

## Multifamily Housing Revenue Bond Rules

### §12.1. General.

**(a) Authority.** The rules in this chapter apply to the issuance of multifamily housing revenue bonds ("Bonds") by the Texas Department of Housing and Community Affairs ("Department"). The Department is authorized to issue Bonds pursuant to Texas Government Code, Chapter 2306. Notwithstanding anything in this chapter to the contrary, Bonds which are issued to finance the Development of multifamily rental housing are subject to the requirements of the laws of the State of Texas, including but not limited to Texas Government Code, Chapters 1372 and 2306, and federal law pursuant to the requirements of Internal Revenue Code ("Code"), §142.

**(b) General.** The purpose of this chapter is to state the Department's requirements for issuing Bonds, the procedures for applying for Bonds and the regulatory and land use restrictions imposed upon Bond financed Developments. The provisions contained in this chapter are separate from the rules relating to the Department's administration of the Housing Tax Credit program. Applicants seeking a Housing Tax Credit Allocation should consult Chapter 11 of this title (relating to the Housing Tax Credit Program Qualified Allocation Plan) and Chapter 10 of this title (relating to Uniform Multifamily Rules) for the current program year. In general, the Applicant will be required to satisfy the requirements of the Qualified Allocation Plan ("QAP") and Uniform Multifamily Rules in effect at the time the Certificate of Reservation is issued by the Texas Bond Review Board. If the applicable QAP or Uniform Multifamily Rules contradict rules set forth in this chapter, the applicable QAP or Uniform Multifamily Rules will take precedence over the rules in this chapter. The Department encourages participation in the Bond program by working directly with Applicants, lenders, Bond Trustees, legal counsels, local and state officials and the general public to conduct business in an open, transparent and straightforward manner.

**(c) Costs of Issuance.** The Applicant shall be responsible for payment of all costs related to the preparation and submission of the pre-application and Application, including but not limited to, costs associated with the publication and posting of required public notices and all costs and expenses associated with the issuance of the Bonds, regardless of whether the Application is ultimately approved or whether Bonds are ultimately issued. At any stage during the process, the Applicant is solely responsible for determining whether to proceed with the Application and the Department disclaims any and all responsibility and liability in this regard.

**(d) Taxable Bonds.** The Department may issue taxable Bonds and the requirements associated with such Bonds, including occupancy requirements, shall be determined by the Department on a case by case basis.

**(e) Waivers.** Requests for waivers of program rules must be made in accordance with §10.207 of this title (relating to Waiver of Rules for Applications).

### §12.2. Definitions.

The following words and terms, when used in this chapter, shall have the following meanings, unless the context clearly indicates otherwise. Any capitalized terms not specifically mentioned in this section shall have the meaning as defined in Texas Government Code, Chapter 2306, §§141, 142, and 145 of the Internal Revenue Code, and Chapter 10 of this title (relating to Uniform Multifamily Rules).

- (1) Institutional Buyer--Shall have the meaning prescribed under 17 CFR §230.501(a), but excluding any natural person or any director or executive officer of the Department (17 CFR §230.501(a)(4) - (6)), or as defined by 17 CFR §230.144(A), promulgated under the Securities Act of 1935, as amended.
- (2) Persons with Special Needs--Shall have the meaning prescribed under Texas Government Code, §2306.511.
- (3) Bond Trustee--A financial institution, usually a trust company or the trust department in a commercial bank, that holds collateral for the benefit of the holders of municipal securities. The Bond Trustee's obligations and responsibilities are set forth in the Indenture.

### **§12.3. Bond Rating and Investment Letter.**

**(a) Bond Ratings.** All publicly offered Bonds issued by the Department to finance Developments shall have a debt rating the equivalent of at least an "A" rating assigned to long-term obligations by Standard & Poor's Ratings Services, a division of The McGraw-Hill Companies, Inc. or Moody's Investors Service, Inc. If such rating is based upon credit enhancement provided by an institution other than the Applicant or Development Owner, the form and substance of such credit enhancement shall be subject to approval by the Board, evidenced by a resolution authorizing the issuance of the credit enhanced Bonds.

