable rate indices on the same notional amounts. The variable rate used under each of the Prior Swap Agreements is based on specified percentages of LIBOR, which is intended to approximate the variable interest rate on the Prior Bonds associated with the Prior Swap Agreements. Unlike LIBOR, however, the interest on the Prior Bonds associated with the Prior Swap Agreements, is excludable from gross income for federal income tax purposes; therefore, one of the primary determinants of any changes to the relationship between the variable rate index used under the Prior Swap Agreements and the interest rates on the Bonds associated with the Prior Swap Agreements is expected to include, among other factors, any changes to the top marginal rate of federal income taxation. Payments to the Department under the Prior Swap Agreements may exceed, equal or be less than the Department's interest obligation on the Bonds associated with the Prior Swap Agreements. Regardless of the amount of moneys received under the Prior Swap Agreements, the Department is obligated to make interest payments on variable rate Prior Bonds at rates that are determined by the respective Remarketing Agents. Any mismatch between Prior Bond interest payments associated with the Prior Swap Agreements and the payments due under the Prior Swap Agreements could cause financial losses under the Trust Indenture. See "APPENDIX F – SUMMARY OF INFORMATION REGARDING THE PROGRAM AND MORTGAGE LOANS, PRIOR SWAP AGREEMENTS, PRIOR LIQUIDITY FACILITIES AND OTHER MATTERS – Prior Swap Agreements" and Note 5 of "AUDITED FINANCIAL STATEMENTS OF THE TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS REVENUE BOND PROGRAM FOR THE FISCAL YEAR ENDED AUGUST 31, 2022" as incorporated by reference. See "FINANCIAL STATEMENTS."

Swap Termination Risk

Under certain circumstances, including certain events of default with respect to the Department or the Prior Swap Providers, the Prior Swap Agreements may be terminated in whole or in part prior to maturity. Following termination, if any, of the Prior Swap Agreements, under certain market conditions, the Department could owe a termination payment to the respective Prior Swap Providers which could be substantial. Such termination payment will be payable from amounts pledged under the Trust Indenture, subject and subordinate to (i) the payment or provision of arbitrage rebate; (ii) expenses and compensation of the Trustee; (iii) the payment of principal and interest on all Bonds and Junior Lien Bonds, if any, the payment of regularly scheduled payments under the Prior Swap Agreements, and (iv) required replenishment of the Debt Service Reserve Fund, if any. The Department's obligation to

reimburse a bond insurer, if any, and to pay any Prior Swap Provider that is owed a termination payment is subordinate to scheduled payment of principal of and interest on all Bonds and Junior Lien Bonds, if any, the payment of regularly scheduled payments under the Prior Swap Agreements, and any required replenishment of the Debt Service Reserve Fund.

As of February 28, 2023, the Department estimates that the aggregate termination payments that would have been owed by the Department to the Prior Swap Providers were the Prior Swap Agreements terminated as of such date was approximately \$72,745; however such estimate is by no means incontrovertible as the actual termination payment, were the Prior Swap Agreements to be terminated, would likely be subject to different valuations from the Prior Swap Providers. For more detailed information concerning "fair value" estimations for each Prior Swap Agreement see "APPENDIX F – SUMMARY OF INFORMATION REGARDING THE PROGRAM AND MORTGAGE LOANS, PRIOR SWAP AGREEMENTS, PRIOR LIQUIDITY FACILITIES AND OTHER MATTERS – Prior Swap Agreements" and Note 5 of "AUDITED FINANCIAL STATEMENTS OF THE TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS REVENUE BOND PROGRAM FOR THE FISCAL YEAR ENDED AUGUST 31, 2022" as incorporated by reference. See "FINANCIAL STATEMENTS."

Availability of Remedies

The remedies available to the owners of the Series 2023 Bonds upon an Event of Default under the Trust Indenture or other documents described herein are in certain respects dependent upon regulatory and judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including specifically Title 11 of the United States Code, the remedies specified by the federal bankruptcy laws, the Trust Indenture and the various Program documents may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2023 Bonds will, therefore, be qualified, as to the enforceability of the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency, or other similar laws affecting the rights of creditors generally and by general principles of equity which permit the exercise of judicial discretion, and by principles of sovereign immunity.

THE DEPARTMENT

General

The Department, a public and official agency of the State of Texas (the "State") was created pursuant to and in accordance with Chapter 2306, Texas Government Code, as amended from time to time (together with other laws of the State applicable to the Department, the "Act"). The Department is the successor agency to the Texas Housing Agency (the "Agency") and the Texas Department of Community Affairs (the "TDCA"), both of which were abolished by the Act and their functions and obligations transferred to the Department. One of the purposes of the Department is to provide for the housing needs of individuals and families of low, very low and extremely low income and families of moderate income in the State. Pursuant to the Act, the Department may issue bonds, notes or other obligations to finance or refinance residential housing and to refund bonds previously issued by the Agency, the Department or certain other quasi-governmental issuers. The Act specifically provides that the revenue bonds of the Agency become revenue bonds of the Department.

The Department is subject to the Texas Sunset Act (Chapter 325, Texas Government Code, as amended, hereinafter referred to as the "Sunset Act") and its continued existence is subject to a review process that resulted in passage of legislation in the Seventy-Eighth Legislative Session in 2003 which continued the Department in existence until September 1, 2011. House Bill 3361 extended the existence of the Department until September 2025, at which time it will be subject to review. The

Sunset Act, however, recognizes the continuing obligation of the State to provide for the payment of bonded indebtedness incurred by a State agency abolished under the provisions thereof and provides that the Governor of the State shall designate an appropriate State agency to continue to carry out all covenants with respect to any bonds outstanding, including the payment of any bonds from the sources provided in the proceedings authorizing such bonds.

In the Act, the State also pledges and agrees with the holders of any bonds issued under the Act that the State will not limit or alter the rights vested in the Department to fulfill the terms of any agreements made with the holders thereof that would in any way impair the rights and remedies of such holders until such bonds, together with the interest thereon, interest on any unpaid installments of interest and all costs and expenses incurred in connection with any action or proceeding by or on behalf of such holders, are fully met and discharged.

Purpose and Impact

The Department is the state agency responsible for affordable housing, community and energy assistance programs, colonia activities, and regulation of the state's manufactured housing industry. The Department currently administers \$2 billion through for-profit, nonprofit, and local government partnerships to deliver local housing and community based opportunities and assistance to Texans in need. The overwhelming majority of the Department's resources are derived from mortgage revenue bond financing and refinancing, federal grants, and federal tax credits.

The mission of the Department is to administer its assigned programs efficiently, transparently, and lawfully and to invest its resources strategically and develop high quality affordable housing which allows Texas communities to thrive.

Aligning with the Department's mission, proceeds of the Series 2023 Bonds will be primarily used to purchase Mortgage Certificates secured by qualified Mortgage Loans and will fund down payment and closing cost assistance. Mortgage Loans will primarily include loans originated under the My First Texas Home Program to qualified individuals and families whose gross annual household income does not exceed 115% AMFI (100% for households of 2 persons or less), based on IRS adjusted income limits, or 140% AMFI (120% for households of 2 persons or less) if in a targeted area. Eligible Borrowers must generally be first-time homebuyers, qualified veterans, or purchasing in a targeted area. See also "APPENDIX F – SUMMARY OF INFORMATION REGARDING THE PROGRAM AND MORTGAGE LOANS, PRIOR SWAP AGREEMENTS, PRIOR LIQUIDITY FACILITIES AND OTHER MATTERS – The Program and the Mortgage Loans."

For the period January 1, 2021 through March 31, 2023, the Department financed \$966 million of first lien Mortgage Loans with bond proceeds and assisted 4,482 households. Approximately 68% of the Mortgage Loans were made to families with less than 80% AMFI. The distribution of income bands for the borrowers of Mortgage Loans purchased with Series 2023 Bonds is expected to be similar to previously financed loans in the Department's Single Family Mortgage Revenue Bond Program.

The Department intends to prepare a voluntary report after proceeds of the Series 2023 Bonds have been fully disbursed to purchase Mortgage Certificates, and post this report to the Municipal Securities Rulemaking Board's Electronic Municipal Market Access ("EMMA") system. The voluntary report is expected to take the form presented in "APPENDIX I" of this Official Statement, and is expected to include information regarding the Mortgage Loans financed with the proceeds of the Series 2023 Bonds and how such proceeds were spent.

Governing Board

The Department is governed by a governing board (the "Board") consisting of seven public members, appointed by the Governor, with the advice and consent of the State Senate. Board members hold office for six year staggered terms. Each member serves until his or her successor is appointed and qualified. Each member is eligible for reappointment. Members serve without compensation but are entitled to reimbursement for actual expenses incurred in performing their duties of office. The Act requires the Governor to make appointments so that the places on the Board are occupied by persons who have a demonstrated interest in issues related to housing and support services and who broadly reflect the geographic, economic, cultural, and social diversity of the State, including ethnic minorities, persons with disabilities, and women.

The Governor of the State designates a member of the Board to serve as the presiding officer (the "Chair") of the Board at the pleasure of the Governor. The Chair presides at all meetings and performs such other duties as may be prescribed from time to time by the Board and by the Act. In

addition, the members of the Board elect one of its members as assistant presiding officer (the "Vice Chair") to perform the duties of the Chair when the Chair is not present or is incapable of performing such duties. The Board also elects a Secretary and a Treasurer (which offices may be held by one individual and neither office holder must be a Board member) to perform the duties prescribed by the Board.

One seat on the Board is currently vacant. The remaining members of the Board, their occupations and their terms of office are as follows:

LEO VASQUEZ, Chair and Board Member. Corporate Finance and Business Management Consultant, Houston, Texas. His term expires January 31, 2023.

KENNY MARCHANT, Vice Chair and Board Member. Retired U.S. Representative for the 24th Congressional District of Texas, Coppell, Texas. His term expires January 31, 2025.

ANNA MARIA FARIAS, Board Member. Retired Assistant Secretary, Office of Fair Housing and Equal Opportunity at the U.S. Department of Housing and Urban Development, a U.S. Senate-confirmed position, San Antonio, Texas. Her term expires January 31, 2027.

AJAY THOMAS, Board Member. Executive Vice President and U.S. Head of Public Finance for FHN Financial, a division of First Horizon Bank, Austin, Texas. His term expires January 31, 2025.

HOLLAND HARPER, Board Member. Chief Development Officer of Harrison, Walker and Harper, LLC, Paris, Texas. His term expires January 31, 2029.

All of the above Board members have been appointed by the Governor and confirmed by the State Senate. Under Article 16 §17 of the Texas Constitution, all state officers continue to perform the duties of their offices until their successors are duly qualified. This ensures that, until the Governor appoints a replacement, the requirements of office are satisfied.

Administrative Personnel

The Act provides that the Department is to be administered by an Executive Director to be employed by the Board with the approval of the Governor. The Executive Director serves at the pleasure of the Board, but may also be removed by a newly elected Governor who did not approve the Executive Director's appointment by action taken within 90 days after such Governor takes office. The Executive Director is responsible for administering the Department and its personnel. The Executive Director may, within the limitations established by the General Appropriations Act, employ other employees necessary for the discharge of the duties of the Department, subject to the annual budget and the provisions of any resolution authorizing the issuance of the Department's bonds.

Currently, the Department has 362 employees. The following is a biographical summary of certain of the Department's senior staff members who have responsibility with respect to single family housing matters.

ROBERT WILKINSON, Executive Director. Mr. Wilkinson was hired by the Governing Board to serve as the Executive Director at the Board meeting of July 25, 2019, and he began his tenure on August 15, 2019. Most recently, Mr. Wilkinson served as the Deputy Budget Director to Texas Governor Greg Abbott. Mr. Wilkinson served in the Budget and Policy Division within the Office of the Governor for the first three legislative sessions of Governor Abbott's administration; 2015, 2017, and 2019. His duties included the development of the Governor's proposed budgets, the analysis and tracking hundreds of filed bills including the General Appropriations Act, the development of policy, and the coordination of governance with executive state agencies. Housing and the Department were important elements of

Mr. Wilkinson's portfolio of responsibility from 2014 (under former Governor Rick Perry) through 2019. Before 2014, Mr. Wilkinson held other positions within the Office of the Governor and worked in the private sector in various capacities including a stint as a project manager at a large commercial electrical contractor. Mr. Wilkinson received his Bachelor of Arts from the University of Texas at Austin.

SCOTT FLETCHER, Director of Bond Finance. Mr. Fletcher joined the Department in July of 2022, where he is responsible for management, strategic planning and oversight of the Department's Bond Finance Division. He oversees the issuance of single family bonds and notes as well as the day to day management of mortgage banking activities. Mr. Fletcher has over 30 years of experience in municipal fixed income and public finance leadership. He received a BSBA from The University of Nebraska in Lincoln and an MBA from The University of Missouri in Kansas City.

LISA JOHNSON, Interim Director of the Texas Homeownership Division, joined the Department in the Housing Trust Fund Department in 2017 administering State and Federal Down payment assistance programs for the Texas Bootstrap Program, Bond Finance and NSP Neighborhood Stabilization Programs and transitioned to the Texas Homeownership Team learning all facets of the division in 2019, working to promote and expand the Department's Down Payment Assistance, MCC Programs and Homebuyer Education throughout the State of Texas. Down payment assistance, credit counseling and overall buyer and seller education are an integral part of the important work of the Texas Homebuyer Team. Prior to joining the Department, Ms. Johnson worked diligently to help borrowers, investors and builders to reach their real estate goals as a licensed Texas Loan Officer and remains a licensed Texas Real Estate Agent.

JAMES "BEAU" ECCLES, General Counsel. J. Beau Eccles joined the Department in June 2015 as its General Counsel and is responsible for coordination of all internal and external legal counsel for the Department. Before joining the Department, Mr. Eccles served as an Assistant Texas Attorney General for thirteen years, including five years as Deputy Chief, then two years as Chief, of the General Litigation Division. Mr. Eccles is a graduate of the Texas Tech School of Law, and received his B.A. from the University of Texas at Austin.

TAX MATTERS RELATING TO THE SERIES 2023A BONDS

The following discussion of certain federal income tax considerations is for general information only and is not tax advice. Each prospective purchaser of the Series 2023A Bonds should consult its own tax advisor as to the tax consequences of the acquisition, ownership and disposition of the Series 2023A Bonds.

Tax Exemption

In the opinion of Bracewell LLP, Bond Counsel, subject to certain conditions set forth in the opinion and under existing law, interest on the Series 2023A Bonds (i) is excludable from gross income for federal income tax purposes under section 103 of the Internal Revenue Code of 1986, as amended (the "Code") and (ii) is not an item of tax preference subject to the alternative minimum tax on individuals. A copy of the proposed form of opinion of Bond Counsel is attached hereto as APPENDIX C.

The Code imposes a number of requirements that must be satisfied in order for interest on state or local obligations, such as the Series 2023A Bonds, to be excludable from gross income for federal income tax purposes. These requirements include the various mortgage eligibility, arbitrage, targeted area, recapture, use of proceeds and information reporting requirements discussed more fully below under the caption "Federal Income Tax Requirements." The Department has covenanted in the Trust Indenture that it will comply with these requirements.

Bond Counsel's opinion will assume continuing compliance with the procedures, safeguards and covenants of the Master Servicer and Mortgage Lenders in the Program and the covenants of the Department in the Trust Indenture and the Program Agreements pertaining to those sections of the Code that affect the excludability of the interest on the Series 2023A Bonds from gross income for federal income tax purposes, and in addition, will rely on representations by parties involved with the issuance of the Series 2023A Bonds and the Mortgage Loans with respect to matters solely within the knowledge of such parties, which representations Bond Counsel has not independently verified. If the Department, a Mortgage Lender, or the Master Servicer fails to comply with such procedures, safeguards and covenants or if such representations should be determined to be inaccurate or incomplete, interest on the Series 2023A Bonds could become includable in gross income from the date of original delivery thereof, regardless of the date on which the event causing such inclusion occurs.

Except as stated above, Bond Counsel will express no opinion as to the amount of interest on the Series 2022B Bonds or the amount of interest on the Series 2022B Bonds or any federal, state or local tax consequences resulting from the receipt or accrual of interest on, acquisition, ownership or disposition of the Series 2023A Bonds. Certain actions may be taken or omitted subject to the terms and conditions set forth in the Trust Indenture upon the advice or with the approving opinion of Bond Counsel. Bond Counsel will express no opinion with respect to Bond Counsel's ability to render an opinion that such actions, if taken or omitted, will not adversely affect the excludability of interest of the Series 2022B Bonds from gross income for federal income tax purposes.

Bond Counsel's opinions are based on existing law, which is subject to change. Such opinions are further based on Bond Counsel's knowledge of facts as of the date thereof. Bond Counsel assumes no duty to update or supplement its opinions to reflect any facts or circumstances that may thereafter come to its attention or to reflect any changes in any law that may thereafter occur or become effective. Moreover, Bond Counsel's opinions are not a guarantee of result and are not binding on the Internal Revenue Service (the "Service" or "IRS"); rather, such opinions represent Bond Counsel's legal judgment based upon its review of existing law and in reliance upon the representations and covenants referenced above that it deems relevant to such opinions. The Service has an ongoing audit program to determine compliance with rules that relate to whether interest on state or local obligations is includable in gross income for federal income tax purposes. No assurance can be given as to whether or not the Service will commence an audit of the Series 2023A Bonds. If an audit is commenced, in accordance with its current published procedures, the Service is likely to treat the Department as the taxpayer and the Owners may not have a right to participate in such audit. Public awareness of any future audit of the Series 2023A Bonds could adversely affect the value and liquidity of the Series 2023A Bonds, regardless of the ultimate outcome of the audit.

Collateral Tax Consequences

Prospective purchasers of the Series 2023A Bonds should be aware that the ownership of tax-exempt obligations may result in collateral federal income tax consequences, including but not limited to those noted below. Therefore, prospective purchasers of the Series 2023A Bonds should consult their own tax advisors as to the tax consequences of the acquisition, ownership and disposition of the Series 2023A Bonds.

For tax years beginning after December 31, 2022, an "applicable corporation" (as defined in section 59(k) of the Code) may be subject to a 15% alternative minimum tax imposed under section 55 of the Code on its "adjusted financial statement income" (as defined in section 56A of the Code) for such taxable year. Because interest on tax-exempt obligations, such as the Series 2023A Bonds, is included in a corporation's "adjusted financial statement income," ownership of the Series 2023A Bonds could subject certain corporations to alternative minimum tax consequences.

Ownership of tax-exempt obligations also may result in collateral federal income tax consequences to financial institutions, life insurance and property and casualty insurance companies, certain S corporations with Subchapter C earnings and profits, individual recipients of Social Security or Railroad Retirement benefits, taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, low and middle income taxpayers otherwise qualifying for the health insurance premium assistance credit, and individuals otherwise qualifying for the earned income tax credit. In addition, certain foreign corporations doing business in the United States may be subject to the "branch profits tax" on their effectively connected earnings and profits, including tax-exempt interest such as interest on the Series 2023A Bonds.

