

Multifamily Direct Loan Request for Preliminary Determination

Multifamily Direct Loan Request for Preliminary Determination

In lieu of a letter from a Third Party permanent lender, an Application whose only permanent lender is the Texas Department of Housing and Community Affairs (Department) may submit this Request for Preliminary Determination for evaluation and acceptance. A successful evaluation will receive twenty-six (26) points pursuant 10 TAC §11.8(d) for a 9% Competitive Housing Tax Credit Application. This Preliminary Determination is not applicable to Multifamily Direct Loan construction-only, 4% Housing Tax Credit or Direct Loan-only Applications. Submission of the Request for Preliminary Determination does not obligate the Applicant to apply for Direct Loan financing in their full Application nor does it guarantee that the Department will award Direct Loan financing.

The Department is providing preliminary review of certain information regarding the proposed Development. Acceptance of the Request for Preliminary Determination does not constitute approval of an Application or award. The Department's review of the proposed Application or Development is conducted through the Request for Preliminary Determination only to determine limited eligibility to receive Direct Loan funds, and is subject to change upon receipt and review of the complete Application, and due to the continued availability of funding.

The Request for Preliminary Determination is <u>not</u> subject to the Pre-Application Requirements at 10 TAC §11.8. Department review of the Request <u>is</u> subject the Deficiency Process described in 10 TAC §11.201(7), including suspension and termination under 10 TAC §11.201(7)(D), which could result in termination of the Request for Preliminary Determination and loss of associated points.