**(b) Investment Letters.** Bonds rated less than "A," or Bonds which are unrated must be placed with one or more Institutional Buyers and must be accompanied by an investor letter acceptable to the Department. Subsequent purchasers of such Bonds shall also be qualified as Institutional Buyers and shall execute and deliver to the Department an investor letter in a form satisfactory to the Department. Bonds rated less than "A" and Bonds which are unrated shall be issued in physical form, in minimum denominations of one hundred thousand dollars (\$100,000), and shall carry a legend requiring any purchasers of the Bonds to sign and deliver to the Department an investor letter in a form acceptable to the Department.

### **§12.4. Pre-Application Process and Evaluation.**

**(a) Pre-Inducement Questionnaire.** Prior to the filing of a pre-application, the Applicant shall submit the Pre-Inducement Questionnaire, in the form prescribed by the Department, so the Department can get a preliminary understanding of the proposed Development plan before a pre-application and corresponding fees are submitted. Information requested by the Department in the questionnaire includes, but is not limited to, the financing structure, borrower and key principals, previous housing tax credit or private activity bond experience, related party or identity of interest relationships and contemplated scope of work (if proposing Rehabilitation). After reviewing the pre-inducement questionnaire, Department staff will follow-up with the Applicant to discuss the next steps in the process and may schedule a pre-inducement conference call or meeting. Prior to the submission of a pre-application, it is important that the Department and Applicant communicate regarding the Department's objectives and policies in the development of affordable housing throughout the State using Bond financing. The acceptance of the questionnaire by the Department does not constitute a pre-application or Application and does not bind the Department to any formal action regarding an inducement resolution.

**(b) Undesirable Neighborhood Characteristics.** If the Development Site has any of the characteristics described in §10.101(a)(4)(B) of this title (relating to Site and Development Requirements and Restrictions), the Applicant must disclose the presence of such characteristics to the Department. Disclosure may be done

at time of pre-application and handled in connection with the inducement or it can be addressed at the time of Application submission. The Application may be subject to termination should staff conclude that the Development Site has any characteristics found in §10.101(a)(4)(B) of this title (relating to Site and Development Requirements and Restrictions) and the Applicant failed to disclose.

**(c) Pre-Application Process.** An Applicant who intends to pursue Bond financing from the Department shall submit a pre-application by the corresponding pre-application submission deadline, as set forth by the Department. The required pre-application fee as described in §12.10 of this chapter (relating to Fees) must be submitted with the pre-application in order for the pre-application to be accepted by the Department. Department review at the time of the pre-application is limited and not all issues of eligibility and documentation submission requirements pursuant to Chapter 10 of this title (relating to Uniform Multifamily Rules) are reviewed. The Department is not responsible for notifying an Applicant of potential areas of ineligibility or other deficiencies at the time of pre-application. If the Development meets the criteria as described in §12.5 of this chapter (relating to Pre-Application Threshold Requirements), the pre-application will be scored and ranked according to the selection criteria as described in §12.6 of this chapter (relating to Pre-Application Scoring Criteria).

**(d) Scoring and Ranking.** The Department will rank the pre-application according to score within each priority defined by Texas Government Code, §1372.0321. All Priority 1 pre-applications will be ranked above all Priority 2 pre-applications which will be ranked above all Priority 3 pre-applications. This priority ranking will be used throughout the calendar year. The selection criteria, as further described in §12.6 of this chapter, reflect a structure which gives priority consideration to specific criteria as outlined in Texas Government Code, §2306.359. In the event two or more pre-applications receive the same score, the Department will use the tie breaker factors as outlined in §11.7 of this title (relating to Tie Breaker Factors) in the order they are presented to determine which pre-application will receive preference in consideration of a Certificate of Reservation.

**(e) Inducement Resolution.** After the pre-applications have been scored and ranked, the pre-application and proposed financing structure will be presented to the Department's Board for consideration of an inducement resolution declaring the Department's initial intent to issue Bonds with respect to the Development. Approval of the inducement resolution does not guarantee final Board approval of the Bond Application. Department staff may recommend that the Board not approve an inducement resolution for a pre-application. Each Development is unique, and therefore, making the final determination to issue Bonds is often dependent on the issues presented at the time the full Application is considered by the Board.