Prospective purchasers of the Series 2023A Bonds should also be aware that, under the Code, taxpayers are required to report on their returns the amount of tax-exempt interest, such as interest on the Series 2023A Bonds, received or accrued during the year.

Tax Accounting Treatment of Original Issue Premium

The issue price of a portion of the Series 2023A Bonds may exceed the stated Redemption Price payable at maturity of such Series 2023A Bonds. Such Series 2023A Bonds (the "Premium Bonds") are considered for federal income tax purposes to have "bond premium" equal to the amount of such excess. The basis of a Premium Bond in the hands of an initial owner is reduced by the amount of such excess that is amortized during the period such initial owner holds such Premium Bond in determining gain or loss for federal income tax purposes. This reduction in basis will increase the amount of any gain or decrease the amount of any loss recognized for federal income tax purposes on the sale or other taxable disposition of a Premium Bond by the initial owner. No corresponding deduction is allowed for federal income tax purposes for the reduction in basis resulting from amortizable bond premium. The amount of bond premium on a Premium Bond that is amortizable each year (or shorter period in the event of a sale or disposition of a Premium Bond) is determined using the yield to maturity on the Premium Bond based on the initial offering price of such Premium Bond.

The federal income tax consequences of the purchase, ownership and redemption, sale or other disposition of Premium Bonds that are not purchased in the initial offering at the initial offering price may be determined according to rules that differ from those described above. All owners of Premium Bonds should consult their own tax advisors with respect to the determination for federal, state, and local income tax purposes of amortized bond premium upon the redemption, sale or other disposition of a Premium Bond and with respect to the federal, state, local, and foreign tax consequences of the purchase, ownership, and sale, redemption or other disposition of such Premium Bonds.

Tax Accounting Treatment of Original Issue Discount

The issue price of all or a portion of the Series 2023A Bonds may be less than the stated redemption price payable at maturity of such Series 2023A Bonds (the "OID Bonds"). In such case, the difference between (i) the amount payable at the maturity of each OID Bond, and (ii) the initial offering price to the public of such OID Bond constitutes original issue discount with respect to such OID Bond in the hands of any owner who has purchased such OID Bond in the initial public offering of the Series 2023A Bonds. Generally, such initial owner is entitled to exclude from gross income (as defined in Section 61 of the Code) an amount of income with respect to such OID Bond equal to that portion of the amount of such original issue discount allocable to the period that such OID Bond continues to be owned by such owner. Because original issue discount is treated as interest for federal income tax purposes, the discussions regarding interest on the Series 2023A Bonds under the captions "TAX MATTERS RELATING TO THE SERIES 2023A BONDS – Tax Exemption,"– Collateral Tax Consequences" and "– Tax Legislative Changes" generally apply and should be considered in connection with the discussion in this portion of the Official Statement.

In the event of the redemption, sale or other taxable disposition of such OID Bond prior to stated maturity, however, the amount realized by such owner in excess of the basis of such OID Bond in the hands of such owner (adjusted upward by the portion of the original issue discount allocable to the period for which such OID Bond was held by such initial owner) is includable in gross income.

The foregoing discussion assumes that (i) the Underwriters have purchased the Series 2023A Bonds for contemporaneous sale to the public and (ii) all of the Series 2023A Bonds have been initially offered, and a substantial amount of each maturity thereof has been sold, to the general public in arm's-length transactions for a price (and with no other consideration being included) not more than the initial offering prices thereof stated on the inside cover page of this Official Statement. Neither the Department nor Bond Counsel has made any investigation or offers any comfort that the OID Bonds will be offered and sold in accordance with such assumptions.

Under existing law, the original issue discount on each OID Bond accrues daily to the stated maturity thereof (in amounts calculated as described below for each six-month period ending on the date before the semiannual anniversary dates of the date of the Series 2023A Bonds and ratably within each such six-month period) and the accrued amount is added to an initial owner's basis for such OID Bond for purposes of determining the amount of gain or loss recognized by such owner upon the redemption, sale or other disposition thereof. The amount to be added to basis for each accrual period is equal to (i) the sum of the issue price and the amount of original issue discount accrued in prior periods multiplied by the yield to stated maturity (determined on the basis of compounding at the close of each accrual period and properly adjusted for the length of the accrual period) less (ii) the amounts payable as current interest during such accrual period on such Series 2023A Bond.

The federal income tax consequences of the purchase, ownership, and redemption, sale or other disposition of OID Bonds that are not purchased in the initial offering at the initial offering price may be determined according to rules that differ from those described above. All owners of OID Bonds should consult their own tax advisors with respect to the determination for federal, state, and local income tax purposes of interest accrued upon redemption, sale or other disposition of such OID Bonds and with respect to the federal, state, local and foreign tax consequences of the purchase, ownership, redemption, sale or other disposition of such OID Bonds.

Tax Legislative Changes

Current law may change so as to directly or indirectly reduce or eliminate the benefit of the excludability of interest on the Series 2023A Bonds from gross income for federal income tax purposes. Any proposed legislation, whether or not enacted, could also affect the value and liquidity of the Series 2023A Bonds. Prospective purchasers of the Series 2023A Bonds should consult with their own tax advisors with respect to any recently-enacted, proposed, pending or future legislation.

Federal Income Tax Requirements

General

Sections 103 and 143 of the Code and applicable regulations thereunder provide that the interest on bonds the proceeds of which are used directly or indirectly to finance owner-occupied residences, will not be excludable from gross income for federal income tax purposes unless such bonds are part of a "qualified mortgage issue." A "qualified mortgage issue" must meet the following requirements: (i) all proceeds of the issue (exclusive of issuance costs and a reasonably required reserve fund) are to be used to finance owner-occupied residences, (ii) the mortgages financed by the issue satisfy certain mortgage eligibility requirements, as set forth more fully below under the subheading "Mortgage Eligibility Requirements," (iii) certain arbitrage limitations described more fully below under the subheading

"Requirements Related to Arbitrage" must be satisfied, (iv) a specified portion of the lendable proceeds of such issue must be made available for a minimum period of time for owner financing of residences located within certain targeted areas, as described more fully below under the subheading "Targeted Area Requirement," (iv) mortgagors must be informed regarding the recapture of a portion of the proceeds from the disposition of certain residences, as described more fully below under the subheading "Recapture Requirements," (v) the issue must not meet the private business tests, as described more fully below under the subheading "Private Business Use Limitations," (vi) amounts received as repayment of principal on the Mortgage Loans ten years after the date of issuance of the bonds must be used to redeem bonds that are part of the issue, as described more fully under the subheading "Redemption Requirements" below and (vii) the issue must meet certain reporting requirements, as set forth more fully below under the subheading "Reporting Requirements."

In addition, to be "qualified mortgage bonds," the bonds must have been approved by (i) the Governing Board of the Department and (ii) an "applicable elected representative" of the State after a public hearing following reasonable public notice. Further, the costs of issuance financed by an issue of bonds cannot exceed two percent of the proceeds of such issue. Additionally, the amount of such an issue of bonds, other than certain refunding bonds, when added to the amount of all other private activity bonds issued within the State during calendar year of issuance must not exceed the unified volume cap for private activity bonds imposed by the Code and applicable regulations.

Mortgage Eligibility Requirements

The Code contains six basic mortgage eligibility requirements that must be met at the time a mortgage is executed or assumed.

Residence Requirement. The Code requires that each home financed by a mortgage loan is a single family residence (i) that can reasonably be expected to become the principal residence of the mortgagor within a reasonable time after financing is provided and (ii) located in the jurisdiction of the Department.

First-time Homebuyer Requirement. The Code requires that at least 95% of the net proceeds of an issue be used to finance residences of mortgagors who have not had a present ownership interest in their principal residences at any time during the three-year period prior to execution of the mortgage loan; provided, however, that the three-year requirement does not apply (i) to financings with respect to Targeted Area Residences, (ii) in the case of land possessed under a "contract for deed" by a mortgagor whose principal residence is located on such land and whose family income is not more than 50% of the area median family income (the "Contract for Deed Exception"), or (iii) financing of any residence of a qualified veteran, if such veteran has not previously qualified for and received such financing by reason of this exception. For purposes of the Contract for Deed Exception, the term "contract for deed" means a seller-financed contract for the conveyance of land under which legal title does not pass to the purchaser until the consideration under the contract is fully paid to the seller, and the seller's remedy for nonpayment is forfeiture rather than judicial or nonjudicial foreclosure.

Purchase Price Limitations. The Code requires that the acquisition cost of the residence may not exceed 90% of the "average area purchase price" applicable to such residence, or, in the case of Targeted Area Residences, 110% of the applicable "average area purchase price." The Service has published "safe harbor rules" identifying purchase price limitations in the State that are considered to be in compliance with the requirements of the Code. The Department has determined to rely on the safe harbor figures for purposes of the Series 2023A Bonds.

Income Requirements. The Code requires that all the mortgage loans financed with the proceeds of an issue be provided to borrowers whose family income does not exceed 115% (100% in the case of

individuals or families of two) of the greater of the statewide median income or the median income of the area in which the residence is located. For Targeted Area Residences, the percentages in the foregoing sentence are 140% and 120%, respectively, and one-third of the financings may be provided without regard to such limits.

Requirements as to Assumptions of Mortgages. The Code provides that a mortgage loan may be assumed only if the assuming mortgagor complies with the residence requirement, first-time homebuyer requirement, purchase price limitations and income requirements, as if the loan were being made to the assuming mortgagor for the first time.

New Mortgage Requirement. The Code requires that no part of the proceeds of an issue of qualified mortgage bonds may be used to acquire or replace an existing mortgage (whether or not paid off) on the residence at any time prior to the execution of the new mortgage. An exception from the new mortgage requirement is provided for (i) the replacement of construction period loans, bridge loans or other similar temporary initial financing having a term not exceeding 24 months, and (ii) certain residences described within the Contract for Deed Exception.

Requirements Related to Arbitrage and Rebate

Sections 143 and 148 of the Code provide that: (i) the effective interest rate on the mortgage loans financed with the proceeds of an issue of qualified mortgage bonds may not exceed the yield on such bonds by more than 1.125 percentage points; provided that, the Department may meet this requirement by the payment of yield reduction payments as set forth in the regulations promulgated under the Code; (ii) no more than 10% of the proceeds of an issue of bonds may be invested in any reserve or replacement fund; (iii) no more than the lesser of 5% of the proceeds of an issue of bonds or \$100,000 (other than amounts invested for certain temporary periods or in a "reasonably required reserve fund") may be invested at a yield materially higher than the yield on such bonds; and (iv) the amount of funds held in certain accounts (other than amounts held for certain temporary periods) for an issue of bonds invested at a yield greater than the yield on such bonds may not exceed 150% of the current year's debt service on such bonds appropriately reduced as mortgage loans are prepaid. In calculating the effective interest rate on the mortgages, all amounts borne by the mortgagor either directly or indirectly must be taken into account.

The Code also requires the issuer to make rebate payments to the federal government in connection with certain investment earnings on non-mortgage investments, to the extent that such investment earnings exceed the amount that would have been earned on such investments if the investments were earning a return equal to the yield on the tax-exempt bonds to which such non-mortgage investments relate.

Targeted Area Requirement

The Code requires that either an amount equal to (a) at least 20% of the lendable proceeds of an issue of qualified mortgage bonds or (b) 40% of the average annual aggregate principal amount of mortgages executed during the immediately preceding three calendar years for single family, owner-occupied residences in targeted areas within the Department's jurisdiction, if such amount is less, must be reserved, for at least one year from the date on which owner-financing is first made available with respect to residences located within one or more targeted areas ("Targeted Area Residences"). Targeted Areas consist of (i) census tracts identified by the United States Treasury Department as having a substantial concentration of lower-income persons or (ii) areas of chronic economic distress designated by the State and approved by HUD. The State, at the request of the Department, has designated and HUD and the Secretary of the Treasury have approved, certain "areas of chronic economic distress" within the State. In addition, the Department has determined that there are "qualified census tracts" within the State.

Recapture Requirements

The Code subjects to a tax any mortgagor who disposes of an interest in a residence with respect to which there is or was any federally-subsidized indebtedness (i.e., a mortgage loan), the payment for which the mortgagor was liable in whole or in part. Specifically, such a mortgagor is subject to the payment of an additional tax reflecting the "recapture amount" with respect to such indebtedness. This recapture amount is determined pursuant to a formula established in the Code based on the "federally-subsidized amount," the time of disposition and certain family income limits applicable to the mortgagor. This recapture provision does not apply to any disposition of an interest in a residence by reason of death or any such disposition that is more than nine years after the date the mortgage loan is made.

In order to facilitate the collection of the recapture amount from mortgagors, the Code requires that the issuer of any issue of qualified mortgage bonds, at the time of settlement of a mortgage loan, provide a written statement informing the mortgagor of the potential recapture under the Code. Furthermore, the Code requires that the issuer, not later than 90 days after the date each such mortgage is closed, provide a written statement to the mortgagor specifying the federally-subsidized amount with respect to such mortgage loan and the applicable income limits.

Private Business Use Limitations

The Code provides that an issue of qualified mortgage bonds must not meet the private business use test and the private security or payment tests set out in sections 141(b)(1) and (2) of the Code. The private business use test limits, subject to certain exceptions, the amounts of proceeds that can be used, directly or indirectly, in a trade or business carried on by any person (other than a natural person) that is not a state or local governmental unit to no more than 10% of the proceeds of the issue. The private security or payment test provides that, subject to certain exceptions, the payment of principal of, or the interest on, more than 10% of the proceeds of an issue be, directly or indirectly, (i) secured by any interest in property used or to be used for a private business use or payments in respect of such property or (ii) be derived from payments in respect of such property.

Redemption Requirements

The Code contains two redemption requirements that must be satisfied in order for an issue of bonds to be treated as "qualified mortgage bonds." The Code requires that all proceeds of an issue of qualified mortgage bonds in an amount of \$250,000 or more that are not expended to finance residences within 42 months of the date of issuance of such bonds must be used within such 42-month period to redeem bonds that are part of such issue of bonds. The Code also requires that all amounts of \$250,000 or more that are received by the issuer and representing complete repayments of mortgage loans or prepayments of principal of mortgage loans must be used to redeem bonds of the same issue not later than the close of the first semiannual period beginning after the date the prepayment or complete repayment is received; provided that, such requirement does not apply to amounts received within 10 years after the date of issuance of the original bonds.

Reporting Requirements

An issuer of qualified mortgage bonds is required to file with the Secretary of the Treasury an informational report containing various data regarding such bonds and the mortgages financed with the proceeds thereof.

Compliance with Tax Requirements

With respect to the mortgage eligibility requirements described above, the Code provides that such requirements will be treated as having been met if: (i) the issuer attempts in good faith to meet such

requirements before the mortgage loans are executed; (ii) 95% or more of the lendable proceeds were used for mortgage loans that met all the mortgage eligibility requirements at the time of execution or assumption; and (iii) any failure to meet such requirements is corrected within a reasonable period of time after such failure is discovered. In determining whether or not 95% of the mortgage loans satisfy the mortgage eligibility requirements, the issuer is entitled to rely upon affidavits of the mortgagors and sellers of residences financed with the mortgage loans and upon federal income tax returns of the mortgagors, even if the relevant information in such affidavits and returns ultimately proves to be false, unless the issuer knows or has reason to know that such information is false.

The Code provides that the requirements related to arbitrage, Targeted Area Residences and recapture will be treated as having been met if: (i) the issuer attempts in good faith to meet such requirements and (ii) any failure to meet such requirements is due to inadvertent error after having taken reasonable steps to comply with such requirements.

The Department has covenanted in the Trust Indenture and the Mortgage Lenders and the Master Servicer have covenanted in the Program Agreements to (i) comply with the above-described requirements of the Code with respect to the proceeds of the Series 2023A Bonds and (ii) establish and follow procedures and safeguards sufficient to ensure compliance with such requirements. Nevertheless, if the Department, a Mortgage Lender, or the Master Servicer should fail to comply with such covenants, interest on the Series 2023A Bonds could become includable in gross income for federal income tax purposes from the date of issuance thereof, regardless of the date on which the event causing such inclusion occurs.

TAX MATTERS RELATING TO THE SERIES 2023B BONDS

This discussion of material U.S. federal income tax considerations is provided for general information only and is not intended as tax advice to any particular investor. Persons considering the purchase of Series 2023B Bonds are urged to consult their tax advisors with regard to the application of U.S. federal income or other tax laws (including estate and gift tax laws) to their particular situations as well as any tax consequences arising under the laws of any state, local, or foreign taxing jurisdiction or under any applicable tax treaty.

The following discussion is a summary of the material U.S. federal income tax considerations relevant to the purchase, ownership and disposition of the Series 2023B Bonds offered in this offering. This summary is based upon current provisions of the Code, existing and proposed Treasury Regulations promulgated thereunder, IRS rulings and pronouncements, and judicial decisions, all as in effect on the date hereof, and all of which are subject to change, possibly on a retroactive basis, at any time by legislative, judicial or administrative action. The Department cannot assure you that the IRS will not challenge the conclusions stated below, and no ruling from the IRS or an opinion of counsel has been or will be sought on any of the matters discussed below.

This discussion is limited to holders who are the initial purchasers of the Series 2023B Bonds for cash at their original purchase price, which will equal the first price to the public (not including bondhouses, brokers or similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers) at which a substantial amount of the Series 2023B Bonds is sold for cash (the "Issue Price") and who hold the Series 2023B Bonds as capital assets within the meaning of Section 1221 of the Code (generally, property held for investment). This summary does not address all U.S. federal income tax consequences relative to a holder's particular circumstances, including the impact of the Medicare contribution tax on net investment income. In addition, it does not address consequences relevant to holders subject to special rules, including, without limitation: U.S. expatriates and former citizens or long-term residents of the United States; persons subject to the alternative minimum tax; U.S. Holders (as defined below) whose functional currency is not the U.S. dollar; persons holding the Series

2023B Bonds as part of a hedge, straddle, or other risk reduction strategy or as part of a conversion transaction, or other integrated investment; banks, insurance companies or other financial institutions; real estate investment trusts or regulated investment companies; brokers, dealers or traders in securities or currencies; "controlled foreign corporations," "passive foreign investment companies" and corporations that accumulate earnings to avoid U.S. federal income tax; S corporations, partnerships and other entities or arrangements treated as partnerships for U.S. federal income tax purposes (and investors therein); persons subject to special accounting rules as a result of any items of gross income with respect to the Series 2023B Bonds being taken into account in an applicable financial statement; tax-exempt organizations or governmental organizations; persons who elect to use a mark-to-market method of accounting for security holdings; and individual retirement accounts or qualified pension plans. This summary does not address all U.S. federal income tax consequences relevant to a holder's particular circumstances and does not discuss the effect of any U.S. state, local income or other tax laws, any U.S. federal estate and gift tax laws, or any non-U.S. tax laws.

