Not sure if this is the correct venue to express this concern, but we cannot find contact info for the Mockingbird Neighborhood Association. There is a house 303 West Grady, that has begun to have late night parties on Friday and Saturday Nights. Cars line the street and the amount of people they have in the house is huge. Party goers walk through front yards and last night one was spotted in a back yard.

Are there ordinances to deal with such a nuisance?