#### **§12.5. Pre-Application Threshold Requirements.**

The threshold requirements of a pre-application include the criteria listed in paragraphs (1) - (9) of this section. As the Department reviews the pre-application the assumptions as reflected in Chapter 10, Subchapter D of this title (relating to Underwriting and Loan Policy) will be utilized even if not reflected by the Applicant in the pre-application.

- (1) Submission of the multifamily bond pre-application in the form prescribed by the Department;
- (2) Completed Bond Review Board Residential Rental Attachment for the current program year;

- (3) Site Control, evidenced by the documentation required under §10.204(10) of this title (relating to Required Documentation for Application Submission). The Site Control must be valid through the date of the Board meeting at which the inducement resolution is considered and must meet the requirements of §10.204(10) of this title at the time of Application;
- (4) Boundary survey or plat clearly identifying the location and boundaries of the subject Property;
- (5) Local area map that shows the location of the Development Site and the location of at least six (6) community assets within a one mile radius (two miles if in a Rural Area). Only one community asset of each type will count towards the number of assets required. The mandatory community assets and specific requirements are identified in §10.101(a)(2) of this title (relating to Site and Development Requirements and Restrictions);
- (6) Organization Chart showing the structure of the Development Owner and of any Developer or Guarantor, providing the names and ownership percentages of all Persons having an ownership interest in the Development Owner or the Developer or Guarantor, as applicable.
- (7) Distribution List Form, as provided in the pre-application, to include the anticipated financing participants;
- (8) Evidence of Entity Registration or Reservation with the Texas Office of the Secretary of State;
- (9) A certification, as provided in the pre-application, that the Applicant met the requirements and deadlines for public notifications as identified in §10.203 of this title (relating to Public Notifications (§2306.6705(9))). Notifications must not be older than three (3) months prior to the date of Application submission. Re-notification will be required by Applicants who have submitted a change from pre-application to Application that reflects a total Unit increase of greater than 10 percent or a 5 percent increase in density (calculated as units per acre) as a result of a change in the size of the Development Site. In addition, should a change in elected official occur between the submission of a pre-application and the submission of an Application, Applicants are required to notify the newly elected (or appointed) official.

#### **§12.6. Pre-Application Scoring Criteria.**

This section identifies the scoring criteria used in evaluating and ranking pre-applications. The criteria identified below include those items required under Texas Government Code, §2306.359 and other criteria considered important by the Department. Any scoring items that require supplemental information to substantiate points must be submitted in the pre-application, as further outlined in the Multifamily Bond Pre-Application Procedures Manual. Applicants proposing multiple sites will be required to submit a separate pre-application for each Development Site. Each Development Site will be scored on its own merits and the final score will be determined based on an average of all of the individual scores.

- (1) Income and Rent Levels of the Tenants. Pre-applications may qualify for up to (10 points) for this item.
- (A) Priority 1 designation includes one of clauses (i) - (iii) of this subparagraph. (10 points)

- (i) Set aside 50 percent of Units rent capped at 50 percent AMGI and the remaining 50 percent of units rents capped at 60 percent AMGI; or
- (ii) Set aside 15 percent of units rent capped at 30 percent AMGI and the remaining 85 percent of units rent capped at 60 percent AMGI; or
- (iii) Set aside 100 percent of units rent capped at 60 percent AMGI for Developments located in a census tract with a median income that is higher than the median income of the county, MSA or PMSA in which the census tract is located.

(B) Priority 2 designation requires the set aside of at least 80 percent of the Units capped at 60 percent AMGI (7 points).

(C) Priority 3 designation. Includes any qualified residential rental development. Market rate units can be included under this priority (5 points).

(2) Cost of Development per Square Foot. (1 point) For this item, costs shall be defined as either the Building Cost or the Hard Costs as represented in the Development Cost Schedule, as originally provided in the pre-application. This calculation does not include indirect construction costs. Pre-applications that do not exceed \$95 per square foot of Net Rentable Area will receive one (1) point. Rehabilitation will automatically receive (1 point).

(3) Unit Sizes. (5 points) The Development must meet the minimum requirements identified in this subparagraph to qualify for points. Points for this item will be automatically granted for Applications involving Rehabilitation (excluding Reconstruction) provided they are requested in the Private Activity Bond Pre-Application Scoring Form.