If a partnership (including an entity or arrangement treated as a partnership for U.S. federal income tax purposes) holds the Series 2023B Bonds, the tax treatment of such partnership or a partner of such partnership generally will depend upon the tax status of the partner and the tax treatment of the partnership. Partnerships acquiring Series 2023B Bonds and partners of partnerships acquiring the Series 2023B Bonds should consult their own tax advisors about the U.S. federal income tax consequences to them of the purchase, ownership and disposing of the Series 2023B Bonds.

Consequences to U.S. Holders

The following discussion summarizes certain material U.S. federal income tax consequences to U.S. holders of the purchase, ownership, and disposition of the Series 2023B Bonds. As used herein "U.S. holder" means a beneficial owner of a Series 2023B Bond who or that is for U.S. federal income tax purposes: (i) an individual who is a citizen of the United States or resident alien of the United States; (ii) a corporation or other entity taxable as a corporation created or organized in or under the laws of the United States or any state thereof including the District of Columbia; (iii) an estate the income of which is subject to U.S. federal income taxation regardless of its source; or (iv) a trust if a court within the United States is able to exercise primary supervision over the administration of the trust and one or more United States persons (as defined in the Code) have the authority to control all substantial decisions of the trust, or if a valid election is in effect under U.S. Treasury Regulations to be treated as a United States person.

Interest on the Series 2023B Bonds -- A U.S. Holder will be required to recognize as ordinary income all interest paid or accrued on the Series 2023B Bonds in accordance with such U.S. Holder's method of accounting for U.S. federal income tax purposes.

Original Issue Discount -- If the Issue Price of the Series 2023B Bonds of any stated maturity is less than their face amount by more than one quarter of one percent times the number of complete years to maturity, the Series 2023B Bonds of such maturity will be treated as being issued with "original issue discount." The amount of the original issue discount will equal the excess of the principal amount payable on such Series 2023B Bonds at maturity over the Issue Price, and such amount will be amortized over the life of the Series 2023B Bonds using the "constant yield method" provided in the U.S. Treasury Regulations. The original issue discount accrues under the constant yield method and the beneficial owners of the Series 2023B Bonds, regardless of their regular method of accounting, must include such accrued amount in their gross income as interest. This can result in taxable income to the beneficial owners of such Series 2023B Bonds that exceeds actual cash interest payments to the beneficial owners in a taxable year.

The amount of the original issue discount that accrues on such Series 2023B Bonds each taxable year will be reported annually to the IRS and to the beneficial owners. The portion of the original issue discount included in each beneficial owner's gross income while the beneficial owner holds such Series 2023B Bonds will increase such beneficial owner's adjusted tax basis of such Series 2023B Bonds.

Premium -- If the Issue Price of the Series 2023B Bonds of any stated maturity is greater than its stated redemption price at maturity, such beneficial owner will be considered to have purchased such Series 2023B Bond with "amortizable bond premium" equal in amount to such excess. A beneficial owner may elect to amortize such premium using a constant yield method over the remaining term of such Series 2023B Bond and may offset interest otherwise required to be included in respect of such Series 2023B Bond during any taxable year by the amortized amount of such excess for the taxable year. Series 2023B Bond premium on such Series 2023B Bond held by a beneficial owner that does not make such an election will decrease the amount of gain or increase the amount of loss otherwise recognized on the sale, exchange, redemption or retirement of such Series 2023B Bond. However, if such Series 2023B Bond may be optionally redeemed after the beneficial owner acquires it at a price in excess of its stated redemption price at maturity, special rules would apply under the U.S. Treasury Regulations which could result in a deferral of the amortization of some Series 2023B Bond premium until later in the term of such Series 2023B Bond. Any election to amortize Series 2023B Bond premium applies to all taxable debt instruments held by the beneficial owner on or after the first day of the first taxable year to which such election applies and may be revoked only with the consent of the IRS.

Sale, Exchange, Redemption, Retirement or Other Taxable Disposition of a Series 2023B Bond -- A U.S. Holder generally will recognize gain or loss on the sale, exchange, redemption, retirement or other taxable disposition of a Series 2023B Bond measured by the difference, if any, between (i) the amount of cash and the fair market value of any property received (except to the extent that the cash or other property received in respect of a Series 2023B Bond is attributable to accrued and unpaid interest on the Series 2023B Bond, which amount will be taxable as ordinary interest income to the extent not previously included in gross income) and (ii) the U.S. Holder's adjusted tax basis in the Series 2023B Bond.

A U.S. Holder's adjusted tax basis in the Series 2023B Bonds generally will equal the amount the U.S. Holder paid for the Series 2023B Bonds, increased by any original issue discount previously included in the holder's income and decreased by the amount of the Series 2023B Bond premium that has been previously amortized. Any gain or loss will be capital gain or loss and will be treated as long-term capital gain or loss if, at the time of the sale, exchange, redemption, retirement or other taxable disposition, the Series 2023B Bonds have been held by the U.S. Holder for more than one year. Long-term capital gains recognized by non-corporate U.S. Holders, including individuals, generally will be subject to a reduced rate of tax. The deductibility of capital losses is subject to certain limitations. U.S. Holders of the Series 2023B Bonds should consult their tax advisors regarding the treatment of capital gains and losses.

Information Reporting and Backup Withholding -- Information reporting generally will apply to payments of interest on, and the proceeds of the sale, exchange, redemption, retirement or other disposition of, the Series 2023B Bonds held by U.S. Holders, and backup withholding may apply unless the U.S. Holder provides the applicable withholding agent with a taxpayer identification number, certified under penalties of perjury, as well as certain other information or otherwise establishes an exemption from backup withholding. Any amount withheld under the backup withholding rules is allowable as a credit against the U.S. Holder's U.S. federal income tax liability, if any, and a refund may be obtained if the amounts withheld exceed the U.S. Bondholder's actual U.S. federal income tax liability and the U.S. Holder timely provides the required information or appropriate claim to the IRS.

Tax Consequences to Non-U.S. Holders

The following discussion summarizes certain material U.S. federal income tax consequences to Non-U.S. Holders of the purchase, ownership and disposition of the Series 2023B Bonds. For purposes of this discussion, a "Non-U.S. Holder" is a beneficial owner of Series 2023B Bonds that is neither classified for U.S. federal income tax purposes as a partnership nor is a U.S. Holder (as defined above).

Interest on the Series 2023B Bonds -- Subject to the discussions below regarding backup withholding and FATCA withholding, payments of interest on a Series 2023B Bond to a Non-U.S. Holder that are not effectively connected with such Non-U.S. Holder's U.S. trade or business generally will not be subject to U.S. federal income tax and will be exempt from U.S. federal withholding tax under the portfolio interest exemption provided that:

- the Non-U.S. Holder is not an actual or constructive owner of 10% or more of the total combined voting power of all classes of our voting stock;
- the Non-U.S. Holder is not a controlled foreign corporation for U.S. federal income tax purposes that is related, directly or indirectly, to us through stock ownership); and
- the Non-U.S. Holder is not a bank that acquired the Series 2023B Bonds in consideration for the extension of credit made pursuant to a loan agreement entered into in the ordinary course of its trade or business.
- the Non-U.S. Holder provides its name and address and certifies, under penalties of perjury, that it is not a United States person as defined under the Code (which certification may be made on an IRS Form W-8BEN or W-8BEN-E (or other applicable form)); (ii) the non-U.S. Bondholder holds its Series 2023B Bonds through certain foreign intermediaries and it satisfies the certification requirements of applicable Treasury Regulations; or (iii) a securities clearing organization, bank, or other financial institution that holds customers' securities in the ordinary course of its trade or business holds the Series 2023B Bonds on behalf of the Non-U.S. Holder and such securities clearing organization, bank, or other financial institution satisfies the certification requirements of applicable Treasury Regulations.

If the payments of interest on a Series 2023B Bond are effectively connected with the conduct by a Non-U.S. Holder of a trade or business in the United States (and, in the event that an income tax treaty is applicable, if the payments of interest are attributable to a U.S. permanent establishment maintained by the Non-U.S. Holder), such payments will not be subject to withholding of U.S. federal income tax so long as the Non-U.S. Holder provides the applicable withholding agent with a properly completed IRS Form W-8ECI (or other applicable form), signed under penalties of perjury. However, such payments will be subject to U.S. federal income tax on a net income basis at regular graduated income tax rates generally in the same manner as if it were a U.S. Holder (as defined above), subject to any modifications provided under an applicable income tax treaty. In addition, if the non-U.S. Holder is a foreign corporation for federal income tax purposes, such payments of interest may also be subject to a branch profits tax at the rate of 30% (or lower applicable treaty rate) of such holder's earnings and profits for the taxable year, subject to certain adjustments, including earnings and profits from an investment in the Series 2023B Bonds, that are effectively connected with its conduct of a trade or business in the United States.

A non-U.S. Holder that does not qualify for the exemption from U.S. federal withholding tax under the preceding paragraphs generally will be subject to U.S. federal withholding tax at the rate of 30% on payments of interest on the Series 2023B Bonds, unless such non-U.S. Holder provides the applicable withholding agent with a properly executed IRS Form W-8BEN or W-8BEN-E (or other

applicable form) claiming exemption from or a reduction of withholding under the benefit of an applicable tax treaty. Income tax treaties may provide for a lower rate of withholding tax, exemption from or reduction of branch profits tax, or other rules different from those described above. Non-U.S. Bondholders should consult with their advisors regarding any applicable income tax treaties.

Sale, Exchange, Redemption, Retirement or Other Taxable Disposition of a Taxable Bond -- Subject to the discussions below on backup withholding and FATCA withholding, any gain realized by a Non-U.S. Holder on the sale, exchange, redemption, retirement or other taxable disposition of a Series 2023B Bond generally will not be subject to U.S. federal income tax or withholding tax, unless:

- Such gain is effectively connected with the conduct by such Non-U.S. Holder of a U.S. trade or business in the United States (and, in the event that an income tax treaty is applicable, such gain is attributable to a permanent establishment maintained by the Non-U.S. Holder in the United States),
- the Non-U.S. Holder is an individual who is present in the United States for 183 days or more in the taxable year of disposition and certain other conditions are satisfied.

If a Non-U.S. Holder is engaged in a trade or business in the United States and gain on a Series 2023B Bond is effectively connected with the conduct of such trade or business (and, if an income tax treaty applies, such gain is attributable to a permanent establishment maintained by the Non-U.S. Holder within the United States), the Non-U.S. Holder will be subject to U.S. federal income tax at regular graduated income tax rates in the same manner as if it were a U.S. Holder, subject to any modification provided under an applicable income tax treaty. If the Non-U.S. Holder is a foreign corporation for U.S. federal income tax purposes, such gain may also be subject to a branch profits tax at the rate of 30%, or lower applicable treaty rate, of its earnings and profits for the taxable year, subject to adjustments, that are effectively connected with its conduct of a trade or business in the United States.

If a Non-U.S. Holder is an individual who is present or deemed to be present in the United States for 183 days or more during the taxable year of the disposition of a Series 2023B Bond and certain other requirements are met, such Non-U.S. Holder generally will be subject to U.S. federal income tax at a flat rate of 30% (unless a lower applicable income tax treaty rate applies), on any such gain.

Information Reporting and Backup Withholding -- Payments to Non-U.S. Holders of interest on a Series 2023B Bond, and amounts withheld from such payments, if any, generally will be required to be reported to the IRS and to the Non-U.S. Holder. Copies of these information returns also may be made available to the tax authorities of the country in which the Non-U.S. Holder resides or is established under the provisions of a specific treaty or agreement. These reporting requirements apply regardless of whether withholding was reduced or eliminated by an applicable income tax treaty. Backup withholding generally will not apply to payments of principal and interest on Series 2023B Bonds if the Non-U.S. Holder furnishes a certification as to its Non-U.S. status or the Non-U.S. Holder otherwise establishes an exemption, provided that the applicable withholding agent does not have actual knowledge or reason to know that the Non-U.S. Holder is a United States person.

Payment of the proceeds of a disposition of a Series 2023B Bond effected by the U.S. office of a United States or foreign broker will be subject to information reporting and backup withholding unless the Non-U.S. Holder properly certifies under penalties of perjury as to its foreign status and certain other conditions are met or the Non-U.S. Holder otherwise establishes an exemption. Information reporting requirements and backup withholding generally will not apply to any payment of the proceeds of the disposition of a Series 2023B Bond effected outside the United States by a foreign office of a broker. However, unless such a broker has documentary evidence in its records of the Non-U.S. Holder's foreign status and certain other conditions are met, or the Non-U.S. Holder otherwise establishes an exemption,

information reporting will apply to a payment of the proceeds of the sale of a Series 2023B Bond effected outside the United States by such a broker if it has certain relationships with the United States.

U.S. backup withholding tax is not an additional tax. Any amount withheld under the backup withholding rules is allowable as a credit against the U.S. Holder's U.S. federal income tax liability, if any, and a refund may be obtained if the amounts withheld exceed the U.S. Bondholder's actual U.S. federal income tax liability and the U.S. Holder timely provides the required information or appropriate claim to the IRS.

FATCA Withholding

The Foreign Account Tax Compliance Act, or "FATCA," imposes a 30% withholding tax on certain types of payments made to foreign financial institutions, or "FFIs," and certain other non-U.S. entities, unless certain due diligence, reporting, withholding, and certification requirements are satisfied. As a general matter, FATCA imposes a 30% withholding tax on interest payments on a Series 2023B Bond, and (subject to the proposed United States Treasury regulations discussed below) payments of gross proceeds from the sale or other disposition of a Series 2023B Bond, that are made to an FFI or non-financial foreign entity unless (i) the foreign entity is an FFI that undertakes certain due diligence, reporting, withholding, and certification obligations, or in the case of an FFI that is a resident in a jurisdiction that has entered into an intergovernmental agreement to implement FATCA, the entity complies with the diligence, reporting, and other requirements of such an agreement, (ii) the foreign entity is not an FFI and either certifies that it does not have any "substantial" U.S. owners or furnishes identifying information regarding each substantial U.S. owner, or (iii) the foreign entity qualifies for an exemption from these rules. In certain cases, a "substantial" U.S. owner can mean an owner of any interest in the foreign entity.

As noted above, withholding under FATCA can apply to payments of gross proceeds from the sale or other disposition of a Series 2023B Bond, in addition to interest payments. However, United States Treasury regulations have been proposed that would entirely eliminate FATCA withholding on payments of gross proceeds. Taxpayers generally may rely on these proposed United States Treasury regulations until the promulgation of final United States Treasury regulations.

Prospective investors are encouraged to consult with their tax advisors regarding the possible implications of FATCA on their investment in the Series 2023B Bonds.

CONTINUING DISCLOSURE OF INFORMATION

In the Continuing Disclosure Agreement, dated as of July 1, 2023 (the "Disclosure Agreement"), between the Trustee and the Department, the Department has made the following agreement for the benefit of the holders and beneficial owners of the Series 2023 Bonds. The Department is required to observe the Disclosure Agreement for so long as it remains obligated to advance funds to pay the Series 2023 Bonds. Under the Disclosure Agreement, the Department will be obligated to provide certain updated financial information and operating data annually, and timely notice of specified events, to the Municipal Securities Rulemaking Board (the "MSRB").

No Eligible Borrower is an "obligated person" (as defined in Rule 15c2-12 of the United States Securities and Exchange Commission (the "SEC") under the Securities Exchange Act of 1934, as amended (the "Rule")) for whom financial information or operating data would be presented in this Official Statement had such Eligible Borrower been known at the time of the offering of the Series 2023 Bonds.

The Department's Bond Finance Division has policies and procedures in place to assist the Department in complying with continuing disclosure undertakings such as the Disclosure Agreement. The Department's policies and procedures and the Disclosure Agreement have been amended in response to the two notice events added, effective February 27, 2019, to the list of events for which notice is required by the Rule. See "—Event Notices."

Annual Reports

The Department will provide certain updated financial information and operating data to the MSRB annually within six months after the end of its Fiscal Year. The information to be updated includes all quantitative financial information and operating data with respect to the Department of the general type included in this Official Statement in "APPENDIX D-1 – ADDITIONAL INFORMATION CONCERNING MORTGAGE CERTIFICATES" and "APPENDIX D-2 – BOND SUMMARY OF THE TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS" and the annual financial statements of the Texas Department of Housing and Community Affairs – Revenue Bond Enterprise Fund for the Fiscal Year ended August 31, 2022 and for each subsequent Fiscal Year (financial statements for the last completed Fiscal Year will be unaudited, unless an audit is performed in which event the audited financial statements will be made available). The Department will update and provide this information within six months after the end of each Fiscal Year ending on or after August 31, 2023. The Department will provide the updated information to the MSRB.

The Department may provide updated information in full text or may incorporate by reference certain other publicly available documents, as permitted by the Rule. The updated information will include audited financial statements, if the Department commissions an audit and it is completed by the required time. If audited financial statements are not available by the required time, the Department will provide unaudited financial statements within the required time and audited financial statements when and if the audit report becomes available. Any such financial statements will be prepared in accordance with the accounting principles described under "FINANCIAL STATEMENTS" or such other accounting principles as the Department may be required to employ from time to time pursuant to state law or regulation.

The Department's current Fiscal Year ends on August 31, 2023. Accordingly, it will provide updated information to the MSRB in the electronic format prescribed by the MSRB, if any, by the last day of February in the year 2024 and will be required to provide updated information to the MSRB by the last day of February in each year thereafter, unless the Department changes its Fiscal Year. If the Department changes its Fiscal Year, it will notify the MSRB of the change.

The Department determined in 2017 that the annual disclosure of information regarding the Residential Mortgage Revenue Bond Program ("RMRB Program") would no longer include certain annual information since the RMRB Program has no whole mortgage loans and over 99% of the mortgage-backed certificates are Ginnie Mae Certificates. As such, information related to: (i) whole mortgage loans and (ii) mortgage-backed certificate type and delinquency data are immaterial to the current RMRB Program and were and will be omitted in its annual disclosure. Based on the changing make-up of the pledged assets under the Department's various indentures, the Department will determine materiality of disclosure items and may modify its disclosure accordingly in the future.

Event Notices

The Department will provide notice to the MSRB of any of the following events with respect to the Series 2023 Bonds, if such event is material within the meaning of the federal securities laws: (1) non-payment related defaults; (2) modifications to rights of securities holders; (3) Series 2023 Bond calls, if material, and tender offers; (4) release, substitution, or sale of property securing repayment of

the Series 2023 Bonds; (5) the consummation of a merger, consolidation, or acquisition involving an obligated person or the sale of all or substantially all of the assets of the obligated person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms; (6) appointment of a successor or additional trustee or the change of name of a trustee; and (7) incurrence of a financial obligation of the Department, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the Department, any of which affect security holders.