- (B) six-hundred-fifty (650) square feet for a one Bedroom Unit;
- (C) eight-hundred-fifty (850) square feet for a two Bedroom Unit;
- (D) one-thousand-fifty (1,050) square feet for a three Bedroom Unit; and
- (E) one-thousand, two-hundred-fifty (1,250) square feet for a four Bedroom Unit.

(4) Extended Affordability. (2 points) A pre-application may qualify for points under this item for Development Owners that are willing to extend the Affordability Period for a Development to a total of thirty-five (35) years.

(5) Unit and Development Features. A minimum of (7 points) must be selected, as certified in the pre-application, for providing specific amenity and quality features in every Unit at no extra charge to the tenant. The amenities and corresponding point structure is provided in §10.101(b)(6)(B) of this title (relating to Site and Development Requirements and Restrictions). The amenities selected at pre-application may change at Application so long as the overall point structure remains the same. The points selected at pre-application and/or Application and corresponding list of amenities will be required to be identified in the LURA and the points selected must be maintained throughout the Affordability Period. Applications involving scattered site Developments must have a specific amenity located within each Unit to count for points. Rehabilitation Developments will start with a base score of (3 points).

(6) Common Amenities. All Developments must provide at least the minimum threshold of points for common amenities based on the total number of Units in the Development as provided in subparagraphs (A) - (F) of this paragraph. The common amenities include those listed in §10.101(b)(5) of this title and must meet the requirements as stated therein. The Owner may change, from time to time, the amenities offered; however, the overall points as selected at Application must remain the same. For Developments with 41 Units or more, at least two (2) of the required threshold points must come from the Green Building Features as identified in §10.101(b)(5)(C)(xxxi) of this title.

- (A) Developments with 16 to 40 Units must qualify for (4 points);

(8 points) By electing points, the Applicant certifies that the Development will provide supportive services, which are listed in §10.101(b)(7) of this title, appropriate for the proposed tenants and that there will be adequate space for the intended services. The provision and complete list of supportive services will be included in the LURA and must be maintained throughout the Affordability Period. The Owner may change, from time to time, the services offered; however, the overall points as selected at Application must remain the same. The services provided should be those that will directly benefit the Target Population of the Development and accessible to all. No fees may be charged to the tenants for any of the services. Services must be provided on-site or transportation to those off-site services identified on the list must be provided. The same service may not be used for more than one scoring item. All services must be provided by a person on the premises.

(8) Underserved Area. An Application may qualify to receive up to (2 points) if the Development Site is located in an Underserved Area as further described in §11.9(c)(6)(A)-(E) of this title.

(9) Development Support/Opposition. (Maximum +24 to -24 points) Each letter will receive a maximum of +3 to -3 and must be received ten (10) business days prior to the date of the Board meeting at which the pre-application will be considered. Letters must clearly state support or opposition to the specific Development. State Representatives or Senators as well as local elected officials to be considered are those in office at the time the pre-application is submitted and represent the district containing the proposed Development Site. Letters of support from State or local elected officials that do not represent the district containing the proposed Development Site will not qualify for points under this exhibit. Neutral letters, letters that do not specifically refer to the Development or do not explicitly state support will receive (zero (0) points). A letter that does not directly express support but expresses it indirectly by inference (i.e., a letter that says "the local jurisdiction supports the Development and I support the local jurisdiction") will be treated as a neutral letter.

- (A) State Senator and State Representative of the districts whose boundaries include the proposed Development Site;
- (B) Mayor of the municipality (if the Development is within a municipality or its extraterritorial jurisdiction);

(10) Preservation Initiative. (10 points) Preservation Developments, including rehabilitation proposals on properties which are nearing expiration of an existing affordability requirement within the next two (2) years or for which there has been a rent restriction requirement in the past ten (10) years may qualify for points under this item. Evidence must be submitted in the pre-application.

(11) Declared Disaster Areas. (7 points) If at the time the complete pre-application is submitted or at any time within the two-year period preceding the date of submission, the proposed Development Site is located in an area declared to be a disaster area under Texas Government Code, §418.014.

#### **§12.7. Full Application Process.**

**(a) Application Submission.** Once the inducement resolution has been approved by the Board, an Applicant who elects to proceed with submitting a full Application to the Department must submit the complete tax credit Application pursuant to §10.201 of this title (relating to Procedural Requirements for Application Submission).