The Department will also provide notice to the MSRB of any of the following events with respect to the Series 2023 Bonds without regard to whether such event is considered material within the meaning of the federal securities laws: (1) principal and interest payment delinquencies; (2) unscheduled draws on debt service reserves reflecting financial difficulties; (3) unscheduled draws on credit enhancements reflecting financial difficulties; (4) substitution of credit or liquidity providers, or their failure to perform; (5) adverse tax opinions or the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax-exempt status of the Series 2023A Bonds, or other events affecting the tax-exempt status of the Series 2023A Bonds; (6) defeasances; (7) rating changes; and (8) bankruptcy, insolvency, receivership or similar event of an obligated person; and (9) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the Department, any of which reflect financial difficulties.

For the purposes of the above described event notices, the term "financial obligation" means a (i) debt obligation, (ii) derivative instrument entered into in connection with or pledged as security or a source of payment for, an existing or planned debt obligation, or (iii) a guarantee of (i) or (ii); provided however, that a "financial obligation" shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the Rule. The Department has expressed its intent in the Disclosure Agreement that the words used in (7) in the first paragraph of this subcaption and item (9) immediately above and the definition of "financial obligation" to have the meanings ascribed to them in SEC Release No. 34-83885, dated August 20, 2018.

The Department will provide notice of the aforementioned events to the MSRB in a timely manner (but not in excess of ten business days after the occurrence of the event). The Department will also provide timely notice of any failure by the Department to provide annual financial information in accordance with their agreement described above under "Annual Reports."

Availability of Information from MSRB

The Department has agreed to provide the foregoing information only to the MSRB. The information will be available to holders of Series 2023 Bonds only if the holders comply with the procedures and pay any charges that may be established by the MSRB such information vendors or obtain the information through securities brokers who do so. Such information is available at no charge at www.emma.msrb.org.

Limitations and Amendments

The Department has agreed to update information and to provide notices of material events only as described above. The Department has not agreed to provide other information that may be relevant or material to a complete presentation of its financial results of operations, condition, or prospects or agreed to update any information that is provided, except as described above. The Department makes no representation or warranty concerning such information or concerning its usefulness to a decision to invest in or sell Series 2023 Bonds at any future date. The Department disclaims any contractual or tort

liability for damages resulting in whole or in part from any breach of its Disclosure Agreement or from any statement made pursuant to its Disclosure Agreement, although holders of Series 2023 Bonds may seek a writ of mandamus to compel the Department to comply with its Disclosure Agreement.

The Disclosure Agreement may be amended by the Department and the Trustee from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the Department, but only if (1) the provisions, as so amended, would have permitted an underwriter to purchase or sell any Series 2023 Bonds in the primary offering of the Series 2023 Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule since such offering as well as such changed circumstances and (2) either (a) the holders of a majority in aggregate principal amount (or any greater amount required by any other provision of the Disclosure Agreement that authorizes such an amendment) of the Outstanding Series 2023 Bonds consent to such amendment or (b) a person that is unaffiliated with the Department (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interest of the holders and beneficial owners of the Series 2023 Bonds. If the Department so amends the Disclosure Agreement, it has agreed to include with any financial information or operating data next provided in accordance with its agreement described above under "Annual Reports" an explanation, in narrative form, of the reasons for the amendment and of any change in the type of financial information and operating data so provided. The Department may also amend or repeal the provisions of the Disclosure Agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling any Series 2023 Bonds in the primary offering of such Series 2023 Bonds.

Notwithstanding the foregoing, under current state law, the Department is required to have an audit performed annually by independent accountants, which audit is available to any person who makes a request to the Department and upon payment of the cost of copying thereof.

Duties, Immunities, and Liabilities of Trustee

The Trust Indenture is made applicable to the Disclosure Agreement as if the Disclosure Agreement were (solely for this purpose) contained in the Trust Indenture. The Trustee shall have only such duties as are specifically set forth in the Disclosure Agreement, and no implied covenants shall be read into the Disclosure Agreement against the Trustee.

RATINGS

Moody's Investors Service, Inc. ("Moody's") and S&P Global Ratings, a division of S&P Global Inc. ("S&P"), have assigned ratings to the Series 2023 Bonds of "Aaa" and "AA+," respectively. An explanation of the significance of such ratings may be obtained from the companies furnishing the ratings. The ratings do not represent recommendations to buy, sell, or hold the Series 2023 Bonds. The ratings reflect only the respective views of such organizations at the time such ratings were assigned and the Department makes no representation as to the appropriateness of the ratings.

There is no assurance that any ratings assigned to the Series 2023 Bonds will continue for any given period of time or that they will not be revised downward or withdrawn entirely by either or both of such rating companies, if in the judgment of either or both companies, circumstances so warrant. Any such downward revision or withdrawal of such ratings may have an adverse effect on the market price of the Series 2023 Bonds.

UNDERWRITING

APPENDIX B-1

GNMA AND THE GNMA CERTIFICATES

This summary of the GNMA Mortgage Backed Securities Program, the GNMA Certificates and the documents referred to herein does not purport to be comprehensive and is qualified in its entirety by reference to the GNMA Mortgage Backed Securities Guide published by GNMA and to said documents for full and complete statement of their provisions. The following summary is of the GNMA I Program and the GNMA II Program, as amended.

Government National Mortgage Association ("GNMA") is a wholly-owned corporate instrumentality of the United States within the Department of Housing and Urban Development ("HUD") with its principal office in Washington, D.C.

To issue GNMA Certificates, the Master Servicer must first apply to and receive from GNMA the Commitment to Guarantee Mortgage Backed Securities (the "MBS Agreement"). The MBS Agreement authorizes the Master Servicer to apply to GNMA for the issuance of Mortgage-Backed Securities to be eligible for guaranty by GNMA up to a stated date and issue GNMA Certificates up to a stated amount during a one- year period following the date of the MBS Agreement. Each MBS Agreement is valid for a 12-month period from the date of commitment.

Each GNMA Certificate is to be backed by a mortgage pool consisting of Mortgage Loans in a minimum aggregate amount of \$250,000 (or such lesser amount as may be approved by GNMA). Each GNMA I Certificate will be a "mortgage loan pass-through" certificate which will require the Master Servicer to pass through to the paying and transfer agent therefor (the "GNMA Paying Agent") by the fifteenth day of each month (or the sixteenth day, if such day is not a business day, provided that, if neither the fifteenth nor the sixteenth day is a business day, the first business day prior to the fifteenth day of the month), the regular monthly payments on the Mortgage Loans (less the GNMA Guaranty Fee and the Master Servicer's servicing fee, more fully described herein), whether or not the Master Servicer receives such payments, plus any prepayments of principal of the Mortgage Loans received by the Master Servicer in the previous month. Each GNMA II Certificate will require the Master Servicer to pass through to the GNMA Paying Agent for the GNMA II Program, by the nineteenth day of each month (or the twentieth day, if such day is not a business day; provided that, if neither the nineteenth nor the twentieth day is a business day, then the first business day prior to the nineteenth day of the month), the regular monthly payments on the Mortgage Loans (less the GNMA Guaranty Fee and the Master Servicer's servicing fee, more fully described herein), whether or not the Master Servicer received such payments, plus any prepayments on the Mortgage Loan received by the Master Servicer in the previous month. The GNMA Paying Agent is then required to pass through to the Trustee on or before the third business day following the nineteenth day of each month the scheduled payments received from the Master Servicer. GNMA guarantees timely payment of principal of and interest with respect to the GNMA Certificate.

GNMA is authorized by Section 306(g) of Title III of the National Housing Act of 1934, as amended (the "Housing Act"), to guarantee the timely payment of the principal of, and interest on, securities that are based on and backed by a pool of mortgage loans insured by FHA under the Housing Act, or guaranteed by RDA under Title V of the Housing Act of 1949, or guaranteed by VA under the Servicemen's Readjustment Act of 1944, as amended, or Chapter 37 of Title 38, United States Code. Section 306(g) further provides that " the full faith and credit of the United States is pledged to the payment of all amounts which may be required to be paid under any guaranty under this subsection." An opinion, dated October 12, 1969, of an Assistant Attorney General of the United States, states that such guarantees under Section 306(g) of mortgage backed certificates of the type being delivered to the Trustee on behalf

of the Department are authorized to be made by GNMA and "would constitute general obligations of the United States backed by its full faith and credit."

GNMA, upon execution of the GNMA Guaranty appended to the GNMA Certificate and upon delivery of the GNMA Certificate to the Master Servicer, will have guaranteed to the Trustee as holder of the GNMA Certificate the timely payment of principal of and interest on the GNMA Certificate. In order to meet its obligations under such guaranty, GNMA, in its corporate capacity under Section 306(g) of Title III of the Housing Act, may issue its general obligations to the United States Treasury Department in an amount outstanding at any one time sufficient to enable GNMA, with no limitations as to amount, to perform its obligations under its guaranty of the timely payment of the principal of and interest on the GNMA Certificate. The Treasury is authorized to purchase any obligation so issued by GNMA and has indicated in a letter dated February 13, 1970, from the Secretary of the Treasury to the Secretary of HUD that the Treasury will make loans to GNMA, if needed, to implement the aforementioned guaranty.

GNMA is required to warrant to the Trustee as the holder of the GNMA Certificate, that, in the event it is called upon at any time to make payment on its guaranty of the principal of and interest on the GNMA Certificate, it will, if necessary, in accordance with Section 306(d) of Title III of the Housing Act, apply to the Treasury Department of the United States for a loan or loans in amounts sufficient to make payments of principal and interest.

The Master Servicer will be responsible for servicing and otherwise administering the Mortgage Loans in accordance with generally accepted practices of the mortgage banking industry and the GNMA Mortgage Backed Securities Guide (the "Guide").

It is expected that interest and principal payments on the Mortgage Loans received by the Master Servicer will be the source of payments on the GNMA Certificates. If such payments are less than what is due the Master Servicer is obligated to advance its own funds to ensure timely payment of all amounts coming due on the GNMA Certificates. GNMA guarantees such timely payment in the event of the failure of the Master Servicer to pay an amount equal to the scheduled payments (whether or not made).

The Master Servicer is required to advise GNMA in advance of any impending default on scheduled payments so that GNMA as guarantor will be able to continue such payments as scheduled on the third business day following the twentieth day of each month. If, however, such payments are not received as scheduled, the Trustee has recourse directly to GNMA.

The GNMA Guaranty Agreement to be entered into by GNMA and the Master Servicer upon issuance of the GNMA Certificates (the "GNMA Guaranty Agreement") will provide that, in the event of a default by the Master Servicer, GNMA will have the right, by letter to the Master Servicer, to effect and complete the extinguishment of the Master Servicer's interest in the Mortgage Loans, and the Mortgage Loans are to thereupon become the absolute property of GNMA, subject only to the unsatisfied rights of the holder of the GNMA Certificate. In such event, the GNMA Guaranty Agreement will provide that GNMA will be the successor in all respects to the Master Servicer in its capacity under the GNMA Guaranty Agreement and the transaction and arrangements set forth or arranged for therein. At any time, GNMA may enter into an agreement with an institution approved by GNMA under which such institution undertakes and agrees to assume any part or all of such duties, and no such agreement will detract from or diminish the responsibilities, duties or liabilities of GNMA in its capacity as guarantor.

Payment of principal and interest on the GNMA Certificate is required to be made in monthly installments on or before the third business day following the twentieth of each month commencing the month following the date of issue of the GNMA Certificate.

Each installment on the GNMA Certificate is required to be applied first to interest and then in reduction of the principal balance then outstanding on the GNMA Certificate. Interest is to be paid at the specified rate on the unpaid portion of the principal of the GNMA Certificate. The amount of principal due on the GNMA Certificate is to be in an amount at least equal to the scheduled principal amortization currently due on the Mortgage Loans subject to adjustment by reason of unscheduled recoveries of principal on the Mortgage Loans. In any event, the Master Servicer is required to pay to the Trustee, as holder of the GNMA Certificate, monthly installments of not less than the interest due on the GNMA Certificate at the rate specified in the GNMA Certificate, together with any scheduled installments of principal, whether or not such interest or principal is collected from the Mortgagor, and any prepayments or early recovery of principal. Final payment is to be made upon surrender of the outstanding GNMA Certificate.

The Office of Inspector General (OIG) is required to conduct an annual audit of GNMA under the provisions of the Chief Financial Officers (CFO) Act of 1990 ("CFO Act"). The complete OIG report is included in the separate management report of GNMA prepared pursuant to the CFO Act which is available upon request from GNMA at Government National Mortgage Association, 451 Seventh Street, SW, Washington, D.C. 20410-9000.

FREDDIE MAC AND THE FREDDIE MAC CERTIFICATES

General

Freddie Mac is a shareholder-owned government-sponsored enterprise created on July 24, 1970 pursuant to the Federal Home Loan Mortgage Corporation Act, Title III of the Emergency Home Finance Act of 1970, as amended, 12 U.S.C. Section 1451-1459. Freddie Mac's statutory purposes are to provide stability in the secondary market for residential mortgages, to respond appropriately to the private capital market, to provide ongoing assistance to the secondary market for residential mortgages (including mortgages on housing for low- and moderate-income families), and to promote access to mortgage credit throughout the United States by increasing the liquidity of mortgage investments and improving the distribution of investment capital available for residential mortgage financing. To fulfill these statutory purposes Freddie Mac purchases residential mortgages and mortgage-related securities from mortgage lenders, other mortgage sellers and securities dealers and finances these purchases with debt and equity securities. In addition, Freddie Mac guarantees the timely payment of principal and interest on single-class and multiclass securities representing an undivided interest in mortgages and/or mortgage-related securities.

On June 3, 2019, Fannie Mae and Freddie Mac began issuing new, common, single mortgage-backed securities, formally known as the Uniform Mortgage-Backed Security ("UMBS"). The UMBS finance the same types of fixed-rate mortgages that back Fannie Mae Certificates and Freddie Mac Certificates and are guaranteed by either Fannie Mae or Freddie Mac depending upon which issues the UMBS. The UMBS have characteristics similar to Fannie Mae Certificates and Freddie Mac has modified its security structure and will offer investors the opportunity to more closely align with Fannie Mae securities.

Freddie Mac prepares an Information Statement annually which describes Freddie Mac, its business and operations and contains Freddie Mac's audited financial statements for the two most recent fiscal years ending prior to the date of such Information Statement. The current Information Statement, current prospectuses, any supplements to each of the foregoing and any quarterly report prepared and made available by Freddie Mac can be obtained by writing to Freddie Mac B Investor Inquiry, 8200 Jones Branch Drive, McLean, Virginia 22102 or accessing Freddie Mac's internet website at www.freddiemac.com.

Each Freddie Mac Certificate will represent undivided interests in a pool of fixed-rate, first-lien conventional Mortgage Loans or FHA and VA Loans, or participations interests therein. Freddie Mac guarantees to each holder of a Freddie Mac Certificate the timely payment of interest at the applicable coupon on the Freddie Mac Certificate and the timely payment of scheduled principal, whether or not Freddie Mac receives these payments on the underlying mortgages. Full and final payment of principal on the Freddie Mac Certificates will be made no later than the payment date occurring in the month of the Final Payment date for each Freddie Mac Certificate. Principal and interest payments on the Freddie Mac Certificates are not guaranteed by and are not debts or obligations of the United States or any federal agency or instrumentality other than Freddie Mac. Payments on Freddie Mac Certificates are made on the 15th day of each month or, if the 15th is not a business day, the next business day.

Freddie Mac receives monthly mortgage payments from its mortgage servicers during a Monthly Reporting Period that begins on the 16th of a month and ends on the 15th of the following month. For any month, a payment on a Freddie Mac Certificate will reflect monthly mortgage payments reported by servicers in the previous Monthly Reporting Period and prepayments reported by servicers in the calendar month prior to the payment up through the date Freddie Mac calculates its payment factors. Freddie Mac publishes its payment factors on or about the 5th day of each month.

The summary of the Freddie Mac Certificates does not purport to be comprehensive and is qualified in its entirety by reference to the Freddie Mac prospectuses and other documents relating to the offer and sale of Freddie Mac Certificates described herein.

Fannie Mae currently is required to file periodic financial disclosures with the U.S. Securities and Exchange Commission (the "SEC"), including Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K, together with any required exhibits. These reports and other information can be read and copied at the SEC's public reference room at 450 Fifth Street, N.W., Washington, D.C. 20549. The SEC currently maintains a website (<http://www.sec.gov>) that contains reports, proxy statements and other information that Fannie Mae has filed with the SEC. The Senior Preferred Stock Purchase Agreement between the Treasury and Freddie Mac requires Freddie Mac to provide the Treasury with annual reports on Form 10-K, quarterly reports on Form 10-Q, and current reports on Form 8-K. The Department makes no representation regarding the content, accuracy or availability of any such reports or information filed by Fannie Mae or Freddie Mac with the SEC, or any information provided at such web site. APPENDIX B-3

FANNIE MAE AND THE FANNIE MAE CERTIFICATES

General

Fannie Mae is a federally chartered and stockholder owned corporation organized and existing under the Federal National Mortgage Association Charter Act, 12 U.S.C. 1716 et seq. Fannie Mae was originally established in 1938 as a United States government agency to provide supplemental liquidity to the mortgage market and became a stockholder owned and privately managed corporation by legislation enacted in 1968.

Fannie Mae purchases, sells, and otherwise deals in mortgages in the secondary market rather than as a primary lender. It does not make direct mortgage loans but acquires mortgage loans originated by others. In addition, Fannie Mae issues mortgage backed securities ("MBS"), primarily in exchange for pools of mortgage loans from lenders. Fannie Mae receives guaranty fees for its guarantee of timely payment of principal of and interest on MBS certificates.

The securities of Fannie Mae are not guaranteed by the United States and do not constitute a debt or obligation of the United States or any agency or instrumentality thereof other than Fannie Mae.

On June 3, 2019, Fannie Mae and Freddie Mac began issuing new, common, single mortgage-backed securities, formally known as the Uniform Mortgage-Backed Security ("UMBS"). The UMBS finance the same types of fixed-rate mortgages that back Fannie Mae Certificates and Freddie Mac Certificates and are guaranteed by either Fannie Mae or Freddie Mac depending upon which issues the UMBS. The UMBS have characteristics similar to Fannie Mae Certificates and Freddie Mac has modified its security structure to more closely align with Fannie Mae securities.

Information on Fannie Mae and its financial condition is contained in periodic reports that are filed with the Securities and Exchange Commission (the "SEC"). The SEC filings are available at the SEC's website at <http://www.sec.gov>. The periodic reports filed by Fannie Mae with the SEC are also available on Fannie Mae's website at <http://www.fanniemae.com/portal/about-fm/investor-relations/quarterly-annual-results.html> or from Fannie Mae at the Office of Investor Relations at 202-752-7115.

Fannie Mae is incorporating by reference in this Official Statement the documents listed below that Fannie Mae publishes from time to time. This means that Fannie Mae is disclosing information to you by referring you to those documents. Those documents are considered part of this Reoffering Circular, so you should read this Reoffering Circular, and any applicable supplements or amendments, together with those documents before making an investment decision.

You should rely only on the information provided or incorporated by reference in this Official Statement and any applicable supplement, and you should rely only on the most current information.

Fannie Mae makes no representation as to the contents of this Official Statement, the suitability of the Bonds for any investor, the feasibility of performance of any program, or compliance with any securities, tax or other laws or regulations.

Mortgage-Backed Securities Program

Fannie Mae is a federally chartered and stockholder-owned corporation organized and existing under the Federal National Mortgage Association Charter Act (12 U.S.C. Section 1716 et seq.). Fannie Mae was originally established in 1938 as a United States government agency to provide supplemental liquidity to the mortgage market, and was transferred into a stockholder-owned and privately managed corporation by legislation enacted in 1968. The Secretary of Housing and Urban Development exercises general regulatory power over Fannie Mae. Fannie Mae provides funds to the mortgage market by purchasing mortgage loans from lenders, thereby replenishing their funds for additional lending. Fannie Mae acquires funds to purchase mortgage loans from many capital market investors that may not ordinarily invest in mortgage loans, thereby expanding the total amount of funds available for housing. In addition, Fannie Mae issues mortgage-backed securities primarily in exchange for pools of mortgage loans from lenders.

Although the Secretary of the Treasury of the United States has certain discretionary authority to purchase obligations of Fannie Mae, neither the United States nor any agency or instrumentality thereof is obligated to finance Fannie Mae's obligations or assist Fannie Mae in any manner.

Fannie Mae has implemented a mortgage-backed securities program pursuant to which Fannie Mae issues securities (the "Fannie Mae Certificates") backed by pools of mortgage loans (the "MBS Program"). The obligations of Fannie Mae, including its obligations under the Fannie Mae Certificates, are obligations solely of Fannie Mae and are not backed by, or entitled to, the full faith and credit of the United States.

The terms of the MBS Program are governed by the Fannie Mae Selling and Servicing Guides (the "Fannie Mae Guides") published by Fannie Mae, as modified by the Pool Purchase Contract (as hereinafter described), and, in the case of mortgage loans such as the Mortgage Loans, a Trust Indenture dated as of November 1, 1981, as amended (the "Fannie Mae Trust Indenture"), and a supplement thereto to be issued by Fannie Mae in connection with each pool.

The summary of the MBS Program set forth herein does not purport to be comprehensive and is qualified in its entirety by reference to the Fannie Mae Guides, the Fannie Mae prospectus and the other documents referred to herein.

Pool Purchase Contract

It is expected that Fannie Mae and the Master Servicer will enter into a Pool Purchase Contract, pursuant to which the Servicer will be permitted to deliver, and Fannie Mae will agree to purchase mortgage loans in exchange for Fannie Mae Certificates. The purpose of the Pool Purchase Contract is to provide for certain additions, deletions and changes to the Fannie Mae Guides relating to the purchase of mortgage loans. In the event of a conflict between the Pool Purchase Contract and the Fannie Mae Guides, the Pool Purchase Contract will control. The description set forth below assumes that the Pool Purchase Contract will be executed substantially in the form presented by Fannie Mae to the Master Servicer as of the date hereof.

The Pool Purchase Contract obligates the Servicer to service the mortgage loans in accordance with the requirements of the Fannie Mae Guides and the Pool Purchase Contract.

Fannie Mae Certificates

Each Fannie Mae Certificate will represent the entire interest in a specified pool of Mortgage Loans purchased by Fannie Mae from the Servicer and identified in records maintained by Fannie Mae.

Fannie Mae will guarantee to the registered holder of the Fannie Mae Certificates that it will distribute amounts representing scheduled principal and interest at the applicable pass-through rate on the Mortgage Loans in the pools represented by such Fannie Mae Certificates, whether or not received, and the full balance of any foreclosed or other finally liquidated Mortgage Loan, whether or not such principal balance is actually received. The obligations of Fannie Mae under such guarantees are obligations solely of Fannie Mae and are not backed by, nor entitled to, the faith and credit of the United States. If Fannie Mae were unable to satisfy such obligations, distributions to the Trustee, as the registered holder of Fannie Mae Certificates, would consist solely of payments and other recoveries on the underlying Mortgage Loans and, accordingly, monthly distributions to the Trustee, as the holder of Fannie Mae Certificates, would be affected by delinquent payments and defaults on such Mortgage Loans.

Payments on Mortgage Loans; Distributions on Fannie Mae Certificates

Payments on a Fannie Mae Certificate will be made on the 25th day of each month (beginning with the month following the month such Fannie Mae Certificate is issued), or, if such 25th day is not a business day, on the first business day next succeeding such 25th day. With respect to each Fannie Mae Certificate, Fannie Mae will distribute to the Trustee an amount equal to the total of (i) the principal due on the Mortgage Loans in the related mortgage pool underlying such Fannie Mae Certificate during the period beginning on the second day of the month prior to the month of such distribution and ending on the first day of such month of distribution, (ii) the stated principal balance of any Mortgage Loan that was prepaid in full during the second month next preceding the month of such distribution (including as prepaid for this purpose at Fannie Mae's election any Mortgage Loan after it is delinquent, in whole or in part, with respect to four consecutive installments of principal and interest), (iii) the amount of any partial prepayment of a Mortgage Loan received in the second month next preceding the month of distribution, and (iv) one month's interest at the pass-through rate on the principal balance of the Fannie Mae Certificate as reported to the Trustee (assuming the Trustee is the registered holder) in connection with the previous distribution (or, respecting the first distribution, the principal balance of the Fannie Mae Certificate on its issue date).

For purposes of distributions, a Mortgage Loan will be considered to have been prepaid in full if, in Fannie Mae's reasonable judgment, the full amount finally recoverable on account of such Mortgage Loan has been received, whether or not such full amount is equal to the stated principal balance of the Mortgage Loan. Fannie Mae may, in its discretion, include with any distribution principal prepayments, both full and partial, received during the month prior to the month of distribution but is under no obligation to do so.

Ladies and Gentlemen:

We have represented the Texas Department of Housing and Community Affairs (the “Department”) as its bond counsel in connection with the issuance of the Department’s Single Family Mortgage Revenue Bonds, 2023 Series A (the “2023 Series A Bonds”) and Single Family Mortgage Revenue Bonds, 2023 Series B (Taxable) (the “2023 Series B Bonds,” and together with the 2023 Series A Bonds, the “Series 2023 Bonds”) pursuant to a resolution adopted by the Governing Board of the Department on May 11, 2023 (the “Bond Resolution”); the Amended and Restated Single Family Mortgage Revenue Bond Trust Indenture dated as of June 1, 2017 (as amended and supplemented from time to time, the “Single Family Indenture”), between the Department and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”); the Seventy-Fourth Supplemental Single Family Mortgage Revenue Bond Trust Indenture dated as of July 1, 2023 (the “Seventy-Fourth Supplemental Indenture”), between the Department and the Trustee with respect to the 2023 Series A Bonds; and the Seventy-Fifth Supplemental Single Family Mortgage Revenue Bond Trust Indenture dated as of July 1, 2023 (the “Seventy-Fifth Supplemental Indenture”), between the Department and the Trustee with respect to the 2023 Series B Bonds. The Seventy-Fourth Supplemental Indenture and the Seventy-Fifth Supplemental Indenture are referred to herein collectively as the “2023 Supplemental Indentures,” and the Single Family Indenture and the 2023 Supplemental Indentures are referred to herein collectively as the “Indenture.” The Series 2023 Bonds are being issued in the principal amounts, bear interest at the rates, mature on the dates and are subject to redemption prior to maturity as provided in the Indenture. Capitalized terms not otherwise defined herein have the meanings assigned to such terms in the Indenture.

The Single Family Indenture permits the issuance of additional bonds, and such bonds have been issued, on a parity with the Series 2023 Bonds upon the terms and conditions set forth in the Single Family Indenture. The Department reserves the right in the Single Family Indenture to issue other bonds of the Department under the Single Family Indenture for other programs similar to the program initially funded with the proceeds of the Series 2023 Bonds and to refund bonds issued under the Single Family Indenture, and further reserves the right to issue bonds payable from the

pledges and assignments in trust pursuant to the Single Family Indenture that are junior or subordinate to the Series 2023 Bonds, all as provided in the Single Family Indenture.

The scope of our engagement as bond counsel extends solely to an examination of the facts and law incident to rendering an opinion with respect to the legality and validity of the Series 2023 Bonds under the Constitution and laws of the State of Texas (the “State”) and the security therefor and with respect to the excludability of interest on the Series 2023 Bonds from gross income for federal income tax purposes. We have not been engaged to review, or undertaken the review of, the accuracy, completeness or sufficiency of the Official Statement or any other offering material relating to the Series 2023 Bonds, and we express no opinion relating thereto (excepting only the matters set forth in our supplemental opinion of bond counsel of even date herewith). We have not assumed any responsibility with respect to the financial condition or capability of the Department or the disclosure thereof.

In our capacity as bond counsel, we have participated in the preparation of and have examined a transcript of certain proceedings pertaining to the Series 2023 Bonds, on which we have relied in giving our opinion. The transcript contains certified copies of certain proceedings of the Department, the State and the Trustee, and customary certificates, opinions, affidavits and other documents executed by officers, agents and representatives of the Department, the State, the Trustee and others. We also have analyzed such laws, regulations, guidance, documents and other materials as we have deemed necessary to render the opinions herein. Moreover, we have examined executed Bond No. TR-1 of each series of the Series 2023 Bonds.

We have assumed with your permission and without independent verification (i) the genuineness of certificates, records and other documents (collectively, “documents”) and the information submitted to us and the accuracy and completeness of the statements contained therein; (ii) the due authorization, execution and delivery of the documents by the parties thereto other than the Department, and the validity and binding effect of the documents on such parties; (iii) that all documents submitted to us as originals are accurate and complete; (iv) that all documents submitted to us as copies are true and correct copies of the originals thereof; and (v) that all information submitted and representations and certifications delivered to us by the Department and other parties are accurate and complete.

In providing the opinions set forth herein, we have relied on representations and certifications of the Department and other parties involved with the issuance of the Series 2023 Bonds and the Mortgage Loans with respect to matters solely within the knowledge of the Department and such parties, which we have not independently verified. In addition, we have assumed for purposes of this opinion continuing compliance with the procedures, safeguards and covenants of the Servicer and Mortgage Lenders in the Program Agreement and the covenants of the Department in the Indenture and the Program Agreement. We have further relied on the report (the “Report”) of Causey Demgen & Moore P.C., certified public accountants, regarding the mathematical accuracy of certain computations.

Based upon such examination, in reliance on such representations and certifications and subject to the assumptions, qualifications and limitations set forth herein, it is our opinion that:

1. The Department is a public and official governmental agency of the State, duly created and existing under the laws of the State, particularly Chapter 2306, Texas Government Code, as amended (together with other laws of the State applicable to the Department, the “Act”), and has full power and authority to adopt the Bond Resolution and to perform its obligations

thereunder; to execute and deliver the 2023 Supplemental Indentures; to perform its obligations under the Indenture; and to issue and sell the Series 2023 Bonds and to utilize the proceeds therefrom for the purposes set forth in the Bond Resolution and the Indenture.

2. The Department has duly adopted the Bond Resolution and has duly authorized, executed and delivered the 2023 Supplemental Indentures. The Indenture constitutes a legal, valid and binding obligation of the Department. Pursuant to the Indenture, all of the Department's right, title and interest in and to the Trust Estate, including the Revenues and other amounts to be received by the Department have been validly and effectively assigned and, upon receipt of such Revenues and amounts by the Trustee, pledged as security for the payment of the principal and redemption price of and interest on the Series 2023 Bonds.

3. The Department has duly authorized the issuance, execution and delivery of the Series 2023 Bonds. The authorized officers of the Department have duly executed the Series 2023 Bonds and the Trustee has duly authenticated the Series 2023 Bonds, to the extent required by the Indenture, and delivered the Series 2023 Bonds to or at the direction of the initial purchasers thereof. The Series 2023 Bonds constitute legal, valid and binding limited obligations of the Department and are entitled to the benefit and security of the Indenture.

4. The Series 2023 Bonds are issued pursuant to the provisions of the Act and constitute limited obligations of the Department and are payable solely from the revenues, funds and assets of the Department pledged under the Indenture and not from any other revenues, funds or assets of the Department. The Series 2023 Bonds are not and do not create or constitute in any way an obligation, a debt or a liability of the State, or create or constitute a pledge, giving or lending of the faith or credit or taxing power of the State. The Department has no taxing power.

5. Interest on the 2023 Series A Bonds (i) is excludable from gross income for federal income tax purposes under section 103 of the Internal Revenue Code of 1986, as amended, and (ii) is not an item of tax preference for purposes of the alternative minimum tax on individuals, but we observe that such interest is taken into account in computing the alternative minimum tax on certain corporations for tax years beginning after December 31, 2022.

We observe that the Department has taken no action to make interest on the 2023 Series B Bonds excludable from gross income for federal income tax purposes. Except as stated above, we express no opinion as to the amount of interest on the Series 2023 Bonds or any federal, state or local tax consequences resulting from the receipt or accrual of interest on, or the acquisition, ownership or disposition of, the Series 2023 Bonds. These opinions are specifically limited, to the extent applicable, to the laws of the State and the laws of the United States of America. Further, in the event that the information submitted to us or the representations of the Department or other parties involved with the issuance of the Series 2023 Bonds and the Mortgage Loans upon which we have relied or the Report are determined to be inaccurate or incomplete, or the Department, a Mortgage Lender or the Servicer fails to comply with the procedures, safeguards and covenants in the Indenture and the Program Agreement, interest on the 2023 Series A Bonds could become includable in gross income for federal income tax purposes from the date of the original delivery of the 2023 Series A Bonds, regardless of the date on which the event causing such inclusion occurs.

We express no opinion as to the priority or perfection of the security interest granted by the Department in the Trust Estate.

The enforceability of certain provisions of the Series 2023 Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium and other laws for the relief of debtors. Furthermore, availability of equitable remedies under the Series 2023 Bonds may be limited by general principles of equity that permit the exercise of judicial discretion. Furthermore, the enforceability of any indemnification provisions contained in the Indenture may be limited by applicable securities laws and public policy.

Our opinions are based on existing law and our knowledge of facts as of the date hereof and may be affected by certain actions that may be taken or omitted on a later date. We assume no duty to update or supplement these opinions, and this opinion letter may not be relied upon in connection with any changes to the law or facts, or actions taken or omitted, after the date hereof.

This letter is delivered to the addressees hereof in connection with the issuance and delivery of the Series 2023 Bonds. The opinions set forth above speak only as of the date of this letter and only in connection with the Series 2023 Bonds and may not be applied to any other transaction. The opinions expressed herein are for the sole benefit of, and may be relied upon only by, the addressees named above, and this opinion letter may not otherwise be used, circulated, quoted, or referred to, in whole or in part, without the prior written consent of the undersigned in each and every instance. We observe that we are engaged solely to represent the Department as its bond counsel in this matter.

Very truly yours,

Other Information

Mortgage Loan Information Management System

All Mortgage Loans made with proceeds of the Department's mortgage revenue bonds, including the Portfolio Mortgage Loans and any Mortgage Certificate loans, permit partial or complete prepayment without penalty. Mortgage Loans, in general, may also be terminated prior to their respective maturities as a result of events such as default, sale, condemnation or casualty loss. A number of factors, including general economic conditions, homeowner mobility and mortgage market interest rates, will affect the rate of actual prepayments for a particular portfolio of mortgage loans.

The Department is currently managing its Mortgage Loans (other than Mortgage Loans backing Mortgage Certificates) through review of the performance of the various lending institutions participating in the program, review of the delinquency and foreclosure reports of the lenders, directing the investment of monthly receipts, payment of expenses and supervision of claims under the mortgage insurance policies. The Department does not service the Mortgage Loans backing Mortgage Certificates; however, the Department monitors the origination and payment of such Mortgage Loans. The Department currently manages the Mortgage Loans using a new Loan Administration and Servicing System from the MITAS Group, Inc. The MITAS Loan

Administration software is a comprehensive and fully integrated system that has the ability to combine all types of loans into a central database and is also capable of fully complying with all aspects of loan servicing as prescribed by major secondary market investors.

APPENDIX E

SUMMARY OF INFORMATION REGARDING THE TRUST INDENTURE

[THIS PAGE INTENTIONALLY LEFT BLANK]

THE TRUST INDENTURE

General

The Trust Indenture, which includes the Master Indenture and each of the supplements and amendments thereto relating to the Bonds, contains various covenants and security provisions, certain of which are summarized below. Reference should be made to the Trust Indenture, a copy of which may be obtained from the Department, for a full and complete statement of its provisions.

Funds and Accounts

The following Funds are established under the Trust Indenture: Mortgage Loan Fund; Revenue Fund; Debt Service Fund (and a Principal Account, an Interest Account, a Debt Service Reserve Account, a Swap Agreement Periodic Payment Account, and a Redemption Account therein); Expense Fund (and a Rebate Account therein); and Special Mortgage Loan Fund. The Funds and Accounts (except for the Principal Account, Interest Account, Swap Agreement Periodic Payment Account and Redemption Account of the Debt Service Fund which are held and invested by the Trustee and the Expense Fund which is held by the Department) are held by the Trustee and maintained and invested by the Texas Treasury Safekeeping Trust Company, a special purpose trust company organized under the laws of the State of Texas, as depository (the "Depository") under the Trust Indenture.

The 2023 Supplemental Indentures create an account for the Series 2023A Bonds and the Series 2023B Bonds, respectively, within each listed Fund, and a subaccount for the Series 2023A Bonds and the Series 2023B Bonds, respectively, within each listed Account except for the Special Mortgage Loan Fund, the Debt Service Reserve Account and the Swap Agreement Periodic Payment Account. Moreover, in connection with the Swap Agreements, the corresponding Supplemental Indentures each created a corresponding Swap Agreement Termination Payment Subaccount, Swap Agreement Periodic Receipt Subaccount and Swap Agreement Termination Receipt Subaccount within the Surplus Revenues Account of the Revenue Fund. The Swap Agreement Termination Payment Subaccount and the Swap Agreement Termination Receipt Subaccount are not pledged as security for the payment of principal of or interest on any Bonds. The accounts and subaccounts so created do not grant a priority of the Series 2023A Bonds or the Series 2023B Bonds over that of any other series of Bonds.

Mortgage Loan Fund

Amounts in the Mortgage Loan Fund will be used to pay the costs of acquiring the Mortgage Certificates, a portion of the costs of issuance of the Bonds, and any other fees and expenses incurred in connection with the acquisition of the Mortgage Certificates which are payable by the Trustee on behalf of the Department pursuant to any agreement with Mortgage Lenders, and the fees and expenses of the Trustee, the Department and any consultants to the Department. The 2023 A Mortgage Certificates will be deposited to the 2023 A Mortgage Loan Account. The 2023 B Mortgage Certificates will be deposited to the 2023 B Mortgage Loan Account.