**(b) Eligibility Criteria.** The Department will evaluate the Application for eligibility and threshold at the time of full Application pursuant to Chapter 10 of this title (relating to Uniform Multifamily Rules). If there are changes to the Application at any point prior to closing that have an adverse affect on the score and ranking order and that would have resulted in the pre-application being placed below another pre-application in the ranking, the Department will terminate the Application and withdraw the Certificate of Reservation from the Bond Review Board (with the exception of changes to deferred developer's fees and support or opposition points). The Development and the Applicant must satisfy the requirements set forth in Chapter 10 of this title (relating to Uniform Multifamily Rules) and Chapter 11 of this title (relating to Housing Tax Credit Program Qualified Allocation Plan) in addition to Texas Government Code, Chapter 1372, the applicable requirements of Texas Government Code, Chapter 2306, and the Code. The Applicant will also be required to select a Bond Trustee from the Department's approved list as published on its website.

**(c) Bond Documents.** Once the Application has been submitted and the Applicant has deposited funds to pay costs, the Department's bond counsel shall draft Bond documents.

**(d) Public Hearings.** For every Bond issuance, the Department will hold a public hearing in order to receive comments from the public pertaining to the Development and the issuance of the Bonds. The Applicant or member of the Development Team must be present at the public hearing and will be responsible for conducting a brief presentation on the proposed Development and providing handouts at the hearing that should contain at a minimum, a description of the Development, maximum rents and income restrictions. If the proposed Development is Rehabilitation then the presentation should include the proposed scope of work

that is planned for the Development. All handouts must be submitted to the Department for review at least two (2) days prior to the public hearing. Publication of all notices required for the public hearing shall be at the sole expense of the Applicant, as well as any facility rental fees or required deposits.

**(e) Approval of the Bonds.** Subject to the timely receipt and approval of commitments for financing, an acceptable evaluation for eligibility, the satisfactory negotiation of Bond documents, and the completion of a public hearing, the Board, upon presentation by Department staff, will consider the approval of the final Bond resolution relating to the issuance, final Bond documents and in the instance of privately placed Bonds, the pricing, terms and interest rate of the Bonds. The process for appeals and grounds for appeals may be found under §1.7 of this title (relating to Staff Appeals Process) and §1.8 of this title (relating to Board Appeals Process). To the extent applicable to each specific Bond issuance, the Department's conduit multifamily Bond transactions will be processed in accordance with 34 TAC Part 9, Chapter 181, Subchapter A (relating to Bond Review Board Rules) and Texas Government Code, Chapter 1372.

**(f) Local Permits.** Prior to closing on the Bond financing, all necessary approvals, including building permits from local municipalities, counties, or other jurisdictions with authority over the Development Site must have been obtained or evidence that the permits are obtainable subject only to payment of certain fees must be submitted to the Department.

#### **§12.8. Refunding Application Process.**

**(a) Application Submission.** Owners who wish to refund or modify tax-exempt bonds that were previously issued by the Department must submit to the Department a summary of the proposed refunding plan or modifications. To the extent such modifications constitute a re-issuance under state law the Applicant shall then be required to submit a refunding Application in the form prescribed by the Department pursuant to the Bond Refunding Application Procedures Manual.

**(b) Bond Documents.** Once the Department has received the refunding Application and the Applicant has deposited funds to pay costs, the Department's bond counsel will draft the required Bond documents.

**(c) Public Hearings.** Depending on the proposed modifications to existing Bond covenants a public hearing may be required. Such hearing must take place prior to obtaining Board approval and must meet the requirements pursuant to §12.7(d) of this chapter (relating to Full Application Process) regarding the presence of a member of the Development Team and providing a summary of proposed Development changes.

**(d) Rule Applicability.** Refunding Applications must meet the requirements pursuant to Chapter 10 of this title (relating to Uniform Multifamily Rules) and Chapter 11 of this title (relating to Housing Tax Credit Program Qualified Allocation Plan) with the exception of criteria stated therein specific to the Competitive Housing Tax Credit Program. At the time of the original award the Application would have been subject to eligibility and threshold requirements under the QAP in effect the year the Application was awarded. Therefore, it is anticipated the Refunding Application would not be subject to the site and development requirements and restrictions pursuant to §10.101 of this title (relating to Site and Development Requirements and Restrictions). The circumstances surrounding a refunding Application are unique to each

Development; therefore, upon evaluation of the refunding Application, the Department is authorized to utilize its discretion in the applicability of the Department's rules as it deems appropriate.