Under certain circumstances, as required by the Trust Indenture, the Trustee, at the direction of the Department, is required to transfer amounts in the Mortgage Loan Fund to the Redemption Account to pay the principal of Bonds to be redeemed or to be purchased. To the extent other moneys are not available in any other fund or account, amounts in the Mortgage Loan Fund may be applied to the payment of principal or Redemption Price of and interest on the Bonds.

The Department has covenanted in the Trust Indenture that it will acquire, refinance or sell Mortgage Loans or Mortgage Certificates only if it has determined, on the basis of its most recent

Statement of Projected Revenues, and other information available to it, that such action will not adversely affect the Department's ability to pay, when due, the principal or Redemption Price of and interest on the Bonds. See "SECURITY FOR THE BONDS – Certain Information as to Revenues, Investments, Debt Service and Department Expenses" and "– Statement of Projected Revenues" and APPENDIX F under the caption "THE PROGRAM AND THE MORTGAGE LOANS – Sale of Mortgage Certificates."

Expense Fund

Amounts in the Expense Fund (except for amounts in the Rebate Account therein) may be paid out from time to time by the Department for Department Expenses, taxes, insurance, foreclosure fees, including appraisal and legal fees, security, repairs and other expenses incurred by the Department in connection with the protection and enforcement of its rights in any Mortgage Loan and the preservation of the mortgaged property securing such Mortgage Loans. Excess amounts in the Expense Fund may be transferred to the Revenue Fund.

Funds on deposit in the Rebate Account are required to be periodically set aside to pay any amounts required to be rebated to the United States under applicable provisions of federal income tax law (the "Rebate Amount").

Revenue Fund

All Revenues are required to be deposited in the Revenue Fund promptly upon receipt by the Department. On the first day of each month, or as soon thereafter as possible, the Trustee is required to transfer from the Revenue Fund to the Expense Fund the amount, estimated by the Department, to be required to pay the Department Expenses during the next month together with the amount, if any, necessary to maintain or restore an operating reserve in the Expense Fund to the sum estimated in the Department's current annual budget to be required to pay two months' Department Expenses. The Trust Indenture requires the Department to estimate periodically the amounts necessary to pay the Rebate Amount and thus include such amounts in its monthly estimate of Department Expenses.

On or before each Interest Payment Date on the Bonds, the Trustee is required to transfer Mortgage Loan Principal Payments at the Department's direction to either the Principal Account, the Mortgage Loan Fund, or to the Redemption Account; provided, however, that all amounts representing Mortgage Loan Principal Payments shall be transferred to a Redemption Account and applied to the redemption of the respective Series of Bonds. The Trustee also must transfer from the Revenue Fund the other amounts on deposit therein representing investment earnings on Funds and Accounts and Mortgage Loan Interest Payments to the Debt Service Fund as follows: (i) to the Interest Account, to the extent required so that the balance in said account equals the amount of the interest which will be due and unpaid on such Interest Payment Date, (ii) to the Principal Account, to the extent required so that the balance in said account equals the amount of principal which will be due and unpaid on such Interest Payment Date, (iii) to the Debt Service Reserve Account, to the extent required so that the balance in such account equals the Debt Service Reserve Account Requirement, and (iv) to the Swap Agreement Periodic Payment Account to the extent required so that the balance in said account equals the Swap Agreement Periodic Payment which will be due and unpaid on such Interest Payment Date. Any amounts remaining in the Revenue Fund after such payments described above are made are deemed Surplus Indenture Revenues.

Surplus Indenture Revenues (with certain exceptions and subject in certain cases to a Letter of Instructions) are transferred to the Surplus Revenues Account of the Revenue Fund. If the Department has satisfied the requirements in the Trust Indenture, amounts in the Surplus Revenues Account are transferred on or before each Interest Payment Date or redemption date for the Junior Lien Bonds to the trustee under the Junior Lien Trust Indenture to the extent such amounts are needed to pay amounts due

on the Junior Lien Bonds, to pay fees and expenses associated with the Junior Lien Bonds and to restore reserves and other accounts for such Junior Lien Bonds.

During such time as the Department is not meeting the Asset Test described in the next succeeding paragraph, the Department may only direct the Trustee to use Surplus Indenture Revenues as described under "SECURITY FOR THE BONDS – Statement of Projected Revenues."

The Department will be deemed to have met the Asset Test if (i) the Department shall have on file with the Trustee a Statement of Projected Revenues giving effect to a transfer and release proposed as described in the next succeeding paragraph projecting that available Revenues will be sufficient to pay Department Expenses and aggregate Debt Service on the Bonds, including Swap Agreement Periodic Payments, and debt service on any outstanding Junior Lien Bonds when due in the then-current and each succeeding Bond Year; (ii) as of the date of such Statement of Projected Revenues the Department Assets (including that portion of junior lien mortgage loans that are permitted to be included as Department Assets by each Rating Agency) are at least equal to one hundred two percent (102%) of the aggregate principal amount of Outstanding Bonds and any Junior Lien Bonds then outstanding; and (iii) amounts then on deposit in the Debt Service Reserve Account are at least equal to the Debt Service Reserve Account Requirement and amounts in the reserve fund for the Junior Lien Bonds are equal to the reserve fund requirement therefor.

At the end of any Bond Year, if the Department meets the Asset Test, the Department may direct the Trustee to transfer the Surplus Indenture Revenues (in excess of those required to be maintained under the Trust Indenture in order to permit the Department to continue to meet the Asset Test) to the trustee under the Junior Lien Trust Indenture to be used to originate mortgage loans as described in the Trust Indenture, to reimburse a bond insurer or credit provider for amounts provided under a bond insurance policy or other credit support or to originate junior lien mortgage loans, or the Department may apply such Surplus Indenture Revenues: (1) in any manner permitted during periods when the Department is not meeting the Asset Test, as described under "SECURITY FOR THE BONDS – Statement of Projected Revenues"; (2) (A) to the redemption of Bonds (and in the case of the Series 2023 Bonds, only on and after the optional redemption date); (B) to the payment of any Department Expenses; (C) to the establishment of reserves therefor, free and clear of the pledge and lien of the Trust Indenture; or (D) to the purchase of Bonds; and (3) any other purpose or payment authorized by the Act, free and clear of the pledge and lien of the Trust Indenture.

No Surplus Indenture Revenues may be applied in any way which would result in less than ninety percent (90%) of all amounts received by the Department with respect to the Mortgage Loans being used for the following purposes: (i) to pay the principal or Redemption Price of or interest on or purchase or otherwise to service the Bonds; (ii) to reimburse the Department for Department Expenses, or to pay for costs of issuance of the Bonds; (iii) to reimburse the Department, or to pay for administrative or other costs or anticipated future losses directly related to the Program; (iv) to acquire Mortgage Loans or other loans or mortgages financing residential real property in the State; and (v) to redeem or retire obligations of the Department

Debt Service Fund – Interest Account; Principal Account; Swap Agreement Periodic Payment Account; Redemption Account

The Trustee is required to pay out of the Interest Account by each Interest Payment Date the amount required for the interest payment on such date. The Trustee is required to pay out of the Principal Account by each principal installment due date, the amount required for the principal installment payable on such due date. By the redemption date for any Bonds, the Trustee is required to pay out of the Interest Account the amount required for the payment of interest on the Bonds to be redeemed. The Trustee is required to

pay the Swap Agreement Periodic Payment out of the Swap Agreement Periodic Payment Account on each Interest Payment Date.

Amounts in the Principal Account with respect to any sinking fund redemption (together with amounts in the Interest Account with respect to accrued interest on the Bonds to be so redeemed) are required to be applied by the Trustee to pay the Redemption Price of the Bonds to be so redeemed. Amounts in the Redemption Account (together with amounts in the Interest Account with respect to accrued interest on the Bonds to be redeemed from the Redemption Account) shall be applied by the Trustee to pay the Redemption Price of the Bonds to be redeemed or may (subject to the provisions of any supplemental indenture), at the direction of the Department, be transferred to the Revenue Fund if notice of redemption has not been published or mailed or such amounts have not been committed to the purchase of Bonds. As soon as practicable after the 40th day preceding the redemption date, the Trustee shall proceed to call for redemption, by giving notice as provided in the Trust Indenture, Bonds in such amount as shall be necessary to exhaust as nearly as possible the amounts in the Redemption Account. In the event that any supplemental indenture establishes a "special sinking fund bond payment," amounts in the Redemption Account representing any such special sinking fund bond payment shall be used only for the purpose of redeeming or purchasing the special sinking fund Bonds for which such payments were established.

Upon any purchase or redemption, other than a sinking fund redemption, of Bonds of any series and maturity for which sinking fund installments have been established, there shall be credited toward each such sinking fund installment thereafter to become due a proportional amount of the total principal amount of such Bonds so purchased or redeemed, or may be credited otherwise at the direction of the Department upon satisfaction of certain conditions set out in the Trust Indenture. The Trustee, at any time at the direction of the Department, is required to apply amounts available in the Principal Account or the Redemption Account to pay the principal portion of Bonds which the Department may purchase at a price (excluding accrued interest to the purchase date but including any brokerage or other charges), no greater than the applicable Redemption Price of such Bonds.

The Department has covenanted that it will only purchase Bonds or redeem Bonds pursuant to an optional or special redemption, out of amounts in the Redemption Account, if it has determined, on the basis of its most recent Statement of Projected Revenues, and other information available to the Department, that such action will not adversely affect the ability of the Department to pay, when due, the principal or Redemption Price of and interest on the Bonds.

Debt Service Reserve Account

If on any Interest Payment Date for the Bonds, the amount in the Principal Account is less than the amount required to pay the principal and Redemption Price of Bonds then payable, or the amount in the Interest Account shall be less than the amount required to pay interest then due on the Bonds, the Trustee is required to apply amounts from the Debt Service Reserve Account to the extent necessary to eliminate the deficiency first in the Interest Account and second in the Principal Account. Any amount on deposit in the Debt Service Reserve Account prior to the monthly allocation from the Revenue Fund that is in excess of the Debt Service Reserve Requirement will, upon the request of the Department, be transferred to the Revenue Fund.

Whenever the amount in the Debt Service Reserve Account, together with the amounts in the Debt Service Fund is sufficient to fully pay all Outstanding Bonds in accordance with their terms (including principal or Redemption Price and interest thereon), the funds on deposit in the Debt Service Reserve Account may be transferred to the Debt Service Fund for credit to the Redemption Account and the Interest Account, as appropriate.

The Debt Service Reserve Account Requirement is three percent (3%) of the current balance of Mortgage Loans outstanding (for Mortgage Loans represented by Mortgage Certificates the requirement is zero percent (0%)).

Special Mortgage Loan Fund

As a result of the issuance of certain Series of Bonds, the Trust Indenture established the Special Mortgage Loan Fund as a separate fund pledged (unless withdrawn as described in the next paragraph) to and available for payment of Debt Service on the Bonds. In the event of any shortfall in funds available to pay any Debt Service on the Bonds, the Depository shall, upon the request of the Trustee, transfer to the Trustee from the Special Mortgage Loan Fund any amount necessary to provide sufficient funds to pay the amount then due and owing.

Moneys on deposit in the Special Mortgage Loan Fund may be withdrawn by the Department for the purpose of acquiring from mortgage lenders Special Mortgage Loans (including participations therein). Special Mortgage Loans are mortgage loans which otherwise meet the requirements of the Code, applicable to mortgage loans financed with the proceeds of qualified mortgage bonds, which bear interest at a rate of zero percent (0%) per annum, and for which principal amortizes over the term of the loan. Special Mortgage Loans may not satisfy all Mortgage Loan requirements for a Program under the Trust Indenture.

Withdrawals from Funds to Pay Debt Service

If on any Interest Payment Date on the Bonds, the amount in the Interest Account or the Principal Account shall be less than the amount required to be in such Account in order to make payments then due, the Trustee shall transfer from the following Funds and Accounts in the following order of priority the amount of such deficit and apply such amount to pay aggregate Debt Service as necessary: (i) Redemption Account, (ii) Mortgage Loan Fund, and (iii) Debt Service Reserve Account.

None of the following are deemed available under the Trust Indenture for the payment of Debt Service on Bonds: (i) moneys in the Redemption Account which are to be used to redeem Bonds as to which notice of redemption has been given or committed to the purchase of Bonds, (ii) moneys in the Mortgage Loan Fund which are to be used to acquire or refinance Mortgage Loans (or Mortgage Certificates) with respect to which the Department has entered into commitments with borrowers or Mortgage Lenders, or (iii) Mortgage Loans credited to the Mortgage Loan Fund. Prior to withdrawing any amounts from the Mortgage Loan Fund, the Department shall file with the Trustee a Statement of Projected Revenues giving effect to such withdrawal, which shall project Revenues sufficient to pay Department Expenses and Debt Service when due in the then-current and each succeeding Bond Year. If there is not sufficient amount in all Funds and Accounts to pay all required principal, interest and Redemption Price on all Bonds, the available amounts will be applied in accordance with the provisions of the Trust Indenture.

Investments

Moneys held in the Mortgage Loan Fund, the Revenue Fund and the Debt Service Fund are required to be invested and reinvested by the Trustee or by any Depository holding all or a portion of the moneys in such Funds, in accordance with instructions from the Department and moneys held in the Expense Fund are required to be invested and reinvested by the Department or by any Depository holding all or a portion of the moneys in such Fund, in accordance with instructions from the Department, to the fullest extent practicable and if permitted by the Act, in Investment Securities (or certificates of deposit or time deposits) the principal of which the Department estimates will be received not later than such times as will be necessary to provide moneys when needed for payments to be made from each such Fund. See "APPENDIX F – SUMMARY OF INFORMATION REGARDING THE PROGRAM AND MORTGAGE LOANS,

PRIOR SWAP AGREEMENTS, PRIOR LIQUIDITY FACILITIES AND OTHER MATTERS – Texas Treasury Safekeeping Trust Company."

Interest earned from investing any moneys in any Fund or profits realized from any investments in such Fund are required to be retained in such Fund until it contains the amount required by the Trust Indenture to be deposited therein; thereafter such earnings and profits, net of any losses (except that which represents a return of accrued interest paid in connection with the purchase by the Department, the Trustee or any Depository of any investment or as otherwise provided in a Supplemental Indenture), are required to be transferred to the Revenue Fund. In computing the amount in any Fund or Account created under the provisions of the Trust Indenture for any purpose provided in the Trust Indenture, obligations purchased as an investment of moneys therein must be valued at their amortized value, computed as prescribed in the Trust Indenture.

Other Department Covenants

Prior to the beginning of each Bond Year the Department shall prepare and file with the Trustee an annual budget for the ensuing Bond Year. The Department may not expend any amount from the Expense Fund for Department Expenses for such year in excess of the amounts provided therefor in the annual budget as originally adopted or as amended. The Department shall keep proper books of records and accounts (separate from all other records and accounts) in which complete and correct entries shall be made of its transactions in accordance with generally accepted accounting principles. The Department shall annually, within 150 days after the close of each Bond Year, file with the Trustee, and otherwise as provided by law, a copy of an annual report for such year, accompanied by an accountant's certificate, including the following statements in reasonable detail: a statement of financial position as of the end of such year; a statement of Revenues and Department Expenses; and a summary, with respect to each Fund and Account established under the Trust Indenture of the receipts therein and disbursements therefrom during such year and the amounts held therein at the end of such year. The Department shall at all times appoint, retain and employ competent personnel for the purpose of carrying out the Program and shall establish and enforce reasonable rules, regulations, tests and standards governing the employment of such personnel at reasonable compensation, salaries, fees and charges, and all persons employed by the Department shall be qualified for their respective positions.

Events of Default

Each of the following events is an "Event of Default" under the Trust Indenture: (i) default in the due and punctual payment of the principal or Redemption Price of any Bond when due; (ii) default in the due and punctual payment of any installment of interest on any Bond or any sinking fund installment when due and the continuance of such default for a period of 30 days; (iii) default by the Department in the performance or observance of any other of its covenants, agreements, or conditions in the Trust Indenture or in the Bonds, and the continuance of such default for a period of 60 days after written notice thereof to the Department by the Trustee or to the Department and to the Trustee by the owners of not less than ten percent (10%) in principal amount of the Bonds Outstanding; or (iv) the commencement of various proceedings involving the Department in bankruptcy or seeking reorganization, arrangement, readjustment or composition of its debts or for any other relief under the federal bankruptcy laws or under any other insolvency act or law, state or federal, now or hereafter existing, or seeking the involuntary appointment of a receiver or trustee of the Department or for all or a substantial part of its property, and unless commenced by or consented to by the Department, their continuation for 90 days undismissed or undischarged.

Bondholders' Rights in the Event of Default

Acceleration. If an Event of Default occurs and is continuing, then the Trustee may and, upon the written request of the owners of not less than twenty-five percent (25%) in aggregate principal amount of

the Bonds then Outstanding, must, by written notice delivered to the Department, declare the principal of the Bonds then Outstanding and the interest accrued thereon immediately due and payable; subject, however, to the right of the owners of more than fifty percent (50%) in aggregate principal amount of the Bonds then Outstanding, by written notice to the Department and to the Trustee, to annul such declaration and destroy its effect at any time if all Events of Default, other than those arising from nonpayment of principal or interest due solely as a result of such acceleration, have been cured. Such annulment will not extend to nor affect any subsequent Event of Default nor impair or exhaust any right or power consequent thereon.

Other Actions by Trustee. If any Event of Default occurs and is continuing, then the Trustee may and, upon the written request of the owners of not less than twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding and upon being indemnified to its satisfaction, must: (i) by mandamus or other suit, action or proceeding at law or in equity require the Department to perform its covenants, representations and duties under the Trust Indenture; (ii) bring suit upon the Bonds; (iii) by action or suit in equity require the Department to account as if it were the trustee of an express trust for the owners of the Bonds; (iv) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the owners of the Bonds; or (v) take such other steps to protect and enforce its rights and the rights of the owners of the Bonds, whether by action, suit or proceeding in aid of the execution of any power granted in the Trust Indenture or for the enforcement of any other appropriate legal or equitable remedy.

Judicial Proceedings. If any Event of Default occurs and is continuing, then the Trustee may, and upon written request by the owners of not less than twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding, and upon being indemnified to its satisfaction, must, proceed by suit or suits, at law or in equity or by any other appropriate legal or equitable remedy, to enforce payment of the principal of and interest on the Bonds under a judgment or decree of a court or courts of competent jurisdiction or by the enforcement of any other appropriate legal or equitable remedy, as the Trustee deems most effectual to protect and enforce any of its rights or the rights of the owners of the Bonds under the Trust Indenture.

Application of Proceeds

The proceeds received by the Trustee in case of an Event of Default, together with all securities and other moneys which may then be held by the Trustee as a part of the Trust Estate, are required to be applied in order, as follows:

(a) to the payment of the reasonable and proper charges, expenses and liabilities of the Trustee;

(b) to the payment of the interest and principal or Redemption Price then due on the Bonds, as follows:

(i) unless the principal of all the Bonds shall have become or have been declared due and payable, to the payment to the persons entitled thereto of: first, all installments of interest then due, including Swap Agreement Periodic Payments then due, in order of maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installments maturing on the same date or Swap Agreement Periodic Payments then due, then to the payment thereof ratably, according to the amounts due thereon, without any discrimination or preference; and second, the unpaid principal or Redemption Price of any Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates, and, if the amount available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment

thereof ratably, according to the amounts of principal or Redemption Price due on such date, without any discrimination or preference;

(ii) if the principal of all the Bonds shall have become or have been declared due and payable, to the payment of the principal and interest then due and unpaid upon the Bonds, including Swap Agreement Periodic Payments then due and unpaid, without preference or priority of principal over interest or of interest over principal, including, in each case, Swap Agreement Periodic Payments, or of any installment of interest over any other installment of interest, including Swap Agreement Periodic Payments or of any Bond over any other Bond ratably, according to the amounts due respectively for principal and interest, including Swap Agreement Periodic Payments, to the persons entitled thereto without any discrimination or preference;

(c) to the payment of Swap Agreement Termination Payments but only to the extent that the amount available shall be sufficient to pay the principal or Redemption Price of and interest on any Junior Lien Bonds then due and payable prior to the payment of any amount in satisfaction of Swap Agreement Termination Payments; and

(d) to the payment of the amounts required for reasonable and necessary Department Expenses allocable to the Bonds, the Trust Indenture or the Program.

The Bank of New York Mellon Trust Company, N.A., a national banking association having a corporate trust office located in Jacksonville, Florida, serves as the Trustee for the Bonds issued under the Trust Indenture, including the Series 2023 Bonds. The Trustee is required to be removed if so requested by the owners of a majority in aggregate principal amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the Department. The Trustee may also resign. In either event, a successor is required to be appointed.

Supplemental Indentures without Consent of Bondholders

For any one or more of the following purposes and at any time or from time to time, a supplemental indenture of the Department may be adopted, which, upon filing with the Trustee a copy thereof, certified by an authorized officer of the Department, shall be fully effective in accordance with its terms: (i) to authorize Bonds of a Series and to specify the matters relative to such Bonds which are not contrary to or inconsistent with the Trust Indenture; (ii) to close the Trust Indenture against, or provide limitations on, the delivery of Bonds; (iii) to add to the covenants of the Department in the Trust Indenture; (iv) to add to the restrictions in the Trust Indenture other restrictions to be observed by the Department which are not inconsistent with the Trust Indenture; (v) to confirm the subjection to any lien or pledge created by the Trust Indenture of the Trust Estate or any other moneys; (vi) to modify any of the provisions of the Trust Indenture in any other respect, effective only after all Bonds of any Series Outstanding at the date of the adoption of such supplemental indenture shall cease to be Outstanding; (vii) to amend the Trust Indenture to permit its qualification under the Trust Indenture Act of 1939 or any state blue sky law; or (viii) to surrender any right conferred upon the Department by the terms of the Trust Indenture, provided that the surrender of such right is not inconsistent with the covenants of the Department contained in the Trust Indenture.

For any one or more of the following purposes and at any time or from time to time, a supplemental indenture may be adopted with the consent of the Trustee: (i) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision of the Trust Indenture; (ii) to insert such provisions clarifying matters or questions arising under the Trust Indenture as are necessary or desirable and are not contrary to or inconsistent with the Trust Indenture as theretofore in effect; or (iii) to provide for additional duties of the Trustee in connection with the Trust Estate, the Mortgage Loans or the Program.

Amendment of Indenture with Consent of Bondholders

Any modification or amendment of the Trust Indenture and of the rights and obligations of the Department and of the owners of the Bonds and coupons thereunder, in any particular, may be made by a Supplemental Indenture, with the written consent given as provided in the Trust Indenture (i) of the owners of at least 2/3 in aggregate principal amount of the Bonds Outstanding at the time such consent is given, and (ii) in case less than all of the several Series of Bonds then Outstanding are affected by the modification or amendment, of the owners of at least 2/3 in aggregate principal amount of the Bonds of each Series so affected and Outstanding at the time such consent is given, and (iii) in case the modification or amendment changes the terms of any sinking fund installment, of the owners of at least 2/3 in aggregate principal amount of the Bonds of the particular Series and maturity entitled to such sinking fund installment and Outstanding at the time such consent is given; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series and maturity remain Outstanding, the consent of the owners of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under these provisions.

No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the owner of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds of which the consent of the owners is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any fiduciary without its written assent thereto. For the purposes of the Trust Indenture, a Series is deemed to be affected by a modification or amendment of the Trust Indenture if the same adversely affects or diminishes the rights of the owners of the Bonds of such Series. The Trustee may in its discretion determine whether or not in accordance with the foregoing powers of amendment, Bonds of any particular Series or maturity would be affected by any modification or amendment of the Trust Indenture and any such determination shall be binding and conclusive on the Department and all owners of Bonds.

Defeasance

If the Department shall pay or cause to be paid, or there shall otherwise be paid, to the owners of all Bonds the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in the Trust Indenture, then the pledge of the Trust Estate under the Trust Indenture and all covenants, agreements and other obligations of the Department to the Bondholders, shall thereupon terminate.

Bonds or interest installments for the payment or redemption of which moneys shall be held in trust by the Trustee or the Paying Agents at the maturity or redemption date thereof shall be deemed to have been paid within the meaning of the Trust Indenture. In addition, all Outstanding Bonds of any Series shall be deemed to have been paid within the meaning of the Trust Indenture if (i) in case any of said Bonds are to be redeemed on any date prior to their maturity, the Department shall have given to the Trustee irrevocable instructions to give notice of redemption of such Bonds on said date, (ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Investment Securities the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee or Paying Agents at the same time shall be sufficient, to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on and prior to the redemption date or maturity date thereof, as the case may be, and (iii) in the event said Bonds are not be redeemed within the next succeeding 60 days, the Department shall have given the Trustee irrevocable instructions to give a notice to the owners of such Bonds that the deposit required by (ii) above has been made with the Trustee or the Paying Agents and that said Bonds are deemed to have been paid in accordance with the Trust

Indenture and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price, if applicable, on said Bonds.

If there are Junior Lien Bonds outstanding at the time all Bonds are defeased, all moneys or securities held by the Trustee and not required for the payment of principal or Redemption Price and interest on the Bonds shall be transferred to the trustee under the Junior Lien Trust Indenture.

Depositories

The Department may appoint one or more depositories to hold all or a designated portion of the moneys and investments subject to the lien and pledge of the Trust Indenture. Any depository appointed by the Department must be: (i) the Texas Treasury Safekeeping Trust Company; or (ii) a bank, trust company, a national banking association, a savings and loan association, savings bank, or other banking institution or association selected by the Department. See "APPENDIX F – SUMMARY OF INFORMATION REGARDING THE PROGRAM AND MORTGAGE LOANS, PRIOR SWAP AGREEMENTS, PRIOR LIQUIDITY FACILITIES AND OTHER MATTERS – Texas Treasury Safekeeping Trust Company."

All moneys and securities deposited with any Depository under the provisions of the Trust Indenture are required to be held in trust for the Trustee or the Department, as applicable, and the owners of the Bonds, and may not be applied in any manner that is inconsistent with the provisions of the Trust Indenture. Each Fund or Account held by the Depository shall be a trust fund for purposes of the Trust Indenture.

such debt service is payable, in excess of one hundred percent (100%) of (i) all Debt Service on the Bonds, including Swap Agreement Periodic Payments, (ii) amounts required to fund reserves for the Bonds, and (iii) all expenses of the Department in administering the programs related to the Bonds. See "APPENDIX E – SUMMARY OF INFORMATION REGARDING THE TRUST INDENTURE – Revenue Fund."

TEXAS TREASURY SAFEKEEPING TRUST COMPANY

The Department has entered into a Depository Agreement relating to the Bonds (as amended and supplemented, the "Depository Agreement"), by and among the Department, the Trustee, and the Texas Treasury Safekeeping Trust Company, a special-purpose trust company organized under the laws of the State of Texas (the "Trust Company"). Pursuant to the Depository Agreement, the Trust Company will hold all moneys and securities required to be credited to all Funds (other than the Principal Account, Interest Account, Swap Agreement Periodic Payment Account and Redemption Account of the Debt Service Fund, and the Expense Fund). All money and securities required by the Trust Indenture to be credited to such Funds and Accounts are required to be remitted to the Trust Company from time to time by the Department and the Trustee. The Trust Company is required to remit amounts from the appropriate accounts held by it to the Trustee at such times as are necessary to pay the principal or Redemption Price of and interest on the Bonds when due. Moneys held in the accounts held by the Trust Company are required to be invested by the Trust Company pursuant to instruction from the Department as described under "APPENDIX E – SUMMARY OF INFORMATION REGARDING THE TRUST INDENTURE – Investments." The Trust Company is required to hold all moneys and securities delivered to it under the Depository Agreement in trust for the benefit of the Department, the Trustee and the owners of the Bonds.

The Department has agreed to pay the Trust Company a fee for performing its duties under the Depository Agreement. The Department has the right to remove the Trust Company as Depository under the Depository Agreement at any time by filing a written notice with the Trustee and the Trust Company to that effect. The Trust Company may resign as Depository under the Depository Agreement by giving at least 60 days' written notice to the Department and the Trustee of its determination to resign. Upon any such removal or resignation, the Trust Company is required to deliver all moneys and securities held by it under the Depository Agreement to its successor thereunder, or, if there is no successor, to the Trustee.

LEGALITY FOR INVESTMENT

The Act provides that all obligations issued by the Department are legal and authorized investments for banks, savings banks, trust companies, savings and loan associations, insurance companies, fiduciaries, trustees, guardians, and the sinking and other public funds of the State, municipalities, counties, school districts, and other political subdivisions and public agencies of the State.

The Act also provides that all obligations issued by the Department are eligible and lawful security for all deposits of public funds of the State and all public agencies to the extent of the par or market value thereof, whichever is greater.

To the extent that the Series 2023 Bonds constitute "collateralized mortgage obligations that have a stated final maturity of greater than 10 years" within the meaning of the Texas Public Funds Investment Act, the Series 2023 Bonds are not an "authorized investment" for a state agency, a local government, or other investing entity subject to the provisions of the Public Funds Investment Act.

No representation is made that the Series 2023 Bonds will be acceptable to public entities to secure their deposits or acceptable to such institutions for investment purposes. The Department has made no investigation of other laws, rules, regulations or investment criteria which might apply to any such persons or entities or which might otherwise limit the suitability of the Series 2023 Bonds for any of the foregoing purposes or limit the authority of such persons or entities to purchase or invest in the Series 2023 Bonds for such purposes.

DTC AND BOOK-ENTRY

DTC will act as securities depository for the Series 2023 Bonds. The Series 2023 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered certificate will be issued for each maturity of the Series 2023 Bonds, in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of Series 2023 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2023 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2023 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' Records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2023 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2023 Bonds, except in the event that use of the book-entry system for the Series 2023 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2023 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2023 Bonds with DTC and their

registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2023 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2023 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2023 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2023 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the bond documents. For example, Beneficial Owners of Series 2023 Bonds may wish to ascertain that the nominee holding the Series 2023 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2023 Bonds within a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed, unless other arrangements are made between the Department and DTC. See "THE SERIES 2023 BONDS – Redemption Provisions."

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2023 Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Department as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2023 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, principal and interest payments on the Series 2023 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Department or the Trustee, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the Department, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, and principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Department or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2023 Bonds at any time by giving reasonable notice to the Department or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, bond certificates are required to be printed and delivered.

The Department may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, bond certificates will be printed and delivered.

The information in this section concerning DTC and DTC's book-entry system has been obtained from DTC and is not guaranteed as to accuracy or completeness by, and is not to be construed as a representation of, the Department, or the Trustee.

The Department, the Underwriters and the Trustee cannot and do not give any assurances that DTC, the Direct Participants or the Indirect Participants will distribute to the Beneficial Owners of the Series 2023 Bonds (i) payments of principal of or interest and premium, if any, on the Series 2023 Bonds, (ii) certificates representing an ownership interest or other confirmation of beneficial ownership interest in Series 2023 Bonds, or (iii) redemption or other notices sent to DTC or Cede & Co., its nominee, as the registered owner of the Series 2023 Bonds, or that they will do so on a timely basis, or that DTC, Direct Participants or Indirect Participants will serve and act in the manner described in this Official Statement. The current "Rules" applicable to DTC are on file with the Securities Exchange Commission, and the current "Procedures" of DTC to be followed in dealing with Direct Participants are on file with DTC.

NEITHER THE DEPARTMENT, THE UNDERWRITERS NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO ANY DIRECT PARTICIPANT, INDIRECT PARTICIPANT OR ANY BENEFICIAL OWNER OR ANY OTHER PERSON WITH RESPECT TO: (1) THE SERIES 2023 BONDS; (2) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT; (3) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OR REDEMPTION PRICE OF OR INTEREST ON THE SERIES 2023 BONDS; (4) THE DELIVERY BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE TRUST INDENTURE TO BE GIVEN TO OWNERS OF SERIES 2023 BONDS; (5) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF SERIES 2023 BONDS; OR (6) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS A BONDHOLDER.

Discontinuation of Book-Entry Only System

In the event that the book-entry-only system is discontinued by DTC or the Department, the following provisions will be applicable to the Series 2023 Bonds. Series 2023 Bonds may be exchanged for an equal aggregate principal amount of Series 2023 Bonds in other Authorized Denominations of the same Series and maturity upon surrender thereof at the applicable corporate trust office of the Trustee with a duly executed assignment in form satisfactory to the Trustee. The transfer of any Series 2023 Bond may be registered on the books maintained by the Trustee for such purpose only upon the surrender of such Series 2023 Bond to the Trustee with a duly executed assignment in form satisfactory to the Trustee. For every exchange or transfer of registration of Series 2023 Bonds, the Department or the Trustee may make a charge sufficient to reimburse it or them for any tax, fee, or other governmental charge required to be paid with respect to such exchange or registration of transfer, as well as the administrative expenses, if any, charged by the Trustee for the transfer or exchange. The Trustee will not be required to transfer or exchange any Series 2023 Bond for a period of 20 days next preceding an interest payment date on such Series 2023 Bonds or next preceding any selection of Series 2023 Bonds to be redeemed or thereafter until after mailing of any notice of redemption on any Series 2023 Bonds called for redemption, or transfer or exchange any Series 2023 Bonds called for redemption. The Department and the Trustee may treat the Person in whose name a Series 2023 Bond is registered as the absolute owner thereof for all purposes, whether such Series 2023 Bond is overdue or not, for the purpose of receiving payment of, or on account of the principal of, interest on, such Series 2023 Bond. If any Series 2023 Bond is not presented for payment when the principal or the Redemption Price therefor becomes due, and if moneys sufficient to pay such Series 2023 Bond (or the portion thereof called for redemption) or such interest, as is applicable, have been deposited under the

Trust Indenture, all liability of the Department to the owner thereof for the payment of such Series 2023 Bonds (or portion thereof) or such interest, as applicable, will be discharged, and thereupon it shall be the duty of the Trustee to hold such money for the benefit of the owner of the applicable Series 2023 Bond, who will thereafter be restricted exclusively to such money, for any claim on his or her part under the Trust Indenture or on or with respect to, such principal, Redemption Price and/or interest. Money not claimed within three years will be turned over to the Comptroller of Public Accounts of the State of Texas (the "Comptroller"), in accordance with Title 6, Texas Property Code.

THE PROGRAM AND THE MORTGAGE LOANS

The Department has established a Single Family Mortgage Revenue Bond Program ("Program") pursuant to the Act for the purpose of assisting in financing the costs of acquisition of residences within the State of Texas by Eligible Borrowers (as described below). The component of the Program relating to the Series 2023 Bonds has been designated as the Department's Bond Program No. 105 ("Program 105"). In connection with the issuance of the Series 2023A Bonds and the Prior Bonds and any additional Bonds, the Department purchased or shall purchase certain qualified Mortgage Loans (or participations therein) or Mortgage Certificates backed by Mortgage Loans originated by commercial banks, savings and loan associations, mortgage companies, non-profit corporations, and other qualified financial institutions (the "Mortgage Lenders"). As a result of the issuance of the Series 2023A Bonds, the Trustee on behalf of the Department has agreed to purchase 2023 A Mortgage Certificates.

General

The guidelines adopted by the Department from time to time in connection with the Program establish the eligibility of lenders to participate in the Program, time limitations with respect to commitments for and originations of Mortgage Loans, the types of Mortgage Loans eligible for purchase by the Servicer, the eligibility of mortgagors, the requirements for dwellings which secure Mortgage Loans, the fees which a Mortgage Lender may charge to originate a Mortgage Loan, the fees which a lending institution may charge for servicing a Mortgage Loan, as well as other aspects of the Program. In connection with each phase of the Program, the Department and the respective Mortgage Lenders executed origination, sale and servicing agreements or mortgage origination agreements and program supplements or program guidelines (collectively, the "Agreement"). The Agreement obligated or will obligate the Mortgage Lenders to use their best efforts to originate and sell to the Department Mortgage Loans in conformity with the guidelines. Each Mortgage Loan will be reviewed, prior to acquisition, by the Compliance Agent designated by the Department for compliance with applicable provisions of the Program as set forth in the guidelines and with applicable provisions of federal income tax laws. The procedures set forth in the Agreement are established by the Department after consideration of standards and requirements customary in the secondary mortgage market. The Department anticipates that it may revise its procedures from time to time to conform with changes in the procedures followed by Fannie Mae, RHS, Ginnie Mae, VA, or other major secondary mortgage market institutions.

Down Payment Assistance

The Department expects that certain proceeds made available through the issuance of the Series 2023A Bonds and the Series 2023B Bonds will be made available for Mortgage Loans made to Eligible Borrowers without an accompanying DPA Loan ("Low Rate Option"), borrowers choosing the Low Rate Option do not receive down payment or closing cost assistance. The remaining proceeds will be used to originate and pool Mortgage Loans accompanied by a DPA Loan ("Assisted Option") that provides funds for down payment and closing cost assistance in the form of a 0%, non-amortizing, 30-year second loan that is due on sale or refinance, or repayment of the first lien mortgage and may be either forgiven on the 3-year or 5-year anniversary, or have a thirty year term. Mortgage Loans originated through the Assisted

Option are expected to receive three, four, or five points of down payment and closing cost assistance. The Department reserves the right to modify the down payment assistance options available through the Program at any time.

Mortgage Lender Reservations – First Come, First-Served

No funds made available through Program 105 will be allocated to any specific Mortgage Lenders. Rather, all of such funds will be made available to Mortgage Lenders on a controlled first-come, first-served basis.

Low Income Reservation

For the first one year period of Program 105 (or such longer period as determined by the Department), the Department is requiring that thirty percent (30%) of the funds made available through the issuance of the Series 2023A Bonds be set aside for Mortgage Loans for individuals and families not exceeding eighty percent (80%) of applicable median family income ("AMFI").