### **§12.9. Regulatory and Land Use Restrictions.**

**(a) Filing and Term of Regulatory Agreement.** A Bond Regulatory and Land Use Restriction Agreement will be filed in the property records of the county in which the Development is located for each Development financed from the proceeds of Bonds issued by the Department. The term of the Regulatory Agreement will be based on the criteria as described in paragraphs (1) - (3) of this subsection, as applicable:

- (1) the longer of thirty (30) years, from the date the Development Owner takes legal possession of the Development;
- (2) the end of the remaining term of the existing federal government assistance pursuant to Texas Government Code, §2306.185; or
- (3) the period required by the Code.

### **(b) Federal Set Aside Requirements.**

(1) Developments which are financed from the proceeds of Private Activity Bonds must be restricted under one of the two minimum set-asides as described in subparagraphs (A) and (B) of this paragraph:

(A) at least 20 percent of the Units within the Development shall be occupied or held vacant and available for occupancy at all times by persons or families whose income does not exceed 50 percent of the area median income; or

(B) at least 40 percent of the Units within the Development shall be occupied or held vacant and available for occupancy at all times by persons or families whose income does not exceed 60 percent of the area median income.

(2) The Development Owner must designate at the time of Application which of the two set-asides will apply to the Development and must also designate the selected priority for the Development in accordance with Texas Government Code, §1372.0321. Units intended to satisfy set-aside requirements must be distributed evenly throughout the Development, and must include a reasonably proportionate amount of each type of Unit available in the Development.

(3) No tenant qualifying under either of the set-asides shall be denied continued occupancy of a Unit in the Development because, after commencement of such occupancy, such tenant's income increases to exceed the qualifying limit; provided, however, that should a tenant's income, as of the most recent determination thereof, exceed 140 percent of the applicable income limit and such tenant constitutes a portion of the set-aside requirement of this section, then such tenant shall only continue to qualify for so long as no Unit of comparable or smaller size is rented to a tenant that does not qualify as a Low-Income Tenant.

**§12.10. Fees.**

**(a) Pre-Application Fees.** The Applicant is required to submit, at the time of pre-application, the following fees: \$1,000 (payable to TDHCA), \$2,500 (payable to the Department's bond counsel) and \$5,000 (payable to the Texas Bond Review Board (BRB) pursuant to Texas Government Code, §1372.006(a)). These fees cover the costs of pre-application review by the Department, its bond counsel and filing fees to the BRB.

**(b) Application Fees.** At the time of Application the Applicant is required to submit a tax credit application fee of \$30/unit and \$10,000 for the bond application fee (for multiple site Applications the application fee shall be \$10,000 or \$30/unit, whichever is greater). Such fees cover the costs associated with Application review and the Department's expenses in connection with providing financing for a Development. For Developments proposed to be structured as part of a portfolio such application fees may be reduced on a case by case basis at the discretion of the Executive Director.

**(c) Closing Fees.** The closing fee for Bonds, other than refunding Bonds is equal to 50 basis points (0.005) of the issued principal amount of the Bonds. The Applicant will also be required to pay at closing of the Bonds the first two years of the administration fee equal to 20 basis points (0.002) of the issued principal amount of the Bonds and a Bond compliance fee equal to \$25/unit (such compliance fee shall be applied to the third year following closing).

**(d) Application and Issuance Fees for Refunding Applications.** For refunding Applications the application fee will be \$10,000 unless the refunding is not required to have a public hearing, in which case the fee will be \$5,000. The closing fee for refunding Bonds is equal to 25 basis points (0.0025) of the issued principal amount of the refunding Bonds. If applicable, administration and compliance fees due at closing may be prorated based on the current billing period of such fees. If additional volume cap is being requested other fees may be required as further described in the Bond Refunding Applications Procedures Manual.

**(e) Administration Fee.** The annual administration fee is equal to 10 basis points (0.001) of the outstanding bond amount on its date of calculation and is paid as long as the Bonds are outstanding.

**(f) Bond Compliance Fee.** The Bond compliance monitoring fee is equal to \$25/Unit.