Since January 1, 2021, approximately 68% of the Mortgage Loans originated by the Department that were eligible for inclusion in a tax-exempt bond issue and were securitized into Ginnie Mae Certificates were made to borrowers at or below 80% of AMFI.

Low and Moderate Income Reservation

The remaining lendable funds will be made available for Mortgage Loans to Eligible Borrowers of low and moderate incomes whose family income does not exceed, for families of three persons or more, one hundred fifteen percent (115%) (one hundred forty percent (140%) in targeted areas) of AMFI, and, for individuals and families of one or two persons, one hundred percent (100%) (one hundred twenty percent (120%) in targeted areas) of AMFI.

Eligible Borrowers

Each Mortgage Loan is required to be made to a person whose family income does not exceed certain income limits. In addition, to be eligible for a Mortgage Loan an applicant must be a person: (i) who intends to occupy the residence to be financed with such Mortgage Loan as his or her principal residence within a reasonable period; (ii) who, except in the case of certain targeted area loans, certain exception loans hereinafter described, and certain homes falling into the Contract for Deed Exception, has not had a present ownership interest in a principal residence at any time during the three-year period preceding the date of execution of the Mortgage; and (iii) who has not had an existing mortgage on the residence (other than a mortgage falling into the Contract for Deed Exception) to be financed with such Mortgage Loan at any time prior to the execution of the Mortgage, other than certain permitted temporary financing mortgages. The Department, subject to the requirements of applicable provisions of federal income tax law and applicable regulations, may approve a limited number of exception loans that do not satisfy the requirement described in clause (ii) in the immediately preceding sentence. The maximum income for Eligible Borrowers varies according to family size and location.

Eligible Property

Each residence financed with a Mortgage Loan must consist of real property and improvements permanently affixed thereon which is located within the State of Texas. Each residence must be a single-family, owner-occupied attached or detached structure, a single-family condominium unit or a single unit in a planned unit development ("PUD") or a single unit in a qualifying duplex, triplex, or four-plex. Each

residence financed with a Mortgage Loan must have an acquisition cost (the "Maximum Acquisition Cost") not exceeding certain acquisition cost limits established by the Department from time to time. The Maximum Acquisition Cost varies according to location.

Mortgage Loans

The Department is not permitted under the Trust Indenture to sell, assign, transfer, or otherwise dispose of any Mortgage Loan or any of the rights of the Department with respect to any Mortgage Loan unless the Department determines that such action is in the best interests of the Department and the Bondholders and will not adversely affect the ability of the Department to pay when due the principal or Redemption Price of and interest on the Bonds, in which case such Mortgage Loan may be so disposed of by the Department free and clear of the lien of the Trust Indenture. See "Sale of Mortgage Certificates."

The Department shall not consent or agree to or permit any amendment or modification of any Mortgage Loan which will in any manner materially impair or materially adversely affect the rights or security of the Bondholders under the Trust Indenture in such Mortgage Loan.

Compliance with Tax Law and Program Guidelines

Each Mortgage Lender was required or will be required to follow certain procedures in the origination of Mortgage Loans to insure compliance with the mortgage eligibility requirements of applicable federal income tax laws and other requirements applicable to the Mortgage Loans. These procedures will include, but may not be limited to, the following: (i) obtaining affidavits of the borrower and seller and certificates of lender, providing and certifying certain information regarding borrower income, home acquisition cost, and other loan information; (ii) reviewing the contents of the affidavits and certificates with the persons executing them prior to the execution thereof; (iii) except in the case of certain targeted area loans or certain other exception loans, obtaining signed or certified copies of the borrower's federal income tax returns or federal tax transcripts for the preceding three years to verify that the borrower did not claim deductions for taxes or interest on indebtedness with respect to real property constituting his or her principal residence or a borrower's affidavit that he or she was not required to file such a return during one or more of the preceding three years; (iv) performing such additional investigations as may be appropriate under the circumstances to verify that the requirements of applicable federal income tax laws are satisfied as of the date of the execution of the Mortgage; (v) reviewing the draft settlement statement to assure that all fees and charges and settlement and financing costs comply with the applicable requirements; (vi) carrying out such additional verification procedures as may be reasonably requested by the Department, its designated compliance agent, or the Trustee. If any Mortgage Loan fails to meet the guidelines established by the Department, the originating Mortgage Lender will be required to correct such failure within a reasonable time after such failure is discovered by either repurchasing the non-qualifying Mortgage Loan in full or by replacing the non-qualifying Mortgage Loan with a Mortgage Loan which meets the applicable requirements.

Servicing

The Master Servicer may deduct its servicing fees directly from amounts received on such Mortgage Loans. As compensation for its duties as servicer of Mortgage Loans, the Master Servicer will be entitled to receive a monthly servicing fee.

Servicing of the Mortgage Loans is required to be carried out in accordance with generally accepted practices in the mortgage lending industry and in accordance with the servicing standards set forth in the GNMA Guide, Freddie Mac Guide or the Fannie Mae Guides, as applicable. In particular, the Master Servicer will be required to pursue collection on the applicable Mortgage Loans with prudence and

diligence, manage foreclosure or assignment procedures, and file, process and receive the proceeds from FHA mortgage insurance, VA or RHS guaranty claims, or private mortgage insurance. All proceeds received by the Master Servicer with respect to a Mortgage Loan included in a GNMA Certificate must be deposited into the GNMA Issuer's Primary Custodial Account and administered by the Master Servicer and the GNMA Paying Agent as more fully described herein in "APPENDIX B-1 - GNMA AND THE GNMA CERTIFICATES."

The Master Servicer, as servicer of the Mortgage Loans, must provide to the Department and such other person specified in a Supplemental Indenture, audited financial statements on an annual basis and monthly reports relating to Mortgage Loan originations and purchases. The Master Servicer may not resign from its servicing duties unless it is determined that its duties are no longer permissible under applicable laws and then only upon the assumption of the servicing duties by a successor servicer acceptable to FHA, VA, Ginnie Mae, Freddie Mac, Fannie Mae and the Department. In the event the Master Servicer is in material breach of its servicing obligations imposed by Ginnie Mae, Freddie Mac, Fannie Mae or the Department or a material adverse change has occurred in the financial condition of the Master Servicer, the Department, with the approval of Ginnie Mae, Freddie Mac, and Fannie Mae, may terminate the Master Servicer's servicing rights and transfer and assign those rights to another Fannie Mae-, Freddie Mac-, and Ginnie Mae-approved servicer.

Per the Servicing Agreement, the Department may be required to reimburse the Master Servicer for Principal and Interest payments advanced, related to delinquent Mortgage Loans, in accordance with GNMA guidelines. Due in part to above average delinquencies, primarily related to COVID-19, the Department is experiencing above average delinquencies, and as such, reimbursed the Master Servicer for advances made in November and December of 2022. The Servicer was recently notified by the Department that it was seeking a reimbursement of advances in the amount of approximately \$2 million made in March of 2021, which the Department has paid. No advance was required in January through April 2023. The amount, timing, or need for future advances cannot be determined in advance. These reimbursements are made from surplus revenues from the Department's Single Family Mortgage Revenue Bond Trust Indenture and the Master Indenture. The Department anticipates return of the advanced reimbursements as delinquencies normalize.

The Master Servicers

Idaho Housing and Finance Association ("Idaho HFA") will serve as Master Servicer of Mortgage Loans related to the Series 2023A Bonds. As of February 28, 2023, Idaho HFA participates as Master Servicer for the Department for approximately 4,128 Mortgage Loans financed with the proceeds of the Prior Bonds, which Mortgage Loans had an outstanding principal balance of \$789,175,104.

Under the terms of the servicing agreement relating to the Series 2023 Bonds (the "Servicing Agreement"), the Department may terminate the Servicing Agreement without cause upon 120 days advance written notice to the Idaho HFA. The Department may terminate the Servicing Agreement (subject to any applicable cure period) upon the occurrence of certain events. The Servicing Agreement has an approximately three year initial term ending on October 1, 2024, with up to three one-year extensions as mutually agreed. If the Department terminates the Servicing Agreement for cause, then all power of the Idaho HFA under the Servicing Agreement shall be vested in the substitute Master Servicer.

("CTC"), succeeded Wells Fargo Bank, National Association as of November 1, 2021, as to its custodial duties for Mortgage Loans originated by the Master Servicer. On August 4, 2022, Idaho HFA signed, and the Department acknowledged, a new Custodial Agreement with Deutsche Bank National Trust Company as custodian for the mortgage loans.

If the Department terminates the Servicing Agreement for cause pursuant to its terms, the Idaho HFA shall, consistent with GNMA and Fannie Mae or Freddie Mac standards, make a full accounting and transfer and deliver to the Department, or its designee, all documents and moneys relating to the eligible mortgage loans which are then in the Idaho HFA's possession or under its custody or control, and thereupon all rights and duties of the Idaho HFA and its rights to further compensation shall cease.

Sale of Mortgage Certificates

The Department may sell Mortgage Certificates in whole or part only upon delivery by the Department of (i) a statement of Projected Revenues establishing that such sale will not adversely affect the ability of the Department to pay when due the principal or the Redemption Price of and interest on the Bonds and (ii) written confirmation from each Rating Agency that such sale will not adversely affect the then current ratings on the Bonds (determined without regard to any bond insurance or similar credit enhancement). If proceeds from the sale of the Mortgage Certificates are to be applied to the redemption of Series 2023 Bonds, such Series 2023 Bonds must be redeemed under the applicable optional redemption provision.

Investment of Funds

Moneys in all Funds will be invested pursuant to the Depository Agreement with the Texas Treasury Safekeeping Trust Company in Investment Securities. See "APPENDIX F – SUMMARY OF INFORMATION REGARDING THE PROGRAM AND MORTGAGE LOANS, PRIOR SWAP AGREEMENTS, PRIOR LIQUIDITY FACILITIES AND OTHER MATTERS – Texas Treasury Safekeeping Trust Company." Moneys held or invested in all Funds and Accounts under the Trust Indenture (other than the Rebate Account, the Swap Agreement Termination Payment Subaccount and the Swap Agreement Termination Receipt Subaccount of the Surplus Revenues Account of the Revenue Fund and the Policy Payments Account) are for the equal and ratable benefit of all owners of the Bonds.

The ability of the Department to make timely payments of principal of and interest on the Series 2023 Bonds and the Prior Bonds, could be affected if the parties to the various investment agreements for the Prior Bonds do not honor their obligations thereunder to repay such moneys and the interest thereon at the times and rates set forth in the respective investment agreements.

The Department has adopted an investment policy (the "Investment Policy") which applies to all financial assets of the Department. The Investment Policy's objectives, in the order of priority, are as follows: (1) safety of principal, (2) sufficient liquidity to meet Department cash flow needs, (3) achievement of a market rate of return on investments, and (4) conformance with all applicable State statutes, particularly the Public Funds Investment Act, Chapter 2256, Texas Government Code, as amended. With respect to

bond proceeds, the Investment Policy provides that such proceeds should be invested in accordance with the applicable law, in particular the Public Funds Investment Act and as permitted by the applicable trust indenture.

OTHER DEPARTMENT PROGRAMS

The Department administers a variety of programs, in addition to its single family mortgage revenue bond program, that also fulfill its goals of providing safe and affordable housing throughout the State. Some of these programs may overlap or compete with the Program.

Taxable Mortgage Program

In addition to the Program, the Department offers mortgage loan financing options through its Taxable Mortgage Program (the "TBA Program"). Currently, all mortgage loans originated through the TBA Program are accompanied by a DPA Loan through which the mortgagor receives funds for down payment and closing cost assistance in the form of a 0%, non-amortizing, second lien loan that is due on sale, refinance, or repayment of the first lien mortgage and may be either forgiven on the 3-year or 5-year anniversary, or have a thirty year term. The Department, however, intends to offer certain mortgage loans originated through the TBA Program without an accompanying DPA Loan. Mortgage loans originated through the TBA Program are pooled into mortgage-backed securities that are sold to third-party investors. *Neither the mortgage loans nor the mortgage-backed securities originated through the TBA Program are pledged to the Indenture.* Below is a description of current loan options available through the TBA Program.

Bond Eligible Loans. Provided through the Department's My First Texas Home program, these loans typically offer the lowest mortgage rates available through the TBA Program. Borrowers must be Eligible Borrowers (including meeting the first-time homebuyer requirement). Income qualification is performed in accordance with IRS requirements for tax exempt mortgage revenue bonds, and loan documents include standard tax exempt loan documentation (such as tax exempt riders and recapture disclosure). Typically, mortgage loans may be originated as Bond Eligible Loans when the Department has no bond proceeds available. When bond proceeds are available, mortgage loans are typically reserved and originated through the Single Family Mortgage Revenue Bond Program.

Combo Loans. Offered through the Department's My First Texas Home program, these loans include a Mortgage Credit Certificate (MCC) issued by the Department to the borrower. Borrowers must be Eligible Borrowers and must meet the first-time homebuyer requirement; income qualification is performed in accordance with IRS requirements for tax exempt mortgage revenue bonds. Combo Loans are not eligible for inclusion in a tax-exempt bond program.

Taxable Loans. Offered through the Department's My Choice Texas Home program, these loans provide the most qualification flexibility. Borrowers must meet the requirements for an Eligible Borrower except that there is no first-time homebuyer requirement and income qualification is performed using standard 1003 credit qualifying income. Taxable Loans are not eligible for inclusion in a tax-exempt bond program.

Residential Mortgage Revenue Bond Program

The Department administers a residential revenue bond program that finances mortgage loans to certain qualified first-time homebuyers, which is similar to the Program. For information regarding this program see "APPENDIX D-2 – BOND SUMMARY OF THE TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS."

Homeowners Assistance Fund

The Department will administer, on behalf of the State of Texas, \$842,214,006 of Homeowner Assistance Funds made available through the American Rescue Plan Act, and expects those funds to be used for a Reinstatement Program to reduce or eliminate mortgage loan delinquencies and prevent foreclosure and homeowner displacement for homeowners at or below the greater of 100% AMFI or 100% of the U.S. Median Income.

PRIOR SWAP AGREEMENTS

In connection with the issuance of the certain Prior Bonds, the Department has entered into the following interest rate swap agreements with the respective swap providers described below (the "Prior Swap Providers"), as shown in the table below. Under each of the Prior Swap Agreements, the Department is obligated to make payments to the related Swap Provider at a fixed rate and is to receive from such Swap Provider a floating rate payment based upon the variable rate index shown in the table.

Related Series	Swap Provider	Initial Notional Amount	Fixed Rate	Variable Rate Index
2005 Series A	JPMorgan Chase Bank, N.A.	\$100,000,000	4.01%	Lesser of (the greater of 65% of LIBOR and 56% of LIBOR + .45%) and LIBOR
2007 Series A	JPMorgan Chase Bank, N.A.	\$143,005,000	4.013%	Lesser of (the greater of 65% of LIBOR and 56% of LIBOR + .45%) and LIBOR

Scheduled payments under the Prior Swap Agreements are subordinate to payments of principal and interest on the Bonds.

The Prior Swap Agreements present certain financial risks to the Department under the Indenture. See "BONDHOLDER RISKS – Swap Basis Risk" and "– Swap Termination Risk" herein.

PRIOR LIQUIDITY FACILITIES

General

In connection with certain variable rate Prior Bonds, the Department entered into liquidity agreements (the "Prior Liquidity Facilities") with the Texas Comptroller of Public Accounts (the "Comptroller"), which succeeded the original liquidity facilities provided at issuance of certain Prior Bonds by the original liquidity facility providers. The Bondholders of such Prior Bonds have the right, and in certain circumstances may be required, to tender such Prior Bonds at a purchase price equal to 100% of the principal amount thereof, plus accrued interest, if any, to the date of purchase. The purchase price of any such Prior Bonds tendered or deemed tendered for purchase and not remarketed by the purchase date will (subject to certain conditions) be payable from amounts made available under the respective Prior Liquidity Facilities.

Bond Series	Outstanding Bond Amount 2/28/2023	Bank Bonds 2/28/2023	Liquidity Provider	Liquidity Facility Expiration Date ⁽¹⁾
2005A	\$8,160,000	–	Texas Comptroller	8/31/2023
2007A	\$6,560,000	–	Texas Comptroller	8/31/2023

⁽¹⁾ Effective September 1, 2021, the termination dates under the Prior Liquidity Facilities was extended to August 31, 2023.

Variable Rate Bondholders and Liquidity Facilities

The Prior Liquidity Facilities are scheduled to expire prior to the scheduled final maturity of the related Prior Bonds. In connection with any such scheduled expiration, the Department may take various actions, including, but not limited to, extending, with the consent of the Comptroller, the scheduled expiration of a Prior Liquidity Facility, obtaining a substitute liquidity facility to replace the existing Prior Liquidity Facility, or causing the related Prior Bonds to be converted to a fixed rate or to bear interest at an interest rate mode that does not require a liquidity facility. Under certain circumstances, the Comptroller may terminate a Prior Liquidity Facility without affording the applicable Bondholders a right to optionally tender their Prior Bonds. No assurance is given that the Department will be able or will choose to extend the scheduled expiration on any particular Prior Liquidity Facility or obtain a substitute liquidity facility to replace a Prior Liquidity Facility upon terms substantially similar to the terms of the existing Prior Liquidity Facility.

DEPARTMENT PROGRAMS ADDRESSING COVID-19 PANDEMIC RESPONSE

[THIS PAGE INTENTIONALLY LEFT BLANK]

TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS

**TDHCA One-Time or Temporary Allocations – Pandemic Response and Other Initiatives
Report for April 13, 2023**

This report reflects one-time or temporary federally awarded allocations of funds, in addition to those funds focused specifically on the programs TDHCA has targeted to assist with Texas’ response to COVID-19. Programs reflected include those that were reprogramming of existing funds and those awarded through the administration of federal bills. All completed programs are reported at the end of the report.

PERFORMANCE TO DATE ACROSS ALL OPEN AND CLOSED PROGRAMS

Cumulative Performance to Date Across All Programs Reported			
Total of All Funding	Total Funds Obligated^{1,2}	Total Funds Spent¹	Total Served to Date^{3,4,5}
\$4,476,986,032	\$3,538,200,165 (79%)	\$3,289,254,096 (73%)	428,812 households & 4,227,391 persons

1. May include administrative funds obligated and expended. 2. For TRR and HAF, funds are only considered 'Obligated' when they are expended. 3. Based on reporting requirements, some programs report households and some report persons. Persons reported above do not comprise the members of the households reported, but are separate persons assisted. 4. For comparability purposes, if the average Texas household size of 2.83 is applied to the number of households served and converted to an estimate of individuals, that estimate would be 1,213,255; when combined with the 4,227,391 of individuals reported that would result in an estimated 5,440,646 individuals assisted with these programs. 5. An additional 583,247 meals were served through the HSS Program that are not otherwise reflected in either the count of households or persons served.
